Dear Joan:

How nice to hear from you again. After your last letter to me indicating that you still had not heard from Joanne Wright in AL I, too wrote a letter to her. No answer. Sooooo, in some of her past correspondence with me,wJoanne had said that she was working on the Kidd family or that she was working with the woman who puts out a Kidd Newsletter. So I wrote to this lady. She answered that she, too had not heard from Joanne is some time and she wrote to Joanne and evidently enclosed a copy of my letter to her where I was very concerned about her&if she were well or not.

After a long while (where I had forgotten about writing etc.) Joanne answered with apologies. Seems that she has just been tied up doing research for other people and also getting her article in on the Hootens for the publication , 'First Families of Henry County, GA." She said that she was instructed that they only allowed 3 pages per familiy and then after publication she finds that others used more space!! This book is put out by the Genealogical Societies of Henry and Clayton Cos., GA, Inc. P.O.Box 1296, McDonough, GA 30253 $70.00.

In Joanne's letter to me she seemed to think that your Hootens were in AL. Your letters do not say that. But, (quoting Joanne again) she said that the 'Al Hootens probably came off of Rev. Henry Hooten who d in AL...a Rev. soldeir. There is a book (which I haven't seen) called, They Crossed the Savannah' by Mrs. R. J. Hooten, 920 Keith Dr., Perry,GA 31069 and suggested that you write to her and have her check her book, that the xeroxed pages that she had gotten from the AL Archives did not mention your man. Now I think that she has you mixed up with someone else, but I'm glad to learn about this book, aren't you?

Also, since you are interested in Kidd(s), the address for this newsletter just hope it is still current...Mrs. Hazel Kidd Lawson, 14130 S.E. 17th Suite #C-1,& Bellevue, WA 98007 .

Hope all this helps a little. I haven't done any research on my own lines for quite some time now. Researching other people keeps me hopping!!!

Keep in touch.

Sincerely,

1.

Dear Vivian:

I'm still working on Hooters, Emanuels & Littletons.

I was browsing thru my files & glanced thru your letters, & a name caught my eye. "KIDD" In my line of Emanuel Hooten, one of his daughters married a Kidd. Molly Hooten married ROBERT KIDD. about 1890, probably in Ark.. There is no info on his family.

Molly died in Fresno, Ca. 1949.

Other researchers working on my line, agree that a possible father of our Littleton is ELIJAH. Both ELIJAH is listed as a son of JOHN Booth Hooten in Cumberland Co. N.C., Elijah had sons; Littleton, Elijah, Jr., Wm. JOHN, JOSEPH & ROBERT.

Robert was a witness to our Littleton's marriage to Anna Wilson in Sumner Co., Tenn.

I've still not heard from Joane Wright. She must be ill; hopefully nothing worse.

Hope this bit of info helps. Evidently Fidds & Hooten are close.

Could you send me what info you have on your Littleton? He could possibly be a nephew of our Littleton. Thank you.

Yours Sincerely,

Joan H. Wemyss

Dear Ms. Kilgore:

I found your name while searching through periodicals. I am researching Hootens. My husband's grandmother was ELIZABETH ANN HOOTEN, daughter of EMANUEL HOOTEN. EMANUEL's father was LITTLETON HOOTEN.

Littleton says he was born in N.C., per Census records. His son EMANUEL was born in Tenn.. Littleton took his family to Owen Co. Ind. I have all of Emanuel's children + a few of Littleton's. Littleton died in state 1871, Ind.

I found another Littleton Hooten in N.C., but he seems to be younger than mine.

I hope you can help me + would like to hear from you. Thank you.

Yours Sincerely,
Joan N. Merriman

Dear Vivian:

Just wanted you to know I had written 30 Oct. to Mrs Wright on Hooten. Have never heard from her. I was so hoping I would.

I was wondering if I should try again after the first of the year.

I was looking in Sumner Co. Tenn. marriage records last week & found a Littleton WHOTON married Anna Wilson 1812. I feel he is my Littleton. The year is right. Haven't been able to find all his children.

You mention being 64; I turned 70 in Nov., so I know what you mean.

Hope your holiday is peaceful & happy.

Yours Sincerely,
Joan N. Meriwether

Dear Joan:

As you can see, we had a very quiet Christmas. I'm again, cleaning off my desk and playing 'catch-up'.

I received your card about not hearing from Joanne Wright. Can't imagine what has kept her from letting you hear something.

Anyway I went to the files to get your first letter to find out just who your your Hootens were and now I'm trying to answer. Joanne would be soo much better, because that gal researched all the children of the families...most of us have a hard enough time finding our direct line.

She proved (for all of us) that the father of James Hooten b c1788 NC is the son of Littleton Hooten who died in Darlington Co., SC...will probated 1844. With this 'littleton' floating all over the place there must be some connection. My notes did not show an Emanuel or a Littleton in TN. or IN.

All I can say is that I intend to write Joanne W. right now and see if I can get a rise out of her. Sure hope she isn't ill. Last I heard she was working on the Kidd family. Susannah Kidd m our Littleton Hooten and came into GA c 1831, in Henry Co.,GA.

Wish I could help you. Needless to say, if I hear from Joanne, I'll let you know.

Happy Holidays to you and yours,

Yours Sincerely,

Dear Ms. Jordan:

Your name was given to me as a Hooten researcher. I, too, am researching Hootens. My husband is descended from Hootens on his maternal side.

His g. grand-father was Emanuel Hooten born about 1818, in Tenn. His father was Littleton Hooten, born 1794 in N.C. Littleton moved his family to Knox Co. Ind. about 1830, & died there 1871.

I had discovered an Littleton Hooten & an Emanuel Hooten in GA. but the dates are different than ours.

I thought that perhaps the Hootens you are researching might be related.

I would appreciate hearing from you.

In years gone by, I have researched the Hootens. They are on my husbands' side of the family.

There is a wonderful lady named Joanne S. Wright 1924 Crossvine Rd. Birmingham, AL 35244 who has researched these Hootens and knows all of them, I'm convinced. She does have a phone, but she is quite deaf and can't talk on phone.

I haven't heard from her in awhile, so if she doesn't answer you let me know, please. I'm sure that she must be around my age which is 68 yrs. so , she maybe feeling poorly, as we oldsters do sometimes..Ha.

Good Luck in your research.

Thank you for your family group sheets on the Hotten family. I've just put in the mail a request for the DAR papers of several Hootons that just might be the father of Littleton. The ages seem right. If you haven't already gon e this route, I'll be happy to send you anything that looks good, when I receive them.

I'm going to send you the enclosed 'journal' for want of another word. A Texas Hooton sent this to me quite a while ago. I've written in some corrections on my line. Unfortunately I did not see anything on your Parmelia but thought you might be interested in this little story. This old preacher must have been a fine old man and his trip back to Georgia, land of his fathers, is touching to read. If you find any glaring mistakes, please let me know so that I can correct them before I send this on to anyone else. I'm real particular about trying not to send any misinformation.

If anything new turns up on our Hootens, please let me know. I hope to go to Salt Lake City, the latter part of April for a couple of weeks. Don't guess I have to say that the Hootens will be one of the names I will be looking up in that fabulous library. Just hope my money holds out!!

Dear Mrs. Jordan:

Would you believe that I live at the corner of Kent Village Dr. and Hawthorne St.? First let me apologize to you for being so long in answering your much appreciated letter. I was out of town when it came and just got back home last Monday night and needless to say I am still trying to catch up. I work full time and the office has been an absolute zoo since I returned.

I am sending you a copy of my family sheet so that you can see my connection with the Hooten family and you may keep it for your records. Enoch Hooten of whom you spoke had a sister Parmelia who married Phineas Fields and they were my great, great grandparents. It certainly appears that Littleton was the father of James because he lists a James in his will and the ages fit in with those in the census sheets. I have found Littleton in Darlington, S.C. as far back as the 1800 census, but try as I might I have not been able to find him in the 1790 census and he should have been listed someplace. As you will note, James states that he was born in N.C. and there are Hooten's listed in the N.C. census for 1790. It is also possible that it could have been part of Va. that later became N.C. I know there are others searching for Littleton in 1790 so perhaps one of these days someone will find him.

I hope this information will be of some help to you. I am always glad to share any information I have. I believe that somewhere in the family one of the wives maiden name was Littleton because that is such an unusual given name and I have found Littleton's in that area. I have found some very interesting tidbits, but whether it will ever tie together into facts remains to be seen. But at any rate, it is very interesting and a lot of fun - frustrating also.

Thank you for your response to my inquiry and I hope to hear from you again. I certainly will let you know if I find anything. If you have any questions please ask.

Sincerely,

Lois F. Nelson

Dear Mrs. Nelson:

You have probably heard from the other Hooten researchers that are hung up on this line. I just wanted to add my particular branch records so that you could have them on file.

My husbands ancestor, James Hooten of N. C. and wife Susannah Kidd (do you have a list of their children???) had at least one child, Enoch Milton Hooten b. June 1837 who m. 1) Sarah Charlotte Shaw ca. 1856. Enoch was a Baptist minister in Georgia.

It appears that Littleton Hooten who died in Darlington Co. N. C. will probated 1844, is probably the father of our James.

The offspring of Enoch and Sarah was Nancy Lee who married John Thomas Jordan in Pike Co., Ga. in 1884.

I would like to have your connection to James and Susannah for my files, if you would.

Please keep in touch with any new information and I shall do the same. Good Hunting!

Mrs. Pickle address in bible. —
(write from Clayton bible)

Dear Mrs. Jordan,

Recently I left my name and address at file in the Georgia archives for a search of information on my great great grandfather, Amasa Hooten. Mr. Homer C. Cooper saw my inquiry and sent me some information on Rev. Enoch M. Hooten. He also gave me your name and address. I would like to know if you know about my Amasa, and if it is possible he may be related to your Hootens.

Amasa was born Oct 12, 1796 and died Oct 4, 1862. He was married to Nancy Spurlin. Their daughter, Sarah Hooten (1823-1903) was married to William A. Lewis (1821-1874) in Pike Co. Georgia (12-28-1839.) This marriage is recorded in "Early Georgia marriages Pike Co. Ga". The family moved to Tallapoosa Co. Alabama in 1846. I believe Amasa was born in So. Carolina but not certain.

I would appreciate any help you might give me about my ancestor.

Yours sincerely,

(Mrs.) Ernestine Rogers

Dear Mrs. Gordon,

I beg your pardon, I should have written to you before. I have been very busy with my work and have not had time to write to you. I am sorry to hear that you have been ill. I hope you are better now. I would like to know if you have received the letter I sent you last week. I am looking forward to hearing from you soon.

Yours sincerely,

Dear Mrs. Juanita T. Tittle:

How very thoughtful of you to take the time to copy and compile the Hooten Booklet for me, I really appreciate all the effort. I'm enclosing $2.50 for the zeroxing at least. Many thanks.

Needless to say, my husband and I read the booklet with great interest. There are a few corrections, documented, that I would like for you to add to the Rev's. booklet before it is sent to someelse and it might mislead them.

Enoch Milton Hooten, son of James,Sr. died 26 Dec 1907 in Tallapoosa, Monroe Co., Georgia. Ref.-Georgia Baptist Convention Minutes, 1908, pg 41. He married a second time to Almira M. McDonald, b. Ga. They had children (1900 census) Lottie b. Aug 1893
Moses H. Nov 1894
Curtis b. Aug 1896 all b. in Ga.
Mother in Law, Antoinette McDonald, b. Mar 1828 Ga. was living with them in 1900, in Campbell Co., Ga., Fairburn City.

In the biographical sketch of Enoch M. Hooten, "Famous Georgia Baptist" there is a two page write up and small picture. The article states that he was 'the son of James Hooten, a Virginian by birth and Susannah Kidd, a native of North Carolina.' The family were strict Presbyterians and the son was brought up in that faith. The article goes on to state that it was only after he was wounded in the Conf. Civil War did he changed his beliefs to Baptist.

Some marriages that you may or may not have;

Once again my thinks for your information. Do keep in touch and I will with you also. Any other Hooten informations that I might find for you, let me know, for Clayton Library is well stocked with Ga. books.

Dear Mrs. Baham:

Your address was given to me by Mrs. Cuida Williamson of Graham, Texas. It would seem that my husband's Enoch Milton Hooten is a brother to your James Hooten, Jr, both sons of James Hooten, Sr. 1790 of NC.

She sent the records of your Hootens and I would like to add and correct a few minor points.

Enoch Milton Hooten died at Tallapoosa, Goergia (Monroe Co.) 26 Dec 1907. (Georgia Baptist Convention minutes 1908 pg 41). His wife, Sarah Charlotte Shaw b. 12 Sept 1836 d. 29 Nov. 1889 and is buried at Jackson, Butts Co., Ga.

Enoch M. married 2nd. Almira M. McD~~onald~~ANIa!..40 yrs. (1900 census) b. Ga. Three children are listed..Lottie 7 yrs.; Moses H. 5yrs.; Curtis 3 yrs. and Mother-in-law Antoinette McD~~onald~~ANIa! 72 yrs. b. Ga.

While in Georgia last summer, we came upon a cemetery in Harris Co., just after we had gone through the one at Waverly Hall. It was a joint cemetery for the Bethesda Baptist Church and the Ellerslie Methodist Church. I found; Dr. Joseph C. Hooten 16 Apr 1871-25 Sept 1931
Ella Powell Hooten 1 Jan 1875-29 Sept 1965
Gerald H. Hooten 21 Dec 1910-2 Feb 1954

Dewitt Hooten m Lula Anderson 13 Jan 1895 Jasper Co., Ga.

#6 on the list of Enoch's ch. is Nannie(Nancy Lee) who married John T. Jordan 2 Dec 1884. She was b. 2 Mar 1864 Pike Co., Ga. d. 5 Feb 1945, Molena, Pike Co., Ga. (I'm wondering if the place of residence for Ninnie,#7 shouldn't be Molena? This is where my husband was raised).

I've been trying to find out more about James Hooten, Sr. for some time now. Have you made any progress? Beginning to think that he had a younger brother Littleton Hooten 61 yrs. b. S. C. w. Elizabeth b. S. C. (1860 Census). But no real proof.

While in the Georgia Archives last summer, the lady in the film dept. told me that a Mr. Martin of Augusta, Ga. was writing a book on the Hootens. Have you any knowledge of this?

Hope we can exchange Hooten information in the future.

Dear Mrs. Jordon,

I volunteered to answer your letter for Vance as he is working night shift and finds little time for correspondence. I'm his step-dau. and have been helping him to get his family lines in order.

He has the Heatons of Henry Co. Ga. in 1850 and 1860 census. Very little information on them. We have found nothing more on James & Susanna Kidd.

The copy machine did not do the best job on the booklet but I hope you can read it. It was the only machine I had access to. The cost was 10¢ a page.

Please fill out the enclosed forms and return. If you want copies of (VANCE) my family group sheets I will be glad to send them. I have a family group sheet on each ancestor on (VANCE) my pedigree chart.

Dear Mr. Hooten:

In using the Mormon Library facitlites, I've come across your record of the Hootens. You gave as your source a booklet on the Hootens of Georgia by Rev. J. W. Hervey. I'm very interested in the Hooten line and would like to have more information, if you have it.

My husband was born in Georgia. His grandmother Jordan was a Nancy Lee Hooten. Her Father Enoch Milton Hooten, a son of the James Hooten and Susannah Kidd that you gave records on to the Mormon Library.

Does your booklet have anything that would give some clue as to the father of James Hooten and the father of Susannah Kidd? It appears from the cnesus that they were both born in North Carolina, but one census gave as the birthplace for James as Va. Would really appreciate any help you could give me on this line.

If you have access to this little Hooten Booklet. Would it be possible to have it zeroxed? Even if it doesn't help me and my problems, I would give it to our Clayton Genealogical Library here in Houston and perhaps it could help someone else. I would pay for any expense in copying, of course.

I enclose a stamped, self-addressed envelope for your reply.

Sincerely,

Dear Mrs. Jordan:

Family Puzzlers, Danielsville, Georgia, March 10, 1977, Issue 490, Page 3, carries your request for information about Rev. Enoch Milton Hooten, who was born April 30, 1837, and died December 26, 1907. He is buried at Tallapoosa, Georgia.

We are not descended from the Hooten family, but my wife's grandparents, John Calhoun Irvin (1852-1933) & Mary H. O. Milner (1860-1949), were married in 1882 in Pike County, Georgia, by Rev. Hooten, according to their family Bible. In addition, Rev. Hooten's grandson (I think) married a Milner, so my wife and children have Hooten cousins who are related through the Milner rather than the Hooten line. Some of them are:

Mr. John H. Hooten
Mrs. J. H. Pritchett
Mrs. Ronad H. Johnson (Dixie Jane Hooten)
Mrs. Andrew Carmichael (Jamie Hooten)

Ans. 4/21/77

I assume you are in touch with these cousins, but if not, I can send their addresses.

I found the following in the cemetery at Jackson, Georgia:

Sarah C. Shaw, wife of E. M. Hooten
born September 12, 1836
died November 29, 1889

My understanding, which may be mistaken, is that she was the first wife and that Rev. Hooten married again.

I also found a sketch of Rev. Enoch M. Hooten in: Samuel Boykin (1829-1899), History of the Baptist Denomination in Georgia, James P. Harrison & Co., Atlanta, Georgia, 1881, Biographical pages 276-277. If you have not seen this, I would be happy to send a photocopy to you.

Basically, that is the Hooten information I have. However, I have a great deal more Milner information I can send if you happen to be descended from the Hooten-Milner marriage. Do you have a Ravens line?

Good luck in your searching!

Sincerely,

HCCooper

Dear Mr. Cooper:

If you aren't the nicest man! When my husband and I are in Georgia this summer, hopefully during October, would it be convenient to call on you and your wife and thank you personally for your thoughtfulness?

My husband's fraternal grandmother was Nancy Lee Hooten Jordan, b. 1864 d. 1945 Pike Co., Georgia (Molena). She was a daughter of Enoch M. Hooten and Sarah Charlotte Shaw who married 1856 Jasper Co., Georgia. I did not know when she had died nor where she was buried. I do thank you for this information. The 1900 census shows that Enoch M. Hooten 63 yrs. was living in Fairburn, Campbell Co., Ga., married to Almira M. b.Dec. 1856-40 yrs.(??) in Ga.
Ch. Lottie b. Aug. 1893
Moses H. b. Nov. 1894
Curtis b. Aug 1896
Antoinette McDonald- mother-in-law b. Mar 1828 Ga.

My husband's cousins are around La Grange, I believe. We are not in touch with them, but if time will allow, we hope to talk with them this summer. Mrs. John Hooten and Mrs. Emma Hooten.

I do not have a Ravens line, but if you could give me some charts, I'd be happy to keep an eye out for the name.

Our Clayton Library is well stocked with Georgia books but could always use more, I'm sure. We have the Boykin book on the Baptist.

Mrs. Mosier(Mosher), who was working the film dept. at the Ga. Archives last summer is the one who told me about 'Mr. Martin of Augusta, who is writing a book on the Hootens'. Do you know this lady? She was very helpful to me when I was there. I've tried to contact her through the Archives, but I did not receive an anwer.

Again, my thanks for sharing your information. I just hope that someday I can be of help to you.

Dear Mr. Jordan,

Onida Williamson has been writing to you about my ancestors, The Hooten's. So you may not know me but I feel that I know you as I read all your letters with Onida.

At this time she is so busy with the wedding of a daughter one week from today.

I do hope you have been able to go back to work since your gall bladder operation and that you are feeling better.

In a prior you referred to a book Henry County History. We would like to have the name of the author so we can order it, please.

I do not know if Mr. Williamson has any other information for you right now but I'm sure she will get called on when this wedding is over and will write.

Thank you for all nice information you have sent.

I feel at such a loss as I

am certainly learning and it
is so very interesting.

Dear Mrs. Christopher:

In answer to your letter of the 22nd of July, 1977. Your Henry County book is entitled,"The Mother of Counties" by Vessie Thrasher Rainer Published 1971 by the Henry County Historical Foundation. Your local library should have a copy of a book that will give addresses for all Libraries and Historical Foundations, I'm sorry, I'm at home and cannot give you the address of where to write.

I hope that Mrs. Williamsons' wedding went off without too much of a hitch. I've been through that two times, and just didn't think I'd make it, either time!

This is our very busiest time at the library, so I've not had the time to do any personel research. But I'm always on the look out for Hottens,believe me. Found some in Kentucky the other day when I was looking for someone else.

My health seems fine once again. Thank you for inquiring. Please keep in touch and anything of consequence on our mutual line, please let me know.

Dear Vivian Jordan,

Thank you for your letter of May 11th. The data about Hooten and Kidd families is appreciated.

Since hearing from you, I have started searching North Carolina records for James Hooten Sr. and his wife Susanna Kidd. I plan to write to National for copies of the papers of the three Texas descendants that I mentioned in my last letter to you.

Before I heard from you, I had written to National for copies of papers concerning CHARLES and WILLIAM HOOTEN. They came on the 15th of this month. Enclosed is a summary of the data from the papers on a separate sheet. When I wrote for them, I had hopes that I would find a son JAMES. As you can see, a generation is missing. From the data on the two papers, I am guessing that James Hooten Sr. b 1790 NC was a son of Caleb or William listed on the DAR paper as sons of William Hooten b ca 1730. Since James b 1790 named his first son William, I am concentrating a search for William b ca 1757-1773. Again guessing, perhaps William Hooten (father of James b 1790) died in Chester or Lancaster Co., SC. I find it very difficult to get and locate SC data.

This week, I have been reading microfilms of Court Records in Randolph Co., NC. This was found:

"May Term, 1816 - A deed was recorded from Sarah Cavanap (Cavanas) to Moses Kidd."

No, I do not have the address of Joseph Enoch Hooten of Nashville, Tenn. Perhaps you can learn the address from Joyce Talley Baham.

Please do not send SASE. I am indebted to you. THANKS, again.

Sincerely,

Ouida Williamson

Dear Vivian Jordan,

Thank you for your letter of May 11th. The data about Hooten and Kidd families is appreciated.

Since hearing from you, I have started searching North Carolina records for James Hooten Sr. and his wife Susanna Kidd. I plan to write to National for copies of the papers of the three Texas descendants that I mentioned in my last letter to you.

Before I heard from you, I had written to National for copies of papers concerning CHARLES and WILLIAM HOOTEN. They came on the 15th of this month. Enclosed is a summary of the data from the papers on a separate sheet. When I wrote for them, I had hopes that I would find a son JAMES. As you can see, a generation is missing. From the data on the two papers, I am guessing that James Hooten Sr. b 1790 NC was a son of Caleb or William listed on the DAR paper as sons of William Hooten b ca 1730. Since James b 1790 named his first son William, I am concentrating a search for William b ca 1757-1772. Again guessing, perhaps William Hooten (father of James b 1790) died in Chester or Lancaster Co., SC. I find it very difficult to get and locate NC data.

This week, I have been reading microfilms of Court Records in Randolph Co., NC. This was found:
"May Term, 1816 - A deed was recorded from Sarah Gaynes (Gaynes) to Moses Kidd."

No, I do not have the address of Joseph Enoch Hooten of Nashville, Tenn. Perhaps you can learn the address from Joyce Talley Dahms.

Please do not send SASE. I am indebted to you. THANKS, again.

Sincerely,

Ouida Williamson

Dear Fellow Genealogist:

I saw your article in Family Puzzler # 490 about the "Hooten's". My Great Grandfather was named Henry Hooten Loyd. His father,Ezekiel Loyd, lived in Upson County,Ga. during the 1830's and were members of the Good Hope Primitive Baptist Church. The 1830 census of Upson County,Ga. shows Ezekiel S.LOyd and Family living there as well as a Henry Hooten,age 60-70, who was a Baptist preacher. My GG Grandfather Ezekiel probably named his son(my G.Grandfather)after this preacher?)

I do not know of any marriages between the Loyd's and Hooten's back then but evidently they were very close family friends.

Do you happen to have any information on this Henry Hooten and maybe any connection with my Loyds or Lloyds?

I would appreciate hearing from you.

Yours Respectfully,
G.E. Lloyd

Dear Mrs. Williamson:

I'm sending you some more 'fill-in' which you may or maynot have. The complete title of the Henry Co. book and the author's name; a more complete reference listing re the marriage of William Hooten; and the Conf. Rec. on William A. Hooten.

Can't think of a better way to 'thank' someone for kindness shown than to help them trace their family tree. Altho, I do believe that half of the fun (and ffustration!!) is in doing it yourself.

Thank you for your address on Joyce Talley Raham. I hope to get a letter off to her tonight. As you will see there are some corrections to some of the information that you sent me via Mrs. Raham.

I'm beginning to believe that James, Sr. had a younger brother named Littleton. See 1860 Talbot Co. census fam. #534-Littleton Hooten 61 yrs. b. S. C

Dear Mrs. Jordan,

Thank you for your interesting letter of the 19th of April. I wanted to answer immediately but could not. On the 20th of April, my two grandchildren, Bill 9 years and Ellie 7 years, arrived for a 6 day visit while their parents went to Atlanta, Ga. I love to keep my grandchildren but baby sitting and ancestor research do not combine very well. Now that my household is about back to normal, I find I am far behind with genealogy correspondence.

Before writing more, I must confess that I am not a Hooten descendant. Genealogy has been my hobby for over 40 years; I subscribe to many genealogy magazines. A friend, Leta Foster Christopher has been especially kind and considerate of my feelings since my husband passed away. To try to repay her for her many kindnesses, I decided I could research her family lines. This I learned was something she was interested in but she did not know where to start. Enclosed is her line back to James Hooten and Susannah Kidd. I am sure Leta will want to write to you, later.

I quote from your letter - "I wonder how our lines connect, if they do? Perhaps your William and my James (father of Enoch) were brothers. Time will tell." In reply to the foregoing, I include data received from Joyce Talley Baham as follows:

Dear Mrs. Jordan,

Today, when the March 10th 1977 issue of FAMILY PUZZLERS came through the mail, I was delighted to read at the bottom of p.3 your data about HOOTEN and KIDD families. THANK YOU!

Before receiving this, we did not know the name of the wife of William Hooten. On the 1850 census of Henry Co., Ga. she was listed as F. We ordered the 1860 census microfilm hoping to learn her name and found that she probably died after 1857 as she is not listed with William and his children.

If you need any Hooten data, I would be happy to share all that I have collected. So far, I have:

1. Family data concerning Marinda Brown Hooten after her marriage to C.C.Mitcham.
2. Census data from Henry, Newton Cos. Ga. and Wise Co., Tex.
3. 1820 and 1821 Ga. Land Lottery records about Henry Hooten and Mary Hooten (wid).
4. Data from Joyce Tallet Baham, 10 Willow Dr., Monroe, La. 71203 who is descended from James Hooten, son of James Hooten Sr. b 1790.
5. The names of 4 Hootens and 1 Kidd from the 1790 census of North Carolina.

If you are interested in any of the above, please let me know for I will be happy to send it to you.

The line I am researching is through a daughter, (Marinda Brown Hooten b 7 Feb. 1844) of William Hooten b 1814. I am trying to locate documentary proof of:

1. The parents, grandparents, etc. of William Hooten b Aug. or Sept. 1814 Ga. (where?)

Your $3.00 is enclosed. And do thank you for the copy of old Enoch's 2nd wife pension records. I always like to know the little tidbits such as Enoch was wounded on the hip. Had not known that.

I was in Montgomery last week and found the enclosed for you at Archives.

Wrote to Puzzlers on the Hootens and got two letters Sat. One was seeking info. on the Odells who married into the Hooten family, the other a full fledged Hooten. She lives in Maryland and goes to D.C. Archives. Just think! Someone close to Washington. There's Library of Congress too that she can check on. She descends from Parmelia and is trying to prove lineage to James and Suzanne. Of course, all I know is what Mr. Hervey said in the Booklet. Would you know? Also, do you have any record, besides the Hervey info., that my Littleton was James' and Suzanne's son?

Haven't heard from Darlington yet. Asked for price for him to check on Administration Papersof Littleton's estate. I asked the girl in Maryland to check to see if Archives had any Darlington Records. Read somewhere that in S.C. when one sold property the wife had to sign. We might get old Littleton's wife name. What I asked for ~~was~~ were only some deeds on when he bought, I think. No, it was to be sold (looked up my letter). Darlington courthouse burned in 1805, so I don't guess we'll ever know who he bought from. Went to the library, or rather tried to get there this morning. Couldn't get a parking space.

Since Darlington was formed from the Cheraws District, and Cheraws, S.C., is now in Chesterfield County, might find something there. The library told me last night Chesterfield was formed in 1868, so I was going to check on all that today- what that district was known as earlier, etc. You might check your records there on this if you have the time.

Wrote Forsythe County Library today to see if they had a family file on Enoch since he was prominent down there. Will be in Monroe in June, I hope. Going to a nationwide Pirkle family reunion. A new book is coming out on the Pirkle family. I helped get some of it together.. Also one coming out on the Daniell family partly. They are the ones where a govenor is involved, etc.

While reading over some of the deeds or sale of property for James, I noted that Suzanne was living in Newton in 1867 - that's where Jincy lived too. Bet Suzanne was buried in Newton instead of at Rock where I thought. Noted also in Mr. Hervey's material that he only mentions James as being buried at Rock. Was going to check the cemetery records on Newton. You will note in the material I sent earlier (Mrs..Rainer gave it to me)in the funeral notices for the Hays woman, it said she was buried at family cemetery. She lived in Mansfield, funeral director was in Covington - both cities in Newton County.I was going to check 1870 Newton for Jincy to see if Suzanne lived with her.

Did you take the leave you were speaking of in your last letter? Hope you did. You probably need the time off.

If you have 1880 Ga. Soundex there, would you please check the following and tell me what County he lived in. He had ~~three~~ two more children after this 1870 Carroll Co., Census. The last of which was Bill's gm, born 1 Oct. 1874 Douglas Co.

Alfred Daniell (Daniel, Dannel, Danel)	63	300	GA.
Mary	36		"
Sophonnie	12		"
Nancy	10		"
Joseph	3		"
David	6		"
Lidda	4		"
Susan	2		"

(Mollie and Margaret (Mandy or Maggie) Ann were born later)
He is not on 1880 Ala. Died before 1900.

Will let you hear what I learn from Darlington until 1911. State only required marriages being recorded for Newspapers in that area. Also if any books had been written of marriages taking from old newspapers

No marriage records for Darlington until 1911. I could hardly believe that. Said check newspapers. I asked

Will also let you know what I hear from Forsythe Library - also Enoch

Granma

Please let me know the expense you run up in sending material to me. You don't owe me anything as I made my photo copies at a friend's office. All I'm out is the postage and we'll forget about that as I am so glad to find someone who is working on the family.

If I can check anything for you here, please let me know. We have an excellent library.

My records from Census Reports doesn't show he was born in 1767. The book on Henry Co. Cites a newspaper article that he lived to be 129 years old. On all Census, he didn't indicate he was foreign born

Dear Vivian,

I don't suppose you mind me calling you by your first name as I am certain we are cousins somewhere down the Hooten line.

I found your name today in a March 10, 1977 edition of the Family Puzzlers along with that of Zearl Williamson. I plan to write her too.

As you can see from the attached Sheetsx I think I am from the James Hooten family.

I am sending you what I have on the first Littleton Hooten, the census reports and his will, an article I found on your grandfather, Enoch Milton Hooten. It was in a book titled Biographical Sketches of Georgia Baptist Ministers. I forgot to put down the author's name, but it was printed in 1899. This book was at the library here. The other one where it lists the churches he pastored was from a book Flint Rivers Association, Georgia from Baptist sources here at Samford University, A Baptist College. The author was Graham. The other three items, the pictureof the cemetery, where the land was donated, and the Walkup-Brown-Hooten information came from a book on Henry County Georgia by Vessie Thrasher Rainer published in 1971. It is a marvellous book.

Yes! I wonder if you would know if my Littleton Hooten was a son of James and Suzanne. There were some more Hootens in Randolph County in 1850, but I don't know if they were related. I also don't know why my grandfather came to Randolph County unless it was with the Johnson family, but I haven't been able to tell who Martha Ann Johnson Hooten's parents were. Lots of people came over to Randolph County from Georgia. Later parts of it was formed into Clay and Cleburne. As I stated on one of the sheets, Clay and Randolph Count houses burned, so I can't be helped there. I don't think Cleburne would be the part of the county where they were. I checked Calhoun County as parts of it was Benton and Randolph.

Court Records

I only had a few names of my relatives when my mother died. My father died when I was four. My mother didn't know much, as she was his second wife and much younger and never met any of my dad's folks except his father. You know how it is. I never got around to asking his brothers or sisters anything and now they are all dead. In fact I just started this about a year ago. None of my cousins or half-brothers remember anything either.

From what I can tell from census reports after 1850, most of the Hooten's stayed in Henry County except your grandfather. I know you must be proud of him. You may have all this already that I am sending.

Have you ever visited the Hooten or Rock Cemetery? We are going to Henry County sometime in the near future. I bet James and Suzannne are buried there, but the graves may not be marked. One line of my husbands family is there and another one of mine.

About the only thing else I have are some census reports on James and Suzanne's other childrenthat were in Henry County- only the boys though and an 1850 and 1869 census reports for James and Suzanne. Be glad to share these and anything else you Might think of.

I guess I could tell you a little about me. I am the youngest of my dad's last family. He was Joseph Henderson Smith and my mother was Veona Elizabeth Rigsby Hughes Rigsby. She had been married before and was divorced. My dad was a widower. He had two boys and two girls by his first wife. Only one boy living. One just recently died. My mother had 1 daughter (living) by her first husband andshe and my dad had me and two other boys. I am 45 and would you believe I don't have the exact dates of my brothers and sisters' birthdays?

My husband, Bill, and I have been married almost 25 years (Oct. 23, 1954). We have no children. He is a salesman for Curtis Mathes Sales Company out of Athens, Texas, previously Dallas. He is gone most of the time, so this is about all I have to do, except I am active in church. We are Southern Baptist and worship at the Raleigh Avenue Baptist Church. In fact all the Smiths and Hootens that I know anthing about are Baptist and strong ones. I make silk flowers and make all all my clothes except mighthy few. I was born in Marshall County, Ala., but moved to Cullman County in 1948. I went to school there at the girls Catholic High School, Sacred Heart Academy. It was just down the street and the city school was blocks away. We had no car and there was no bus service. Bill and I were married in Cullman by one of my first cousins who is a Baptist Minister, Marvin Smith. We lived in a small town north of Cullman, Hartselle, for about a year, then moved here where we have been since 1955. We have afarm in Cullman and are buying some wooded land to build a log house someday. I told my husband though that we wouldn't sell our home here, just the one we rent across the street, in case I couldn't survive without the library here. I almost live down there. I have never enjoyed something so much in all my life as I have working on both our families. I was so exited when I found your name today. I probably can't sleep tonight from all the excitement. I find so much on my husband but so little on mine.

Please let me hear from you and let me know what you have on the family. Did you ever learn if the Mr. Martin of Augusta, Ga., wrote the bookon the Hootens? I am also going to Georgia Archives this summer. Maybe I'll find some goodies there.

With best regards,

Joanne

Joanne Smith Pirkle (Mrs. William K.)

Do you have anything on the Kidd family? I have ordered one Will for a Wm. Kidd, but he only named his wife. Didn't tell me anything. I have no idea who to look for. I checked some Revol. War info. but none stated Suzanne as a daughter.

The Court Houses at Clay + Randolph have burned and records are available only after 1890 or something like that.

I have the 1900 Census reports on Littleton's sons if you want them. (all except William)

I won't do a sheet on my grandmother + grandfather - ~~Hooten~~ Mary Elizabeth Hooten and Hiram Jackson Smith. My father was their son - Joseph Henderson. He was married twice and I am the youngest of his last family.

Mary Elizabeth Hooten Smith + Hiram Jackson Smith are buried at Corinth Baptist Cemetery, Joppa, Cullman County, Ala. Lots of Hootens belonged to that Church from the Church minutes I saw at Samford. Hiram J. Smith was a Civil War Veteran. Captured at Missionary Ridge 1863 and stayed at Rock Island Prison, Ill. until War was over. He walked all the way after the war to Randolph County

ENOCH M. HOOTEN.

Rev. ENOCH M. HOOTEN is the son of James Hooten, a Virginian by birth, and Susannah Kidd, a native of North Carolina. His father was a man of more than ordinary native intellect, powerful will, untiring industry, but of limited education. His mother was a woman of remarkable piety and decision of character.

The parents were strict Presbyterians, and the son was brought up in that faith. At fourteen years of age he was enabled to claim a personal hope in Jesus, and united with the Presbyterians, leading, ever afterwards, a consistent Christian life.

His father was a farmer by profession, and reared his son to follow a farmer's life, until he reached the age of sixteen, having been able to afford him but one year's schooling. At sixteen, the son, in consideration of his personal freedom, voluntarily relinquished all interest in his father's estate, and, deeply impressed with the necessity of an education for himself, made that the predominating aim of his life.

Against difficulties and obstacles, apparently insurmountable, he battled, until he had acquired what may be denominated a fair education and had become a man of varied and extensive reading. For the educational training of one year he was indebted to the liberality of his Presbyterian friends.

At the age of seventeen he felt it to be his duty to preach, and in the fall of 1855, he was received as a candidate for the ministry by the Flint River Presbytery, at Newnan, Georgia. At that time he deemed affusion only to be Scriptural baptism, and was surprised to hear the Presbytery then in session decide that it was unnecessary to sprinkle a Baptist lady converted to Presbyterianism, even though she desired it, because in being immersed by a Baptist, she had already received Scriptural baptism. But what he considered most remarkable and inconsistent was, that this position was maintained by the very Presbyterian minister who had converted the lady, by convincing her that Presbyterian views in regard to sprinkling, were correct, and Baptist views, in regard to immersion, wrong. He reasoned that if the Baptists are wrong and the Presbyterians right, the lady ought to have been sprinkled; but, if immersion is Scriptural and valid baptism, as the Presbytery decided, logically, sprinkling is not baptism. He resolved to investigate the subject of baptism for himself, and this he at once commenced to do. The conclusion at which he arrived was in accordance with the views of Baptists, and he therefore decided that a man with such convictions should not become a Presbyterian minister, which idea was thenceforth entirely abandoned by him. His sentiments, proclivities and educational bias; his prejudices against the Baptists; his pronounced views in opposition to restricted communion; and his conclusion that baptism in itself was not essential to salvation, all combined to retain him within the pale of the Presbyterian denomination, and such he remained for fourteen years, living a consistent Christian life, in the eyes of the world, and earnestly seeking the best earthly boon—a good education.

The war came on, and he joined the ranks of his country's defenders, and fought unscathed amid storms of shot and shell, until smitten down at the battle of Fredericksburg. While lying in the hospital at that city, helpless and dangerously wounded, light came to him in answer to prayer, and he was enabled to discern the path of duty. The true Scriptural relations between faith and

baptism, between baptism and church membership, and between church membership and communion were clearly discerned, together with his own personal duty, as a Christian, to preach the everlasting Gospel, and he promised obedience to the Lord, should he ever be permitted to reach home again. This occurred in 1863. The Lord brought him back to Georgia, although for many months he was confined to his bed and was entirely helpless, on account of his wound, and even when he was baptized by Rev. W. G. McMichael, on the 17th of September, 1865, he was compelled to use crutches. His first sermon was preached on the fourth Sunday in the following November, and, about one year afterwards, namely, on the 17th of November, 1866, he was ordained to the full work of the Gospel ministry. The presbytery consisted of Revs. W. G. McMichael, John Goodman and J. G. Kimball.

For the last fourteen years he has been faithfully serving various churches in Monroe, Spalding, Meriwether and Pike counties, within a radius of fifty miles, for periods ranging from two to eight years, having, during those fourteen years, baptized over six hundred persons and constituted two new churches. All the while, too, he has been suffering from injuries received in battle, and he has been known to walk six miles with a crutch and stick rather than miss an appointment. His labors have been eminently arduous, and self-denying. As a preacher, he is very clear and forcible, and while always a free and graceful speaker, he not unfrequently grows eloquent in his delivery. His discourses are didactic in style, appealing more to the reason and judgment than to the fancy, feelings or sympathies: consequently his sermons are usually doctrinal; yet he is never accused of being dull in the pulpit. For several years he has been Clerk of the Flint River Association, much to the satisfaction of his brethren. He has, also, been successfully engaged for a number of years in teaching, and was, at one time, the efficient Superintendent of Education for Monroe county.

Not only was the Milner High School built up by him, but he erected the building for the school at his own expense, and, for two years, charged nothing for its use.

In person, Mr. Hooten is above the medium size, and well proportioned, with blue eyes, auburn hair, and fair complexion. A man of fine conversational powers, full of good humor and pleasantry, he commands the confidence and esteem of all those among whom he has lived and labored. Self-denial and toil have marked his life and his work for the Master, the height of his ambition being to benefit his fellow man and make his exertions redound to the honor and glory of God and to the advancement of His cause.

Mr. Hooten was married to Miss Sarah C. Shaw, in 1856, at the residence of her father, in Jasper county, and the union has proved a very happy and fruitful one, twelve children having been born to them, all of whom are living but one, and all of whom have been educated to books and to labor alike, that they might be the better fitted for any station in life.

One of our ablest Georgia pastors, Mr. Hooten has, in his day and generation, proved himself a workman in the Master's vineyard worthy of the highest esteem, and a most useful and successful yet modest and unassuming preacher and man.

JESSE R. HORNE.

Rev. JESSE R. HORNE was born in Halifax county, North Carolina, in 1806. He moved to Georgia in his boyhood, and joined a Baptist church about the year 1830. He entered the ministry in 1850, and constituted many churches in Houston, Dooly and Pulaski counties. He was Moderator of the Houston Association for several years previous to his death, which occurred in April, 1872. He had only the advantages of an ordinary English education, having been compelled for the greater part of his youth to labor on the farm. He was a highly acceptable preacher to the masses of his co-laborers

Vivian,
You were referred to me by John P. Kidd, of Hendersonville, NC, as one who has done a lot of research on the descendants of James P. Hooten and Susannah Kidd. I've gotten some conflicting information from John Kidd and William S. Hooten, Jr., of Peachtree City, GA, on several of my ancestor's families, and would like to know what you have found out about the families of James P. Hooten and his son, William A. Hooten.

First, was James Hooten married twice? John Kidd says he had only one wife, Susannah Kidd, but Bill Hooten says he had two wives, the second being Rebecca Smith, who he married about 1818. In the 1850 Federal Census in Henry County James P. Hooten had a wife S. A. Hooten, which I took to be Susannah (Kidd) Hooten, but I may be mistaken. Also, the list of children to James and Susannah Hooten differs from John Kidd to Bill Hooten. Who were the children of James Hooten, and since their births are not recorded, and nobody has produced a will of James Hooten to name his children, where is the proof for the children?

Secondly, John Kidd wrote that William A. Hooten (1814-1878), son of James Hooten, married at least twice. His first wife was Frances "Fannie" Anderson Brown, and his second or third wife was Elizabeth Johnson Smith. On the other hand, Bill Hooten disagrees, indicating that William Hooten had only one wife. What have you found?

Lastly, were the Lewis Hooten in the Darlington Co., SC, 1800 census and the Littleton Hooten in the Darlington Co., SC, 1810 census the same man? How about the Littleton Houghton in the Moore Co., NC, 1790 census? Do you know who the wife of Littleton was? Have you figured out who Littleton's father was?

Thanks for your help, and have a Merry Christmas!

Dear Ms. Jordan:

Joan Meriwether gave me your name and address in connection with my genealogy research into the Hooten and McDonald families. I notice that you also have the Jordan name, another family I am interested in.

I am sending an outline descendancy of Samuel McDonald b. 1776 in South Carolina. His grandson married Susannah Emily Hooton (or Hooten) about 1860 in Georgia or Alabama.

I would be interested in trading any information you may have on these families and enclose a SASE for your convenience.

Yours sincerely,

Dear Joanne:

Guess there is a relationship amongst our Hootens! It is my husbands' line.....but couldn't I be a cousin-'in-law'??

As soon as I type this letter, I'm running to the zerox place to get this little booklet copied for you. It was sent to me in Oct., '77 by Mrs. Juanita T. Tittle, P.O.Box 213, Hughes Springs, Tex. 75656. She was answering my query for her step-father, Mr. Vance Hooten, Rt. 1, Box 291, Hughes Springs, Texas 75656. I had picked up his name at the Mormon Branch Library's CFI...which is a micro-fiche machine, if you are not familiar with it. You might find it interesting. I'm sending it just as I received it, with my comments and 'corrections' in the margins. Before I forget, would you please search for records in your library for the death or burial plac of my Enoch Milton Hooten?? The Georgia Baptist Convention Minutes, 1908, pg. 41 ..lists him as having died 26 Dec. 1907 in Tallapoosa, Monroe Co., Ga. But I keep running into statements from relatives that he died in Talledega Ala.!! So I really need more positive documentation.

Haven't really had too much time to digest your information and compare with mine. But your Littleton is the son of James, Sr. It has been some time since I've looked or even thought about the Hootens. I work in the Genealogical Branch of the Houston Public Library, Clayton Library. So you see, I'm so busy helping others, that I really have to squeeze the time for my husbands!!

I've always assummed (bad to assume!!)..that Henry Hooten that was enumerated in Upson Co., Ga. in 1830 as being between 60-70 yrs. of age was the father of James, Sr. and the Littleton that is in Talbot Co., Ga. in 1830 was a little brother of James, Sr. You have, I suppose, seen the 1830 Census Index for Ga.?

Henry Co.---James Hooten 40-50
Upson Co.---James B. 20-30
" ---Henry 60-70
Talbot Co.--Littleton -30-40
Pike Co. ---Amasa -30-40

Henry Hooten is the Rev. Soldier of Upson Co. that drew land in Lee C G., in the 1827 Land Lottery.

1827 Something happened to the typewriter!

Perhaps if you sent to the National Archives for Henry's records-pension & etc. and the will from Upson Co., and could be that the Library in his area would have something extra on him--obituarys and so forth. I checked the Rev. War. Selected Records that we have on film, and it didn't tell me anything!

all join each other. Henry on one of the Phot. I sent you is your Rev 7 (the minister)

Dear Vivian,

Thanks so much for answering my letter and for all the information.

Let me say now that I'm not going to bother with corrections on this letter so you'll just have to put up with xxxxx.

Have I got news for you!!!! Today I finally got to working and checked the Georgia Baptist Newspaper The Index Jan. 16, 1908, page 7 and there was the article on E.M. Hooten. He died in Talloosa, Ga. but it is not in Monroe County, that is Haralson County. I'm getting a copy. Couldn't today as the room where the machine was was locked, and I had to leave. It was on film at Samford University. I will send it to you later. He died suddenly the article said but didn't say where he was buried. I didn't read it too good as I thought I would get it copied. Now as far as I can tell he never was in Ala. If you notice on one of the photostats I send you, he was in Ga. for years and then I checked the Ga. Baptist Conv. and as late as 1906 he was listed in the minutes of the So. Bapt. Conv. as being at Forest Park, Ga., which is in Clayton, County, Ga. He was [illegible] remember [illegible] Archives in [illegible] as he was [illegible] pension [illegible] the files [illegible] where to [illegible] cemetery [illegible] thing. Dear Joanne:

Thank you so much for your good news of May 29th. You know, when you just keep on getting one bit of information that all other records point to as wrong.....it sure is nice to have a cousin around that will clear it up for me!! You should of kept your $2.00 and deducted the expense of copying the Georgia Baptist Newspaper article on old Enoch Hooten. I cannot abide loose ends... and unfortunately it seems that THAT is the name of the game in genealogy, isn't it? I look forward to having a copy of that article, at least I can close up that loose end!

I've corrected the little Hooten Gen., according to your notes.. you really should send your corrections on to the gal that sent it to me..believe that I gave you her address. If you find any more, let me know, because inaccurate information must be stopped at the source, if possible. No telling how many people have received a copy of this little booklet.

I've already checked with the Ga. Archives about the pension, he did not, nor his wife, received one. I did not, for some reason, get a copy of his service record. If you receive one, would you mind making a copy for me?

Your reasoning is very convencing about Littleton being our man in Darlington, S. C. I'm going to give our Darlington records a good going over and I'll let you know if anything concrete turns up.

On that trip to Henry Co., if you have any extra film, how about some pictures for my files? Do keep a record of cost. What with planes falling, money and gas short...it seems to me that the only way we, as genealogists, will be able to make it, is to exchange services with our friends and cousins in various places.

I'm enclosing absolutely everything we had on your Pirtle/Pirkle Family. Have you written to a Library in Tyler, Texas. Might find it.

My congratulations on your find in your husband's family. Isn't it thrilling when you can do something like that? More fun!!!

Good Hunting....

Thank you so much for your good news of May 29th. You know, when you just keep on getting one bit of information that all other records point to as wrong.....it sure is nice to have a cousin around that will clear it up for me!! You should of kept your $2.00 and deducted the expense of copying the Georgia Baptist Newspaper article on old Enoch Hooten. I cannot abide loose ends... and unfortunately it seems that THAT is the name of the game in genealogy, isn't it? I look forward to having a copy of that article, at least I can close up that loose end!

I've corrected the little Hooten Gen., according to your notes.. you really should send your corrections on to the gal that sent it to me..believe that I gave you her address. If you find any more, let me know, because inaccurate information must be stopped at the source, if possible. No telling how many people have received a copy of this little booklet.

I've already checked with the Ga. Archives about the pension, be did not, nor his wife, received one. I did not, for some reason, get a copy of his service record. If you receive one, would you mind making a copy for me?

Your reasoning is very convenoting about Littleton being our man in Darlington, S. C. I'm going to give our Darlington records a good going over and I'll let you know if anything concrete turns up.

On that trip to Henry Co., if you have any extra film, how about some pictures for my files? Do keep a record of cost. What with planes failing, money and gas short...it seems to me that the only way we, as genealogists, will be able to make it, is to exchange services with our friends and counties in various places.

I'm enclosing absolutely everything we had on Your Pirtle/Pirkle family. Have you written to a library in Tyler, Texas. Might find it.

My congratulations on your find in Your husband's family. Isn't it thrilling when you can do something like that? More fun!!

Good Hunting....

Dear Vivian,

Thanks so much for answering my letter and for all the information.

Let me say now that I'm not going to bother with corrections on this letter so you'll just have to put up with xxxxx.

Have I got news for you!!!! Today I finally got my brain to working and checked the Georgia Baptist Newspaper The Christian Index, Jan. 16, 1908, page 7 and there was the article on E.M. Hooten's death. He died in Talapoosa, Ga. but it is not in Monroe County, that is Haralson County. I'm getting a copy. Couldn't today as the room where the machine was was locked, and I had to leave. It was on film at Samford University. I will send it to you later. He died suddenly the article said but didn't say where he was buried. I didn't read it too good as I thought I would get it copied. Now as far as I can tell he never was in Ala. If you notice on one of the photostats I sent you, he was in Ga. for years and then I checked the later years and as late as 1906 he was listed in the minutes of the So. Bapt. Conv. as being at Forest Park, Ga., which is in Clayton, County, Ga. He was also somewhere in Ga., in 1904 and 1905, but I can't remember where - lost my notes or misplaced. Have you checked with Archives in Ga. to get his Civil War records. I bet he drew a pension as he was wounded or maybe his last wife did. I ordered the pension papers on one of my grandfathers and asked for everything in the files and it had letters from him to the pension board telling them where to send his check as he moved around a lot. I checked what cemetery records that were available in Talladega but didn't find anything. It could have been they took E.M. back to Monroe for burial and if so, I saw in Puzzlers where Monroe Cemetery records can be found in The Georgia Genealogist issues 23-32. We do not have them at the library or Samford. Hope this helps. In the minutes of the 1908 convention, it only stated his date of death and Talapoosa - not Monroe County.

The Hooten History you sent is full of errors as far as I can tell. His ancestor James, Jr., didn't go to Texas in 1856 as he was still in Henry County in 1860. On page 3, the William Hooten mentioned is James, Sr. son but the Thomas may be James, Sr.'s brother. Moses and Littleton (the Littleton is probably my g.f.) mentioned on page 11, par. 5, are James, Sr.'s sons not brothers. They got married about the same time, so he probably deeded them land then. The author also states Littleton was killed in the war. Well, he wasn't as I found him on census as late as 1870.

I don't think I sent you a copy of the will I mentioned. The reason I checked in S.C. was that on all the census reports, James Sr.' sons (most of them) said they were born in S.C. → Will send Next time

Going to the 1830 census mentioned in your letter
Henry Co.....James 40-50
Upson Co.....James B. 20-30
Upson.....Henry 60-70
Talbot---------Littleton 30-40
Pike----------Amasa 30-40

I think all but James in Henry belong to Henry and he was probably James, Sr. (our g.f.) uncle. I found a file on a Henry C. Hooten (private papers). He was the son of James B. and Cynthia Cox and I figure Henry was his g.f. and the Littleton in Talbot was Henry's son and also maybe Amasa. Pike, Upson and Talbot all join each other. Henry on one of the Phot. I sent you is prob. this Henry. (the minister)

I think all but James in Henry belong to Henry and he was probably James, Sr. (our g.f.). ~~xxxxxxxx~~ uncle. I found a file on a Henry C. Hooten ~~xxxxxxxx~~ (private papers). He was the son of James B. and Cynthia Cox and I figure Henry was his g.f. and the Littleton in Talbot was Henry's son and also maybe Amasa. Pike, Upson and Talbot all join each other.

I had a latter today from a Vera Hooten in Joppa, Ala., and she is the widow of my Littleton's grandson. She asked me to visit her, but how much she knows I don't know. She is 80 years old. I saw in one of the Cullman papers where she celebrated her birthday, so I ~~xxxx~~ wrote her. Will let you know how I come out.

~~xxxxxxxxxxxx~~ I checked Henry Hooten in Rev. Pension and Index records and couldn't find anything. I don't think we should count him in though as I am almost sure the Littleton in Darlington, S.C., is our man. What do you think?

We're planning a trip to Henry the last week in June so I should find out some things.

I found my notes on E.M. Under name of pastors - convention records

1904 - Fairburn Assoc.
1905 Forrest Park (listed as town that year)
1906 " " " " " " "
1907 not listed under pastors but under deaths

So you see, he probably never was in Ala. I believe they just got Talladega and Tallapoosa mixed up. I'll check at the library next time I go for some Tallapoosa records. Samford didn't have any. The library probably won't ~~xxxx~~ either as they have few book ~~on counties~~ on the counties that join the Alabama line. Now Tallapoosa isn't far ~~xxx~~ from Talladega County.

This doesn't come in on our family, but just have to tell you. After I wrote you, found my husband's line going back to ~~xxxxxxxx~~ early sixteen hundred. His g.g.g.g. grandfather was govenor of N.C. 1704-1705, Robert Daniel, even found his pisture in N.C. Govenors - ~~xxx~~ 1585-1958 by Crabtree. He was also govenor of S.C. for a year, and his first wife descended from King ~~xxxxxxxxxxx~~ Edward, III of England. Also found his will, his son's will and then his father and grandfather's name. I spent about $6.00 one day in photostats. My husband is on cloud nine.

There is one book I wish you would check on, From Whence We Come by George W. Pirtle, Sr. I wrote to him for a copy but never did hear from him. He lives in Tyler, Texas. Look for these Names.
John Pirkle 1725-1811 married ____ Dibbs
William Pirkle b.? d ? Rockingham N.C. M. Sarah Cantrell
Isaac K. b. 1790 d. 1871 Hill Co., Texas m. Rebecca Tanner
John E. Pirkle b. 1823 d. 1863, Atlanta, Ga. m. Mahala Wigley
Notice different spelling of names. Some of the Pirkles changed spelling to Pirtle.

Let me hear from you again, ~~xxxxx~~ and let me know if I can check anything else for you.

By the way, in the private papers I mentioned above, his picture was included and he was so handsome. That family was very prominent. He was the Head of Brownwood Institute 1855-1857 and such things - a very educated man. They were musically inclined too, just like the ones in the History you sent. Also the ones I've heard about from my side were all singers, including my dad's brothers, also my dad. Wonder what happened to me!!!

Dear Vivian,

Well, here I am again and more confused thanever.

We had a nice trip to Henry County - only met one cousin, and she didn't know anything. She had the booklet like you sent to me. She was Moses' kin.

I took some pictures of the Rock Grave Yard, but someone broke into our car at Archives in Atlanta and took my camera. We went back the next week and I made some more with a polaroid. I had chalked the graves for the first time, but didn't have any more chalk the last time. I took some close ups of Hootens. James, Sr. and Suzanne's graves are not marked. If you want me to have some prints made from the polaroid, let me know. I don't know if I can or not or rather if it can be done.

Now let me tell you some gossip. I met the Historian of Henry County, Mrs. Vessie Thrasher Rainer. She is the one who wrote the book on Henry County. She is 81, but still as perky as can be. I was real fortunate to meet her. Ran upon her grandson at his funeral home to ask directions to Rock and he told me she would know all about the Hootens. Got an appointment with her the next morning, Sunday, and spent three hours with her. She went to the Court House with me the next day, as she also wanted to checkon some things. One of the Hootens, Samuel Pickens, a son of William, ~~xxx~~ married into a branch of her family. She has traced her line back to royalty - Magna Carta member!!! You wouldn't believe her, she is something else. Her favorite expression was "Don't you know". Here goes what she told me,-it coming from a first cousin of William, and other sources I guess. It seems the Brown family that William married into was blue blood of sorts, and didn't have much or anything to do with the Hootens. When I asked her why, she said, "Well, the Browns descended from the Pickens, don't you know." Also, she said that after William's first wife died, he went to a mental institution, but the Hooten's never told it. Some of the Hootens wouldn't have anything to do with the other Hootens, and I couldn't figure that one out unless it was later the descendants of William.

As you can see from the real estate purchases and sales for James, Sr., he bought and sold a lot. It didn't balance out, but Mrs. Rainer told me she thought Moses got what James had when Suzanne died, but I couldn't find a record of it, unless it was recorded many years later. I didn't got into the 1900's. Didn't have time. I stayed at the court house all day and then went back the next morning for a few hours. I don't know if you want it or not, but I made a copy of some pages concerning, Enoch. You will note he bought from C. B. McDaniel who was possibly the father of his second wife. Note marriages, she was a McDaniel instead of Mdonald. Her father signed the papers in Montgomery County, Ala., and Mrs. Rainer told me she went to Ala. a lot to visit relatives. So they may have lived there briefly for one time. If so, it could be that his pension was filed there for him or his last wife. They told me in Ga., that the veteran drew from the state where he lived, not ~~where~~ he served. I copied his service record for you.

Note from the real estate, that James bought his first land in 1831, but he was in Henry before that. Also that Suzanne was living as late as 1867 when she signed deeds. They didn't contact my grandfather when this was sold, nor the three other girls or the one in Texas. The girls may have died. I have a 1850 census report on them, and will make up a new family work sheet when I get time. You won't believe the stuff I accumulated

July 11, 1979

Dear Vivian,

Well, here I am again and more confused than ever.

We had a nice trip to Henry County - only not one cousin, and she didn't know anything. She had the book[illegible] like you have. She was Moses' kin.

I took some pictures of the Rock Creek Yard, but someone broke into our car at Arcolyes in Atlanta and took my camera. We went back the next week and I made some more with a polaroid. I had obtained the graves for the first time, but didn't have pictures until the last time. I took some close ups of Mosten's tombstone, and Suzanne's graves are not marked. If you want me to have some more made from the polaroid, let me know. I don't know if I can or not or rather, if it can be done.

Now let me tell you some surprising[illegible] to the Hicks family. Dorothy, Mrs. Vessie Thrasher Rainer. She is the one who wrote the book[illegible] County. She is 81, but still as sharp as can be. I was real fortunate to meet her. Ran upon her grandson as he [illegible] home to ask directions to Rock and he told me she would know all about the Hostens. Got an appointment with her the next morning. Sunday, and spent three hours with her. She went to the Court House with me the next day, as she also wanted to check some things. One of the Hostens, Samuel Hosten, a son of William, was married into a branch of her family. She has traced her line back to royalty - Manna Gaetz membered!! You wouldn't believe her, she is something else. Her favorite expression was "Don't you know". Here goes what she told me, - [illegible] first cousin of William, and other sources I guess. It seems the brown family that William married into was blue blood of sorts, and didn't have much or anything to do with the Hostens. When I asked her why, she said, "well", the browns descended from the Pickens, don't you know." Also, she said that after William's first wife died, he went into a depression, but the Hostens never told it. Some of the Hostens wouldn't have anything to do with the other Hostens, and I wouldn't blame them one bit after I saw the descendants of William.

As you can see from the realistate purchases and sales for James, Sr., he bought and sold a lot. It didn't balance out, but Mrs. Rainer told me she thought Moses got what James had when Susanna died, but I couldn't find a record of it, unless it was recorded many years later. I didn't get into the 1900's. Didn't have time. I stayed at the court house all day and then went back the next morning for a few hours. I don't know if you want it or not, but I made a copy of some pages concerning Enoch. You will note he bought from C.B. McDaniel who was possibly the father or his second wife. Note from the realestate, that James bought his first land in 1831, but he was in Henry before that. Also that Susanna was living as late as 1847 when she signed deeds. They didn't contact my grandfather when this was sold, nor the three other girls or the one in Texas. The girls may have died. I have a 1850 census report on them, and will make up a new family work sheet when I get time. You won't believe the stuff I accumulate

Getting back to your Enoch, Mrs. Rainer said his first wife came from a prominent Baptist family. Also that his second wife was a wonderful cook.

When you look at the graves in Rock, you will note that Fanny's reads "daughter of Margaret Brown" instead of "wife of William," like they usually did, and you can believe the Brown's weren't too sold on the Hootens. I heard from Quida, and she wants the Hooten Booklet. I am sending it to her, but don't guess I should relate all the gossip to her. She sent me copies of census reports on the Hootens all over, and there was also a Littleton in Tenn. Littleton is definitely a family name and I wouldn't be surprised if ever we find the origianl "cooter" it WILL turn out he is Littleton.

How did you come out on the Darlington Records? We don't have any here, nor did they in Atlanta. I think I might write for a marriage on Suzanne and James from there, although I looked all the way through the 1820 Darlington census, and din't find one Kidd family. I am also wondering if she was really born in Va., as on both 1850 and 1860 census reports, it was indicated she was born in N.C. In 1880 Moses said his mother and father were born in S.C.

The Clarence Elliott, who Mr. Harvey visited on his Henry Trip, had died. I never contacted his wife, as I didn't think she would know much. Mrs. Rainer said he came to see her while in Henry, that he was an old man, and Mr. Elliott was dissappointed in the booklet he wrote. It is rambling and not in good order. Of course I can't say much for myself on that point.

When checking the HOOTEN line, do you keep in mind "Houghton and Haughton"? I do. Somewhere, there has got to be a Revolutionary soldier for us.

Some more good news!!! On my last day out, in Carroll County, Ga., I connected my line on my mother's side to a Revolutionary Soldier. Would you believe a Jones? However, the only way I know, he was a Rev. soldier, was that his name is in the 1827 Land Lottery, as being a Rev. soldier. Do youthink that will hold up? I found where he came down to Carroll in 1847 and got the land for $100.00, and then after his death ~~where~~ Where it was divided up, and that's where I connected my family.

I had a nice compliment from Mrs. Rainer. She looked at what I was doing, and said I was doing excellent for no longer than I had been researching. That made me feel good, coming from a pro. She is publishing a book in Dec. on Henry County Cemeteries, and I'm getting a copy. She collects small glasses and has three china cabinets full, has the one of the first designs ever made. Also hand paints her china, and has a house full of antiques. At the court house, they told me I was really lucky to meet her, as they have their orders not to refer anybody to her, or tell where she lives if anyone asks.

You didn't ask for all I'm sending so what you don't want just throw it away. I had to pay different prices for copies. Bill attached.

Write when you have time, and let me know what you have found out.

I really envy you - working in a library. I have found that librarians are the nicest people. Those here in Birmingham are as about as thrilled as I am when I find something exciting. They really go the extra mile to help you.

Sincerely,

Joanne

Dear Joanne:

I know you must think that I'm dead! Just running in circles..too much to do and not enough time to do it in, I guess. I'm seriously thinking of quitting around March of this new year, and giving myself a little time off. Things seem to be happening to make this decision to be a good one...my boss, it seems, nothing definite yet, is going to retire around March...my #2 daughter is having her second baby in June, she lives in Iowa and has had one premature birth. I've been given a fine step up in position on the staff of the Library with a nice raise...so you see nothing has been done for my genealogy for some time!!

To answer your questions. All we have are the Confederate Rosters, not the service records. You will have to write to Mississippi State Archives for these records.

I differ with your Librarian on the Lib. of Congress. Unless they have changed their rules. In the past, I have written to them, giving them the identifying numbers from the Catalog, asked how much it would be to copy such and such book, they have written back and given me two prices...one a cheapy method and the other not so cheap. Write to them, hope that the rule isstill the same. Good luck!

Unfortunately, I get no special treatment, unless I knew someone personally in the Darlington Court House, which I don't. Now my Head Librarian gets all the special treatment, they'll do research for her, etc...I've seen the letters, but just an employee! Next time you are working on the Hootens, make some copies of any results that you might get back from Darlington, your letter was written in Nov. hope you've received some answer (favorable) by now. I'll reinburse you for copies. When I quit my job, (doesn't that sound nice?), I'll be able to do my share of letter writing and etc. I have found that if you are nice and compliment them after they have sent you something, then ask for something else, they are more than glad to help.

Sure glad that you were able to set the gal in Midland, Rogers, I think, on the right track. I just scribbled her a note, while at work, in longhand!

Settlement of estate papers, might give us a little tidbit, who knows? Go ahead!!

no phone work.

Sincerely,

Jvanne

I know you must think that I'm dead! Just running in circles, too much to do and not enough time to do it in, I guess. I'm seriously thinking of quitting around March of this new year, and giving myself a little time off. Things seem to be happening to make this decision to be a good one...my boss, it seems, nothing definite yet, is going to retire around March...my 22 daughter is having her second baby in June, she lives in Iowa and has had one premature birth. I've been given a fine step up in position on the staff of the Library with a nice raise...so you see nothing has been done for my genealogy for some time!!

To answer your questions. All we have are the Confederate Rosters, not the service records. You will have to write to Mississippi State Archives for those records.

I differ with your Libr-rian on the 11th. of Congress. Unless they have changed their rules. In the past, I have written to them, giving them the identifying numbers from the Catalog, asked how much it would be to copy such and such book, they have written back and given me two prices...one a cheap method and the other not so cheap. Write to them, hope that the rule test!! the a mre. Good luck!

Unfortunately, I get no special treatment, unless I knew someone personally in the Darlington Court House, which I don't. How my Head Librarian gets all the special treatment, they'll do research for her, etc...I've seen the letters, but just an employee! Next time you are working on the Hootens, make some copies of any results that you might get back from Darlington, your letter was written in Nov, hope you've received some answer (favorable) by now. I'll reimburse you for copies. When I quit my job, (doesn't that sound nice?), I'll be able to do my share of letter writing and etc. I have found that if you are nice and compliment them after they have sent you something, then ask for something else, they are more than glad to help.

Sure glad that you were able to get the gal in Midland, Rogers, I think, on the right track. I just scribbled her a note, while at work, in Longhand!

Settlement of estate papers, might give us a little tidbit, who knows? Go ahead!!

Dear Vivian,

Sorry I haven't written sooner, but actually I haven't had anything to report. Been busy, too, with planning our 25th Wedding Anniversary Reception. Our foster daughter and son and nieces and nephews gave it, but I still had much to do. Made all the flowers, plus my dress, my mother-in-law's and my sister's. Then I had to write the thank you notes. Now, I'm having to have a china cabinet built to hold all the silver and crystal. It was really great. Five of our wedding party came - one I hadn't seen in 24 years.

Yesterday, I was at our library, and I think I have been through everything that would help on the Hootens.

I did find in the Library of Congress Holdings where there is information on the Hooten name sent in by Mary Belle Hooten, Los Angeles, Calif. 1942 # 8609. Our librarian told me that you could not write for it - had to go up there. Would you know anything about this?

Today, I wrote the courthouse in Darling ton to see if James and Suzanne Kidd were married there - if so a copy. Also, found where Littleton in Darlington sold some land to Charles Gee, Book B, date unknown - asked for this and also a copy of transaction when he purchased it originally. From census reports, he was in Darlington as early as 1800 - the first census. Darlington was formed from Cheraws District in 1798 - another place said 1793. Too, I wrote to the library there to see if they had a family history file on Littleton. Earlier, wrote to Puzzlers to have request published.

It came to mind that perhaps you, as a librarian, could get more from the library than me. If they had a published book on Darlington marriages, do you suppose they would photostat the Hooten marriages for you? I didn't ask for that as I didn't want to ask for too much. I would really love to go up there, but I don't know when that will ever be. I think my trip to Henry County did my husband for awhile.

I checked known names in Darlington for 1850, and found Rachel and Martha on census with Susan and I.W. or J.W. Sansberry. They were all named in Littleton's will. Other people I couldn't find. I didn't go all the way through - just checked the names in the index. Copy of census report attached. The Thomas, p. 351, I don't believe was our Thomas, as there was also one in Henry Co. 1850, so I believe this must be the one that was mentioned in the will. There was also a Lewis Hooten, same age as Littleton, on the 1800 census. Let's make this Thomas his son, since he was in jail. Just kidding. The grandson, Cowan Littleton, mentioned in Littleton Hooten's will, must be the "C" on the census report.

Ernestine Rogers in Midland wrote me. I had some information in my notes that helped her. Also found some info. in old editions of Pioneers that I sent her. Had a note saying she was checking it all out and would let me hear further. She was looking in the wrong counties. Maybe she'll run into someone that will help us. Hope so.

Let me hear from you, as I would certainly like to know about the Library of Congress deal.

Sincerely,

Jvanne

(over)

p.s. Do you think it would be worth our time & money to ask for all the Administration Papers when Littleton's will was Probated?

P.S. Do you have Darlington phone book there? We don't. Check to see if any Hootens or Sandsbury, Sansberry. Send them to me and I'll contact them by mail. Know you are swamped at this time of year. Our library is funning over with people, especially on Sat. and Sunday. Might as well forget it then unless one gets there early.

I have also checked the books on family history here for all names listed in will - nothing. Also all the S.C. genealogical magazines (very few here) and found nothing. Seems no one wants to write anything on Darlington.

Do you have the Miss. Confederate Records. I found this name in the index, and would like to have what's in the records. We only have Ala. records. (Some Ga. printed in book form)

Richard W. Hix, Co. K. 34 Miss. Inf.

This is a name on my mother's side. Also found two in Ala., but didn't think they ~~xxxxx~~were him. I have lost him in census since 1860, so he could have went to Miss. He would be my great, great grandfather. On some census reports he is Richard W. Hicks and Richard W. Hix. It is spelled now Hicks. I don't suppose I'll ever find him as I think he was running from his creditors, no kidding. Found in Carroll County, Ga. Court Records where he was a "dead-beat". His son, Nimrod Jones Hicks, deserted from CSA, was court martialed, and served a jail sentence. HOWEVER, it was through those court papers that I found Richard's wife was the daughter of Nimrod Jones, my RS - if I can ever prove he was in service.

Dear Vivian:

Haven't heard from you in ages! Anything new?

Dear Joanne:

I was so glad to see your letter when I got home from work....but then the sad news that you had lost your Bill! I'm so terribly sorry. I've been told that there are several 'ups and downs' that you seem to have to go through before you can get on with the business of living. Because I've seen it so many times at the library, your genealogy will be a life saver. I'm pulling for you. Can't remember if you have any family, other than children, but hang in there and know that my prayers are with you.

I've corresponded with Mr. Homer Cooper several times, many years ago. Mainly on my husbands' Holmes line but he was the one who told me where Sarach Shaw was buried. He and his wife seem to be quite knowledgable in genealogy

The Moore Co. N. C. info sounds interesting and I will check and let you know if I turn up anything.

I spent two weeks in Salt Lake in May. Naturally I looked up Hootens. Didn't really find a thing. I am looking forward to some film that I ordered from the National Archives ..Hooten and Allied Families. I waited until I had come back from Utah before I ordered. Ordered May 10 of this year....they cancelled my check the other day, so maybe.... I'll be getting it pretty soon. Keep your fingers crossed, it may help us!! Back to Salt Lake. I checked their IGI microfiche.(International Genealogical Index) for Va., and found a Thomas Hooton and Susannah Green m. 1772/3 in Goochland and having children one of which was James b. 14 April 1790, in Fluvanna Co. That is all that my files show at this time. But I must admit, I'm still playing catch up with all the notes and copies made while there. They have a wet copier and aside from stinking, it fades, so I'm trying to either type, recopy or otherwise make the material more lasting. Could hardly carry my suitcase what with all the copies that I made!!

Did get a break through on one of my lines, via a family history that they had, which has really kept me busy. Once you get into the New England area, there are so many 'ready made' genealogies that it just boggles the mind. I've set myself the goal this year, as a Christmas gift to my three children to give them the group sheets and gen. charts on their family. I'm going to shoot myself before I get through all this. It is making me re-evaluate all my lines, do some reworking of my files and in general I've bit off more than I can chew!! But I'm going to do it.

The course at Stamford sounds real interesting, wish I could of taken it. Along with all the above work I've set myself to, I'm taking a correspondence course from Brigham Young Univ...you might look into that. You can sorta set your own pace, within reason, and they have courses on various areas.

Dear Vivian:

Haven't heard from you in ages! Anything new?

I would have sent you some info. sooner on your Enoch, but I lost my Bill on March 7, and I have been so busy with our estate, and when I finished all that, it really hit me, and I have been doing just terrible. I still can't believe it. He had two more heart attachs. After the first one, the Dr. thought he would be o.k., and would be able to stand open heart surgery in a few days, but about three days later, he really had a bad one, and didn't make it. I am trying to get back into genealogy - anything to keep my mind occupied.

Here is the new info. on Enoch. You may have it, but I didn't. It was sent to Mrs. Raymond Hooten (the one you always see her name in PUZZLERS) by Homer C. Cooper, 145 Pendleton Dr., Athens, Ga. 30606. It seems that Enoch married Mr. Cooper's grandparents. I wrote and asked him where he got the exact dates, but he never answered. I was thinking maybe he had been to the cemeteries. Mr. Cooper had typed the info. on the Baptist article:

Enoch Milton Hooten, b. April 30, 1837 d. Dec. 26, 1907 bur. Tallapoosa, Ga
Sarah C. Shaw, born Sept. 12, 1836, d. Nov. 29, 1889 bur. Jackson, Ga.

Just last week, I was at Alabama Archives and abstracted the following from a newspaper clipping in the Hooten Family History File. I plan to check the Birmingham Papers to see exactly what else I can find. You'll have to check a calender to see the exact date she died.

BIRMINGHAM NEWS 9-23-1936
Myre M. Hooten, 79, 1200 Graymont Ave., d. Tues. Fun. at Bush Hill Baptist Church, Interment in Tallapoosa Ga. (name of cem. not given) Services conducted by Bro. C.B. McDaniel. Sons, Hoyt M. and Curtis McDaniel Hooten, Birmingham. Dau. Mrs. E.P. Green, Birmingham, sister, Mrs. W.G. Hardaway, Longerwood, Fla.

I found where my Littleton and Marta are buried. Mt. Moriah in Clay County, Alabama. He died 1873 and she died 1896.

Cary Hooten Lewis b. 12 Dec. 1812, da. 3 May 1889 bur. Bethany Bapt. Henry Co., Ga.

Francis Marion Hayes, b. 1837 d. 1919, bur. same.

Cary's info. from VOL LL HENRY CHURCHYARD CEMETERIES, Vessie Thrasher Rainer
Jincy's info. from NEWTON COUNTY CEMETERY RECORDS, VOL. I, Dixon

Lois Nelson inD.C. found a 1790 Fayette District, Moore Co., N.C. densus which may be the Littleton in later Darlington, S.C. Second column, 2nd name from bottom - LITTLETON HOUGHTON 1 male 16 and up, 1 male under 16, and 1 free white female. Do you have any Moore County or Fayette Dist. records there? This is about the only new thing we have come up with. Nothing still on the Kidds.

Wish you would send me a copy of your family group sheet on Enoch.

I have written LDS in Utah for a check on James Hooten. Haven't heard from them yet. Bet I end up with that Hervey booklet. I should have told them that I had that.

A descendant, by marriage, of James, Jr. died just recently in Hughes Springs, Tex. She was a Mormon. I'm having someone check to see if maybe she had her family traced and included the Hootens.

I attended a week of Institute of Genealogy and Research at Samford University recently. Now I know what I don't know. Boy, did they ever tell us lots of things. And so much material to research from, I'll have to live to be about 150 to just read it all. I was looking over some of my notes, and I don't no more than ~~in~~ a man in the moon ~~knew~~ what they mean. I was still so down that I just couldn't think most of the time. I hadn't taken notes in so long, that I didn't know how. They went too fast for an old mind.

Let me hear from you and don't forget the group sheet on Enoch.

Dear Joanne:

How are you doing? Thought of you so many times. Strange what genealogy does....through our shared interest, we make lasting attachments, without ever seeing our correspondent!

Wanted to let you know that the Hooten film came in and that I just threw away $43.00! Oh well, I gave it to our library, maybe someone else can do something with it.

It was on Ky. Hootens. a William Hooton b 2 Oct 1775 Va., d. 17 Dec 1836 Ky. Winchester Clarke Co.
He had 2 sons and 3 daughters. m 12 Dec 1796 in Ky. to...

Catherine George b. 1771 Va. d. 1 Oct 1856 Ky. Dau. of Nicholas George
b. 21 Nov 1881 (?)
1818 Ky
d. 1862 Va. (?)
Those dates would mean 1781 and 1762..don't you think?
Anyway he had a sis named Lucy b. 22 Feb 1807 Winchester, Clarke, Ky.
m. 6 Feb 1840
d. 16 Dec 1883 Lexington, Ky.
m. Valentine Deborah Breckinridge b. 1827 Fayette, Ky.
d. 20 Feb 1906 Kansas City, Mo.

Rosemary Scott mean anything to you? If so I'll dig the film out and go over it again.

Have to run, I'm trying to get my house ready for a week long visit from one of my daughters, her husband and two sons, 1 and 2 yrs.

Take care,

I shall be thinking of you extra on this up coming Holiday Season. Keep busy and know that 'this too shall pass'.

Sincerely,

Wish you would send me a copy of your family group sheet on Enoch.

Dear Joanne:

So good to hear from you again! I've thought of you many times and hoped things were getting a little better for you.

I'm so glad that you have found someone working on the Hootens. Enclosed is a copy of the page from the Library of Congress catalog. If your people can go to the Library then it is in book form, but I paid $40.00 to have them put it into a film.

I've been all wrapped up in getting my eldest chick off to live in Denver. Just like cutting off my right arm. She is not married so the two of us have grown very close as she got older. She was in such a rut here in Houston, that she felt she had to get out from under. Just wish she didn't have to go so far away to do it!! Isn't that just like a mama??

About your Jefferson County records. If you plan to sell them be sure and send Clayton Library, 5300 Caroline St., Ho.Tx. 77004, the information on your compilation and the price. Bet my boss will buy. Sounds like a good thing to me. Her name is Miss Maxine Alcorn.

Hope this is the information that you wanted on the Hooten 'film'.

I shall be thinking of you extra on this up coming Holiday Season. Keep busy and know that 'this too shall pass'.

Dear Vivian:

Sorry it has taken me so long to write. Had my ups and downs. Things seem to get no better.

Wish you would send me the information on the Hooten film, the number in National Archives, etc. - anything to help someone in D.C. to pull it and look it over. Maybe our kin up there can get something out of it.

The ancestor of Permelia and Phenious Fields has met some Hooten people -- two couples - Hooten brothers, and they are active in genealogy. They all live in D.C. or near. I am hoping that they can connect all the information I sent to our Hooten cousin. These couples descend from Henry Hooten of Ga., RW soldier, I think.

Alady in Ill. sent me some info. on Hootens. Seems like it is the family on your film. I sent the info. to the cousin in D.C. for her to photo and return to me, as I could never remember to do it. Seems like they were from Ky and Tn. There was a Littleton named I remember.

My request from LDS in Utah produced nothing. They sent me some English Church Records. Couldn't connect. Just looked at it again, and it is what you sent me on 26 July. Cost me $10.00. Should have waited, huh?

The course at Samford was interesting. I couldn't absorb it all, but did get a few things out of it. Met lots of nice people.

A friend and I are doing some Jefferson County records. One is the 1866 state census, and the other is Civil War Pensions filed in Jefferson County. The clerk had just found the CW Pension book while taking inventory, and not many know about it. We have everything copied and are now checking each other. My friend had to go back to college, so that has slowed us down. I guess I'll have to type it all up as she doesn't type. Boy, I dread it especially that state census-so many numbers. It gives how many in a family was killed, disabled or died of a disease during the war. Only the head of the family is given.

Must go as I have let my correspondence pile up, and must answer before postage goes up.

Joanne

Dear Vivian,

Dear Vivian:

How in the world are you? Everything settled down here for the present.

Bill's baby sister (only 40) had a heart attach the last of May, then open heart surgery. Didn't do too well - in fact she had a heart attach after the surgery, and may have to have more. Then Mrs. Pirkle was in a freak accident and was almost killed. She is better now. From the last of May until just recently, I have been sitting at hospitals.

I did go to D.C. for a week, but didn't get too much done. Nothing new on the Hootens or related lines. Still trying though.

I ran across this enclosed census on your Enoch. Thought you might like to have it, also the name of the cemetery where he is buried. This lady that sent it just did it out of the goodness of her heart. I was writing her on my Roberts line, and asked her if any cemeteries had been done for Haralson County, and that Enoch was buried around Tallapoosa somewhere. She found him!

I wish you would do something for me, as we don't have 1880 Texas Soundex here, but I think we have the actual county census.

Check these in 1880 if you will. I'm almost sure that they would have children the age needed to be in the Soundex.

Dear Vivian,

Happy New Year!!

How are things going with you? About the same here. Nothing new on the Hootens. Saw last week where someone is working on the brother, John W, of my grandmother, Mary Elizabeth Hooten Smith. Just from the little I have learned so far, I think they are all mixed up. Story of my life!!

As you know I need something from you. Do you know anything about Sadie L. "Dixie" (Mrs. John Summers) Hammond who put together those books - SOUTHERN RELATIVES? I wrote her sometime ago at one address found in one of the books Lakehills, Tx but it was returned. Another of the books gave "The Compiler" which I assumed was the publisher, Pipe Creek, Tx. 1961-1963. I never wrote there as the Lakehills info. was the latest 1965-1966. Do you know if she is still living, and where she can be reached? I need to contact her re. some information on my Lester family which appeared in one of the books. It is driving me crazy!!

Also, does Ft. Worth have the Hill County, Tx. marriage books? If so, could you please check Pirkle and Beck marriages. They would be after 1860. 1873-1880 NII

I'm still active in genealogy, as you can guess. Right now I'm helping on a book that will include Bill's line, i.e., Nortons/Thompsons/McSwains and Johnsons. Don't forget the Smiths - just found they are involved and are the Smiths that married into my Smiths. Small world isn't it? Those Smiths that are researching their Smiths are just elated. I have probably taken them back about 6 generations on one line - the Nortons. It was purely by accident that I ran upon the info. By corresponding with them, I have found that Bill's g.g.g. grandmother is buried in Cullman right under our noses.

Write when time, and thanks for your help.

Sincerely,

Joanne

P.S. Did you ever find Enoch 1870? If so, where?

P.S. Again, I take assignments in Jefferson + Cullman Counties if anyone should ever inquire there.

Happy New Year!!

How are things going with you? About the same here. Nothing new on the Hootens. Saw last week where someone is working on the brother, John W., of my grandmother, Mary Elizabeth Hooten Smith. Just from the little I have learned so far, I think they are all mixed up. Story of my life!!

As you know I need something from you. Do you know anything about Sadie L. "Dixie" (Mrs. John Summers) Hammond who put together those books - SOUTHERN RELATIVES? I wrote her sometime ago at one address found in one of the books Lakehills, Tx but it was returned. Another of the books gave "The Compiler" which I assumed was the publisher, Pine Creek, Tx. 1961-1963. I never wrote there as the Lakehills info. was the latest 1965-1966. Do you know if she is still living, and where she can be reached? I need to contact her re. some information on my Lester family which appeared in one of the books. It is driving me crazy!!

Also, does Ft. Worth have the Hill County, Tx. marriage books? If so, could you please check Pickle and Beck marriages. They would be after 1860.

I'm still active in genealogy, as you can guess. Right now I'm helping on a book that will include Bill's line, i.e., Norton\Thompson\Mosteins and Johnsons. Don't forget the Smiths - just found they are involved and are the Smiths that married into my Smiths. Small world isn't it? Those Smiths that are researching their Smiths are just elated. I have probably taken them back about 6 generations on one line - the Nortons. It was purely by accident that I ran upon the info. By corresponding with them, I have found that Bill's G.G.G. Grandmother is buried in Cullman right under our noses.

Write when time, and thanks for your help.

Sincerely,

P.S. Did you ever find Enoch 1870? If so, where?

Dear Joanne:

Sorry I couldn't answer sooner.

Afraid that I don't know any thing about M rs. Hammond. We have her books and the only clue I could find was a grandson, named Mike Townsend and then there was a mention of the 'Alamo Chapter' DAR. Maybe a Texas Chapter????? Perhaps the DAR Library in Washington could help you.

Checked the Hill Co., Marriages. Our book is from 1873-1880....no Pirtle or Beck listed. Also checked the Hill County Texas History, 1853-1980. This is un-indexed, so I just skimmed, and did not pick up anything on those names. Sorry.

Haven't done anything on ANY of my lines. We have worked so hard this past year and it looks like the crowds will just not stop coming into the Library. I'm just too tired to do anything, it seems.

If you would like our Librarian, Miss Maxine Alcorn, to put your name on our Researchers list....write her a letter to that affect. Don't know if she will or not. We do not have any out of state researchers listed now.

Keep in touch.

Sincerely,

P. S. Almost forgot. A patron came in the day I drafted this ltter and her husbands' name is Beck. Her address is, Mrs. Edwin Beck, 5914 Belrose St., Ho. 77035. She said that someone has been corresponding with his Aunt, maybe you have? Anyway, for what it is worth.

DEAR JOANNE:

IT HAS BEEN SOME TIME, HASN'T IT? HOPE THIS IS STILL A CURRENT ADDRESS!

MY HUSBAND AND I ARE PLANNING A TRIP THE LAST TWO WEEKS IN SEPT. AND IT WILL BE A 'SORTA' RESEARCH TRIP....WHATEVER THAT IS!!

ANYWAY, I'M GOING TO GO BY HENRY CO., WILKES CO., JASPER CO. AND ON INTO S. C., N. C. VA. AND INTO WYTHE CO. VA. TO LOOK UP SOME FLANAGANS AND THEN BACK TO ATLANTA AND BACK TO HOUSTON. SO NATURALLY, I HAD TO TOUCH BASE WITH YOU FOR OF COURSE, I WILL WANT TO CHECK ON SOME HOOTENS.

WE WILL BE SPENDING A LITTLE TIME, AND I MEAN A LITTLE, IN A FEW COURT HOUSES, MORE TIME IN THE ARCHIVES OF THE STATE SOOOOOO DO YOU NEED ANYTHING LOOKED UP OR SHOULD I BE LOOKING FOR SOMETHING SPECIAL?? YOU TELL ME. I HAVEN'T HAD THE TIME OR INCLINATION TO DO ANY GENEALOGICAL RESEARCH FOR QUITE SOME TIME.

HAD A KNEE INJURY A WHILE BACK, JUST NOW MOVING AROUND A BIT. BUT I DO FIND THAT AFTER 8 HOURS OF WORKING OTHER PEOPLES GENEALOGY I'M JUST NOT REALLY UP TO DOING MY OWN.

I HAVE BEEN TRYING TO GET MY TRAVEL BOOKS UP TO SNUFF AND HAVE A FEW NOTES ON MY 'WANT LIST'. IN DOING THIS, I NOTICED THAT I DID NOT SEEM TO HAVE ANY NOTES ON THE HOOTENS IN THE VARIOUS LAND LOTTERIES OF GEORGIA...DON'T KNOW HOW THIS HAPPENED, BUT IT DID.

WHAT IS THE THINKING ON JUST WHO THE LITTLETON HOOTON IS IN THE 1820 LAND LOTTERY IN JASPER CO.?? IF YOU HAVEN'T ALREADY, I ENTEND TO GET A COPY OF THIS AND SEE IF WE HAVE ANYTHING. IF YOU NEED A COPY, I'LL GET YOU ONE. ALSO I GOING TO CHECK OUR 'OLD WARS' INDEX TOMORROW A.M. AT WORK AND SEE IF HE PARTICIPATED...AS WELL AS THE JAMES IN UPSON CO. WHO GOT LAND IN THE 1827 LOTTERY.

I IS AMAZING WHAT YOU FIND HAS BEEN NEGLECTED ONCE YOU SET ASIDE RESEARCH FOR AWHILE AND THEN GO BACK WITH A FRESHER LOOK.

HOPE THIS FINDS YOU WELL AND THAT YOU ARE STILL WORKING ON THESE OLD HOOTENS!!

I LOOK FORWARD TO YOUR LETTER.

MOST SINCERELY,

Dear Vivian,

I find your name and address in the Index of NC Ancestors and am writing to you in connection with the surname HOOTEN. The given name you have shown is Littleton with a date of death ca 1844, SC.

I am researching the surname HOOTON/HOOTEN and am particularly interested in the descendants of the Rev. War Patriot, Thomas Hooton, 1752-1841.

Thomas Hooton, variously spelled Hooten and even Horton, died in Decatur County, Indiana 24 July 1841. He first married Susan Green in Goochland County, VA in 1772 and later married Orender Bush on 1 Nov 1802 in Madison County, KY. I have his military papers.

There are a number of Hooton/Hootens in Indiana by 1840, including a Littleton who is listed in Owen County, Jackson township. He is also listed in the 1830 census in the same county. Could this be your Littleton? Or a namesake? Or, do you know if your Littleton descends from Thomas, b. 1752?

My great grandmother was Orender Mahala Hooton and she was born in Indiana in 1825. I do not know who her parents were and am wondering if her father was Littleton.

I would like to exchange information with you if you believe there is a connection. A SASE is enclosed, and I will look forward to hearing from you.

Dear Mrs. Jordan:

It took your letter some time to reach me here in Georgia but I it's not too late to help you.

I returned to my native Georgia last year, though I guess Mrs. Pirkle isn't yet aware of that. I'm teaching school here and living with my parents and my small daughter. My first love is Texas and I most certainly will return there when my situation becomes more favorable.

You might be interested to know that I have a sister living in Houston. Her name is Jerien Pomar. I guess she is in the telephone directory.

To get back to your question, my parents would be happy to talk with you all when you are here. Their telephone number is (404)327-4967. They are retired and should be at home during the middle of the day, no doubt. As a practical matter, my mother--the in-law--knows more about the Hootens than does my father. Isn't this often the case?

I remember as a child hearing Enoch Milton Hooten's daughter, Mary Emma Hooten Dixon, tell about sitting on the porch steps with her father while he was home recuperating from a wound during the Civil War. She was my great-grandmother and was quite elderly when I was born. She died in her 90's when I was not more than nine or ten. I have always revered that memory--my touch, if you will, with our antebellum past.

My mother knew Mrs. Dixon quite well and talked to her at length about her family, I think. She also met some of her brothers and sisters, including your husband's kin in Pike County.

Again, please feel free to call and, if you have time, visit us here in the piney woods. We don't have many living relatives and would enjoy meeting you.

Sincerely,

I'm plowing through all the mail that should have been answered months ago....I'm always playing catch up.

I hope that you had a good Christmas and that the New Year will bring nothing but good things to you and your family.

Our trip through the south was really uneventful. Guess I just expected too much. Before I forget, I did dash off a note to the Dr. Archibald Hooten in Beaufort, S. C. before I left in Sept. and have not heard a word to date.

IT Was good to be in GEorgia again, I'm very fond of my husbands' people, so we did enjoy seeing them. I did get some pictures from an old album, Jordans, and we did make the side trip to Fort Benning military base to finally find and view the old Ritch cemetery that is on the base. We took the last remaining great grand daughter, on the Boswell side, to see her grt.grd. fathers' grave, Emanuel Ritch. She seemed to enjoy it as we did. Got lost on the reservation, the whole bit. Quite an experience....we even had a map!!

We did go to several Hooten cemeteries in Henry Co. Ga. and and we did find the Old Rock cemetery. Another few years and it will be gone from the looks of things.

We did not go through Birmingham. Of course, if we had I would ocall. Believe that one of these days, when or IF it ever gets warm again, and I have a long week end off from work, I am going to make a special trip to see you. You have so much on the Hootens and know them so much better than I do! So, if your 'invite' still holds to come see you, I just might do it.

Dear Vivian,

How nice to hear from you again. I envy your interesting trip.

First, I am enclosing some new material I have found on the Hootens that I thought you might like to have. I have heard no more from the Grant Hayes.

I have also found the marriage records here in Jefferson County, Al of the three children Enoch had by his second marriage. When I get new group sheets made, will send that on. Also, ran upon Enoch in 1880 Pike, page 2, # 25, and a J.L. age 23 lived next door almost. Guess that is the James J. age 3 on the 1860 Fayette census.

O.k. now for my thoughts on what you should look for - big question!

Back to your letter - the Littleton Hooton 1820 Land Lottery in Jasper Co., Ga. I believe he might be the Littleton in 1850 Talbot. He left a will in Talbot, recorded 8-6-1863.

The James in Upson who got land in 1827 Lottery. That could be our James and he was first in Upson before Henry. From the Henry County deeds, the first mention of him was in 1831. Then it could be the James B., son of Henry Hooten, RS who died in Pike Co, Al. 1852, (Henry) but everywhere I have seen mention of his son, it has been with the "B". The only thing I find re Upson and in that area, is that James Hooten of Henry bought 152 aacres in Henry from Littleberry B. Phillips of Troup - Troup joins Upson.

Back to Jasper County, there were three Hooten males there 1820 45 and up, two Johns and an "L" (Lewis?). One John and the "L" had sns to ten. One John and the "L" are on Page 218 - oops - I have a ? to page # of "L", the other Johnon p. 258. The Littleton who died in Talbot could be the son of one of these. Lit has got to be kin with that name, and I would say maybe a first cousin to our James in Henry. I say this because I am almost sure the old Littleton in Darlington was our James' father, and he didn't name a Littleton as a son. Of course, we can remember too that maybe he had already settled up with Littleton or maybe even disowned him - but I say he was not a son. The Littleton in Talbot was probably married by 1820, and maybe some of his children were already dead or married by the 1850 census. The Eliz. on 1850 census with him might have been his second wife. Note she is 10 years younger than he.

Sending again

Now...as to Henry County, Ga. I think I got all the deed re James Hooten in Henry, and I believe I sent you a list of what he bought and sold. If not let me know. The book and page #s are not given as I did not have them. The clerk who made the copies didn't keep the pages with the books, and I didn't have time to re-check. You might want to visit the Hooten cemetery while in Henry. Check with the funeral home for directions. The owners are grandsons of Mrs. Vessie T. Rainer who wrote the book on Henry County. She was in a nursing home the last time I heard, and may be dead by now. The Hootens there in Henry are descendants of Moses - maybe some from William, the oldest boy.

I am almost sure the Flower family, and especially Drewery Flowers, comes in some way in the Hooten family - perhaps throught the brother of our James, John, and the one I believe is his brother John who went to Randolph County, Al. I find a Drewery Flowers Hooten, Sr. there in 1860 who was b. Ga., but married in S.C., and lived there 1850 Barnwell, S.C. This Drewry named a son John Marion, and one Archibald Burton. I am sure the old John in Randolph was at one time in Henry, and an Archibald Hooten who lived next door to John 1850 Randolph (Archibald married 1. Elix. Lindsey White 1847 Henry Co., Ga., he married 2. Martha Alsobrooks in

yes

Heard Co., there, and is there, I believe 1860. He shows up again 1870 Randolph with second wife and some more children and lived near the old John Hooten) Some of this Hooten family later settled in Tallapoosa County, Al. One Dr. Archibald B. Hooten, 185 Ribaut Rd., Beaufort, S.C. 29902 was working on this family. I have never contacted him, but have meant to. These Flowers and Hootens lived near in S.C. and Ga. One Drwery Flowers lived near Hootens 1810 and 1820 Darlington. Bought land from James Hooten Henry Co. 1835. Was in Henry Co. 1830 or 1840 on same page with James Hooten. One Drewery Flowers lived 1850Fayette, fam. # 969 age 70 b. N.C. - both he and his wife died Randolph Co., Al.

You will recall one of old Littleton's dau. , Eliz. married a Flowers. She is named in will or heirs are.

You might check Darlington deeds for our James Hooten. I'm sure he was there 1820. I think I have all the deeds on old Littleton. Did I send you copies of those?

While in N.C., check Fayette District, Moore County. I am sure old Littleton was there 1790 cendus, p. 44 - listed as Littleton Houghton, had one son - second col. 2nd name from bottom.

Will you be going anywhere near Beaufort, S.C., and can contact Dr. Hooten? If so, I will send you what I have on that family. I know you can't make heads or tails of this, since you don't have some of the information.

Just noticed that I have an 1880 Heard census on John Hooten, son of the old John in Randolph County, Al., and he named a son Drewry, so maybe old Johns's wife was Charlotte Flowers, dau. of Drewery in 1850 Fayette. Arch. m. Martha Alsobrooks, also named a son Drewery/Drury.

Mon. Aug. 13

I stopped and researched those Hootens in Randolph and Tallapoosa County. I am convinced that the old John, who I think was a brother to our James, fits in the family that Dr. Archibald Hooten is researching. I have Hootens running out my ears.

While at N.C. Archives, you might also check Bertie and Martin Cos. for old Littleton Hooten/Houghton/Haughton/Hooton - just in case he was related to William Hooten, RS., and might be in those records.

Also, while in Ga., look at deeds in Newton County. Our James might show up there, or Suzanne. She was there in 1867, probably living with Jincy, when she sold some land in Henry to William M. Cleveland - see deed list.

Will you be coming through Birmingham? Wish you would and spend the night - the room and board is right!!! Would just love to have you. Let me know. I don't think I have told you, but I am hard of hearing, and can't always catch everything on the phone, but you could call my neighbor (that is if you want to call and if you come through here) Mrs. Jean Cocks (Phillip B., 108 Knoll Crest Dr.) 1-205-942-8015, and she will give me a message.

Sarah C. Shaw Hooten's father was probably p. 132 1850 Jasper. From somewhere I got that Sarah's middle name was Charlotte. This John Shaw had a dau. named Charlotte, the same age as Enoch's wife. His wife was probably dead, or he married a younger woman, Eliz. age 28. Three children under 10 are listed, which makes me think she might be his second wife. The marriage book for Jasper has no marriage for them. Howere, it does show one 1818 John Shaw to Sophia Wilson. Page 131 was a James W. Shaw, age 21, probably son of John P. 132. Do you have all kids of Enoch by first wife? I have 11 children, and it is said he had 12 by Sarah. But I note I have Dewitt and David as same and they may be different sons. I got Dewitt from the Hervey book and David from 1880 Campbell. Excuse all errors. In a hurry. If I think of more, I will write. Look forward to hearing from you again. Love, your Al cousein,

Dear Joanne:

I know that you think that I've died and gone to the bad place... but I am just a working gal and man I'm tired at night when I get home! I'm close to retirement and plan to do just that just as soon as our new Library gets built and I have helped them move in and get straightened. We should move in about this time, 1988!! So I'm planning on the Spring of 89! If I last that long. My arthritis and sciatic nerve have really being giving me fits. (This ribbon is sure acting strange!!)

Now, in answer to your last letter of 6 Oct'87.

Our Central Library no longer keeps telephone books for other states/cities...part of their trying to save money because they don't have the personnel to do the research for people!

I checked our Hicks family histories. Nothing that could fit your Alabama Hicks. Our vertical file, which is loos papers that patrons give us on names, may show this name....but that is closed until we move into our new building!

I've never tried to research the Kidds...in fact, I don't know why the Hootens fascinate me so....they aren't my husbands direct line, but I find that when I am checking an index on any new book, I always check Hooton. (by the way, I've never found it, Houghton, but then I haven't really gotten into this line, back in time).

I'm still waiting on an answer from Sherrill Hooten from Dallas. His letter is enclosed. Wish you would write to him and see if he can give some sources and references that will stand up.

Hope that the enclosed notes...I do this on my lunch hour, you understand, so I grab ever paper is handy and start scribbling. anyway I hope that I've found what you needed....a couple just didn't show up on the soundex...but then, you know indexes!!

I still need to look for the Frank Newton Hicks and Whoops!! I did finish (can't read my own writing, for Heaven sakes!!)

Let me know if I missed anything...I think I figured out what you were wanting. I'm sending my worksheet and yours back to you.

Keep in touch, now.

Dear Joanne:

I know that you think that I've died and gone to the bad place... but I am just a working gal and man I'm tired at night when I get home! I'm close to retirement and plan to do just that just as soon as our new Library gets built and I have helped them move in and get straightened. We should move in about this time, 1988!! So I'm planning on the Spring of 89! If I last that long. My arthritis and sciatic nerve have really being giving me fits. (This ribbon is sure acting strange!!)

Now, in answer to your last letter of 6 Oct'87.

Our Central Library no longer keeps telephone books for other states/cities...part of their trying to save money because they don't have the personnel to do the research for people!

I checked our Hicks family histories. Nothing that could fit your Alabama Hicks. Our vertical file, which is loos papers that patrons give us on names, may show this name....but that is closed until we move into our new building!

I've never tried to research the Kidds...in fact, I don't know why the Hootens fascinate me so....they aren't my husbands direct line, but I find that when I am checking an index on any new book, I always check Hooton. (by the way, I've never found it, Houghton, but then I haven't really gotten into this line, back in time).

Dear Vivian,

I sure do need some La. help. Do you have the 1900 and 1910 Soundex? If so, will you please check the Hicks/Hix names enclosed? If you do have them, and find any 1900, you won't have to go to the actual census, just tell me the coding, as we have 1900 here. But if you find anything 1910, please copy the actual census for me.

Also, will you check your Dallas phone book for one Robert Knight. I have an address for him from some Mormon records (date unknown) and he lived 2542 Searcy Drive, Dallas, Texas. See if he is still there. He submitted a name on my Hicks family to the Mormoms which came from his family Bible. The name was Daisy Hicks, born Cleburne County, Al and died 6 Nov. 1971, place ?. She was the daughter of John Jasper Hicks and Martha E. Lokey. John Jasper was a brother to by g. grandfather, Nimrod J. Hicks. I sure would like to know what he has on the Hicks, as I am at a dead-end on them. Would appreciate your help here.

You wouldn't have anything in your family group records there on Alabama Hicks, would you?

I need a name checked from the El Paso phone book also, if you have one. The name is Mr. or Mrs. Carl A. Lovett, 3819 Cambridge Ave., El Paso, TX 79903. They sent some info to Mormoms on my Lester family.

I heard from Lois Nelson, but she didn't know, evidently, if the Elizabeth Fields in her family was married to a Pollard Woodward. I found Elizbeth Fields, who married the W.P. Woodward in 1880 Henry, but he was listed as William Woodard -sic, but I know it was the correct family, that is, W.P. Woodward and Elizabeth Fields.

I found nothing in our records here on the counties in Va. where the Hootens lived that are suppose to be ours. The only thing I found was a marriage record for Thomas and Susannah Green.

I have ordered some Kidd info from Mormons, but don't think it will help much. I have also written a couple of people whose names I saw in old and current issues of PUZZLERS.

I heard from Quida Williamson, and she has ordered the DAR papers on one James Houghton of N.C. She did so because that is probably our Littleton, listed as Houghton in 1790 Moore County, N.C. census. When she sends what she gets to me, will pass on to you.

I ordered over $ 20.00 worth of C.W. records from Al Archives re the Kidds in Randolph County, Al. Some were sons of John, who is said to be a son of Moses of Chatham/Moore, N.C., and the others just Kidds there 1850 and 1860. Didn't help any, but you never know when a family name will pop up in those records.

Have you heard anymore from Sherrill Hooten? I am in stitches to know if he was going by more than just the Mormon Index. Let me hear the minute you hear.

I don't know that you ever will, but in case you should call sometime, I can't talk on the phone as I have a severe hearing problem. My husband will take messages after 5 in the evening. Sometimes it really bothers me, but I'm just thankful I have my eyesight. Since I have started genealogy, I have found the hearing problem probably was inherited from my Smith family, and some probably from the Hicks line.

I have nerve deafness, which really has not ever been found why it occurs, but probably inherited. In one family of my Smith family, just about all of the 12 children are hard of hearing, and one in another family is just like me. We all are in the same generation but from different children of our oldest known ancestor.

Any help you can give me re my requests will sure be appreciated.

Sincerely,

Joanne

While doing research in the Dallas Public Library I came upon your name and address in a publication designed for correspondence betweem persons interested in the same family lineage. You had submitted the names of James Hooton and wife Susanna Kidd. This is the family I am in the process of researching. I am the son of the late Richard Ross (Dick) Hooton of Hughes Springs Texas.

At the present time I am attempting to estsblish the name of James Hooton's Father and Mother. Any information you have would be greatly appreciated. If you are interested I will be happy to give you the information I have on this family.

Dear Joanne:

I do hope this is still your address! It has been some time since we have corresponded but I did believe that this latest Hooten info should be passed on to you, if you haven't already corresponded with Mr. Sherrill A. Hooton of Dallas, TX.

He had found a query of mine somewhere and wrote a letter quite awhile back. I answered with what I knew of the Hootons and the enclosed is what he sent back after his research.

I eagerly await what you have to say about this because I believe that you have put in more time on the Hootens/ons than anyone I know. I have answered him with the question of just what 'list' at the Mormom Library he had looked at that convinced him that Thomas was the father of James and not Littleton.

The handwritten notes are mine that I added to his chart as I checked what notes I had and on what you had sent me. He descends from James W. Hooton b 1825, son/James and Susanna Kidd Hooton.

It is late and so I will close. Do write and tell me what you think about all this.

Dear Sherrill:

You put forth a very interesting hypothesis about Thomas Hooten and Susannah Green but my Mother was born in Missouri, I want the proofs and sources of your theory.

What 'listing' at the LDS are you referring to? The IGI file?? Someone else's research?

I'm going to enclose what I know about the Enoch Hooten family which you state that you need more information.

The Hootens have always interested me, why I really don't know. My husband's 'Maw-Nannie', as he called her, was Nancy Lee Hooten. She was married to John Thomas Jordan and they lived in the old family home,(still in the family) just down the hill from where Dan grew up, in Molena,Pike Co., GA. He has many stories about her and her husband, it is obvious that they must have been very, very dear to their grandchildren. Spoiled them rotten, too!!

It must have shook them up good, two good B aptists, to have their first born son, Enoch Pope Jordan, marry a strong Methodist. I knew both of these two dear people, Daddy Enoch and little 'Cliffie'. She always said that Enoch was the best Baptist she had ever known, ...because he was under Methodist supervision!! They were a true love match until theyday they died. The Jordans, father and son, both worked for the Southern Railroad...Daddy Enoch as the Station Agent in Molena, GA and John Thomas Jordan as the conductor on the train that came through Molena on its way to Atlanta.

Now, with that background, on with the Hootens. Nancy Lee Hooten was b 1864 Pike Co.,GA., the third child b to Enoch Milton and his 1st wife, Sarah Charlotte(Shaw) Hooten. The other children were as follows; Mary Emma b 1861 GA m _____Dixon
John b 1862

The only Cary Hooten that I have in my notes is a listing of a marriage for Cary Hooten and Henry C. Sears 22 Aug 1831, Henry Co.,GA. Where have you found a Cary as being the dau/ James and Susanna?

Birth date for William Matthew is 3 Dec 1814 S?C.

Birth date for Moses 12 Mar 1823 S.C.

Littleton birth ca 1819/21 S.C.

Parmelia was b 4 Apr 1821 S. C.

Malvina b 1817 S. C.

Susanne b 1827/29 S. C. m James McNair Butts Co., GA

Where did you find Elizabeth Hooton who m Pollard Woodward??

I am or was in correspondence with the descendants of Parmelia. Also a lady in Indiana, with a Thomas Hooten and wife Susan Green that she is trying to connect with. Thomas m 1st in Goochland Co.,VA 1772 and later Orender Bush in Nov 1802 in Madison Co.,KT. This info she says, is from the military papers. Also in contact with a desc. of Littleton's and Martha Ann Johnson Hooten.

Hope this is half way clear. I'm sending your chart and information on to the above people. I will let you know what they have to say.

Dear Vivian,

Your letter of 8 September came while I was out of town - and what a pleasant surprise!

Would you believe I had just ordered (last week) some records re the Hootens from the Mormons, though not the Thomas Hooton/Susannah Green family that were listed in the index (Mormon) of Goochland, Va.

I had a 1978 Virginia Index for these people, but wanted to check the Mormon Library to see if anything further had been added - only one other name which doesn't belong to that family I think.

I don't remember where I got this 1978 index - whether I ordered it or someone sent it to me. In any case, I never did order anything further.

In case you don't know, you have to look up the batch numbers to find out the imput number, then send all that info to Utah for the sheets with more information.

As you can see, Thomas and Susannah Green did have a son, James, born 17 April, 1790 Fluvanna, not far from Eastern Coast of Va. Goochland, where Thomas and Susannah were married is the adjoining county - kinda down to the right. Now, from the Mormon index numbers, it doesn't appear that the William who married Lilly Cornutt or Canute or Cornett is the same William, son of Thomas - note the numbers. Of course, one would have to see the imput sheets to be sure on this.

Now....this Thomas m. Susannah appears to be the father of the William who married Catherine George, and you sent me some info on 3 Sept. 1981, copy attached - from the Hooten records you ordered and are in your library.

Also...it is the same family on which Grace Hooten of Maryland prepared a chart for Lois Nelson (desc. of Permelia Hooten, daughter of James and Susanne Kidd Hooten, married Phenious Fields), taking the information from her files (Curry Collection only?) and some information Lois got at the Library of Congress from FURNESS re the Quaker Hooten preacher, Elizabeth Carrier Hooten.

NOTE: Grace gives the wife of Thomas Hooton as being SARAH GREEN. ALSO NOTE THAT A 1860 Clarke County, Ky. census is given on Grace's chart which shows that William's wife was "Catherine".

I don't remember where Lois got the name of Grace Hooten, whether I found it someplace or she had it in her notes. In any case, I'm sending her a copy of this letter. Lois' address is:

Mrs. Lois Nelson
2407 Kent Village Drive
Landover, MD 20785

I am also enclosing a copy to:

Mrs. Quida Williamson
P.O. Box 152
Graham, Texas 76046
(Quida not a Hooten descendant, but worked on them for a friend.)

Lois has worked the Mormon records some, but I think if she had ordered these Virgina Hooten info. she would have told me. I don't know about Quida, even though there ~~is~~ are descendants of William, son of James and Suzanne Kidd Hooten, in these records.

I am asking both to advise me on this.

Grace Hooten is not a descendant of the above Thomas Hooten, but from the Henry, RW records, and died in Alabama. I think we all have part of the DAR records on him. I only have part sent to me by Quida. Grace is like

all of us - just has lots of Hooten notes.

Did Sherrill A. Hooten, Dallas Texas, tell you that he has all the material given on the enclosed index for Virginia Hootens/Hootons? If so, see if you can get copies of them. I have them ordered just in case he was going strickly by the index.

I think he was going with the Hervey booklet on the Hootens re that James had a brother William, who came to Henry County. You will note in this booklet that Rev. Hervey says that James and his brothers, Thomas and William are head of families in 1850 Henry. The William in this census was the son of James. Thomas was probably his brother.

As written to all of you before, I think James had a brother John, b. 1795, S.C. or Ga. m. Charlotte (Flowers?) and went to Randolph County, Al before 1850. I think he had Henry County connections, i.e. Archibald, who was probably his son, and also came to Alabama, was married there. I found someplace deeds? tax list? voting list? of an early Henry County John Hooten.

Nancy sister to Francis M. Hunt

You will recall that my Littleton came to Alabama before 1850, as did his sister, Emily Jane, who married Francis M. Hunt in Henry. Emily is not on the chart you sent, nor was she in the Hervey records. However, Miss Myrtie Hunt, McDonough, Ga. told me that she was a sister to Moses Hooten, who m. first Nancy A. Hunt. Miss Hunt gave me the full lineage of Moses, and she had done lots of work on the Hunts. I think she is correct in that Emily was a daughter of James. Emily lived next door to Littleton 1850 Randolph, but not near 1860. In 1870, he was in Clay (taken from Randolph), she was still in Randolph. By 1880, he was dead, and she was in Etowah County, Al. She had six known children, and one of them-ENOCH.

From the Baptist book where Enoch Hooten, son of James and Suzanne appears, it does mention that his Father was from Virginia. However, on 1850 Henry census, he was marked as being born N.C. and 1860 S.C. On the 1880, 1900 and 1910 census I have for his children living then, no mention was made of father being born in Virginia - they said Ga. N.C. S.C. Of course, we all know you can't go by them entirely.

I am still going with the Littleton in Darlington, S.C. as being father of James in Henry. Our James, I am sure was there in 1820, and prior census for Littleton show males his age. The 1800 and 1810 Darlington census for Littleton do not agree - on 1800 he didn't have but one son which could be James or John, but on 1810, they could be sons - maybe I copied 1800 incorrectly. Littleton's will does name sons, James, Thomas and John, plus living and deceased daughters.

In conclusion to James being the son of Thomas and Susannah Green Hooten, I will have to see more proof. HANG ON - I'M NOT THROUGH YET!!!

To the chart you sent from Sherrill A. Hooten re children of James and Susanna Kidd Hoooten.

CARY MARRIED REV. HENRY C. LEWIS - you have her marked in question. She was a daughter - see her obit written by E. M. Hooten (Enoch M., I'm sure). Also, a deed in Henry, Henry appears when Suzanne sold some land, along with some of her other children living there, or near by.

I don't believe Cary was listed the Hervey records as being a child, or was the Emily mentioned above. He also said my Littleton was killed in the CW, which he wasn't; he died in 1873 according to his son-in-law's Bible, and my grandfather, Hiram Jackson Smith m. Mary Elizabeth Hooten.

Sherrill's chart also reads that Enoch Milton died in 1888 - that should be 1907. Jincy's death is in error also - she died 1868 instead of 1888.

ELIZABETH WHO MARRIED POLLARD WOODWARD - I think this Elizabeth was Elizabeth Fields, daughter of Permelia and Phenious Fields. They had an Elizabeth who married a W.P. Woodward. They are both buried at Philadelphia Baptist in Henry.

I think I know where the confusion came in about Elizabeth being the daughter of James and Suzanne.

When I came in Sunday, I also had a letter from Mrs. Lavern H. Summerlin, 321 North Madison, Magnolia, AR 71753. I had written her re her query in FAMILY PUZZLERS. She is working on a family which the Littleton Hooten in Talbot is connected. I wanted to see if she knew the parents of that Little-

ton. She didn't, but did send me some notes of C.R. Elliott of Henry County (someone else gave it to him - who?) This information was sent to her by a cousin, name not given, that Mrs. C.E. Elliott sent to the cousin.

At first, when I was reading these notes of Mr. Elliott, I assumed Elizabeth was a daughter of James. I cannot find Now or before , a marriage for an Elizabeth Hooten in Henry. I checked my Henry cemetery records by Mrs. Vessie Thrasher Rainer, and saw an Elizabeth and W.P. Woodward buried at Philadelphia. The cemetery record gave her name as Elizabeth H. Fields Woodward. I then looked on my sheet for Permelia and saw where she had a daughter who fits this. Note that Mr. Elliott's notes read that Elizabeth and W.P. Pollard had a son, John Woodward, who was surviving at the time these notes were made. In the cemetery, there is a John T. Woodward in the same cemetery who died in 1965. He was buried next to Elizabeth and W.P. it appears in the book.

By reading these Elliott notes carefully, I think you will agree, that Elizabeth was actually a Fields. Perhaps Lois knows if W.P. was Pollard Woodward.

I did find a Suzanne Hooten in Henry marriages who married James Daniel McNair 9 Jan. 1845 Henry. 1850 Henry they were # 1154, living near was James, Jr. 1143. Henry County deeds 7 Dec. 1850 - James Hooten to James D. McNair. In 1860, the McNairs were in Butts County. He was killed in the war, and she remarried 25 March, 1866 Butts, Jarrett P. Weaver. I lose the Weavers after 1870 Butts, but the McNairs daughter, Martha who married Silas N. Bishop in Butts was in Henry County, Ga. 1880 living very near Henry C. Lewis and Cary. I don't think I worked that family i.e. McNairs/Weavers/Bishops after 1880. Suzanne and James D. McNair named known children - Margaret L.; Thomas F.; Martha; Mary F. - which doesn't mean anything, as lots of people chose not to use family names - like a lot of mine, which hampers one in some respects.

KIDD - I am sending you, Lois and Quida a copy of my letter to Mrs. Dorothy Holland Herring, 6754 Tara Boulevard, A-2, Jonesboro, GA 30236, and the flier where her Kidd book is advertised, and her reply to my letter. Note the Kidd book is only 73 pages and the price is $ 75.00. I haven't made up my mind if I will order. I would like to see a copy first somewhere to see her method of research, sources, etc. before paying that price. Do you have it in Houston?

Knowing me, I will probably end up buying it!!!

I was at Georgia Archives the other day working on my husband's family to submit for a book on Fannin County, Georgia. I am enclosing a copy of a page for ordering information in case the Houston Library would like to order a copy. Anyway, I looked up some Civil War Depredations for some family names appearing in Bob Davis' BLACKBOOK, II, and had them to send me copies. No genealogical information, but does give signatures, which I am B I G on!!!

The claims for William and Moses Hooten and Henry C. Lewis are enclosed. My real thrill in these claims were that I got one on my Hiram Lester (g.g. grandfather), which was puzzling in that he couldn't write in the 1890's - maybe that was because he was about 100 years old then.

Since you were in question about Cary, I evidently didn't send you her obit. So, I am enclosing that along with some others. I think I sent them to Lois, but am sending to Quida in case I missed her also. I try to share when I find something with all, but sometime, I goof up.

After this novel, don't you wish you hadn't written?

On another sheet I am listing the enclosures for you.

Let me hear from you the minute you hear again from Sherrill.

Love to all,

Joanne

Vivian, send me Sherrill's address & Copy of his Correspondence to you - if you don't mind.

P.S 2 (this could go on all day). I am also enclosing some notes made by Dr. Archibald B. Hooton, 185 Ribant Road, Beaufort, S.C. 29902. He never answered my correspondence. I think Lois tried to contact him also. He descends from Drewery Flowers Hooten, who I think was a son of the John in Randolph, but note he is in question about Drewery Flowers being the son of a Johnson m. Mary Hawkins - that should be brother. John Hooten, who I think is Drewery Flowers Hooten's father, did have a John, but he married Martha/Narcessas Almon and probably died after 1900 in Heard County, Ga. He named a son, Drewery M. I think old John Hooten married a daughter of Drewery Flowers and Catherine?, they were 1850 Fayette County, Ga., and there was a Drury Flowers 1800 and 1810 Darlington, S.C. Drury Flowers bought land from James Hooten in Henry 1835.

That was Drewery Flowers 1850 Fayette; Drewery Flowers Hooten was 1850 Barnwell, S.C., but came to Randolph County, Al by 1860, family # 458, old John 498. I don't have him 1870, but I think he moved to Tallapoosa County, Al. Yes, he was there 1880 p. 307, and old John was also there page 262, living with a daughter. Drewery F. Hooten was there 1900, and he died in 1903.
This Hooton/Hooten information was sent to me by Miss Ann Hooten, 308 Randall St., Roanoke, AL 36274 in 1981. She descends from Drewery Flowers Hooten, and Dr. Archibald gave these notes to her. That's my notes on Dr. Archibald's notes.

I contacted a few years ago Mat Hooten of Ashland, Al., son of Drewery Madison Hooten, son of Archibald Hooten* and second wife, Martha Frances Alsobrooks - Martha Frances from Heard County, Ga. Mr. Mat Hooten was in poor health, and was very upset because his wife was in a Birmingham hospital having a breast cancer operation. He did say that his wife knew some on the family, but I waited a week or two before contacting her, and when I did, she was going home in a few hours. My niece called for me as I have a hearing problem and can't use the phone. She gave my niece the name of someone in Fla., who had done research on those Hootens. During my move, lots of my stuff got misplaced or lost by the movers, and I cannot locate that persons' name in Fla. I do remember that my niece tried to call the Fla. number twice without getting an answer.

Mr. Mat Hooten lived in a house that looked like a plantation house from "Gone With The Wind", although run down some. There was a Cadillac in the drive, and they still had a black maid - all in a white uniform.

I don't remember her having on a black apron though or a cap!!

Another note - on the 1850 census for Drewery F. Hooten, he was a "singing master". Now, you should all hear my Hooten kin in Alabama sing. My father could also sing, but they pay me not to sing in church. That's a fib about paying me, but it is no lie that I can't carry a tune in a bucket.

* Son of old John - Randolph / Tallap. Co. Al.

Note: Dr. Archibald Hooton's notes read that Thomas Hooten, Jr. married a Susan Green. Perhaps Grace Hooten in Maryland who did the charts for Lois got her Sarah's and Susan's mixed up.

Hello Everybody,

It's me again!!

I sure overlooked something Dorothy Herring said in her letter to me, i.e. Moses Kidd was of Chatham and Moore Counties, N.C.

You will recall that we found that Littleton Houghton 1790 Moore County, N.C., which we think is the same Littleton in Darlington, S.C.

This is getting interesting. Do you suppose the Hootens and Kidds were good friends, and maybe visited each other after Littleton moved to S.C., and their kids fell in love.

James and Suzanne were married by 1820. Littleton Hooten was Darlington, 1800 until he died. Moses Kidd was 1810, 1820 Chatham, N.C. Some of my notes are confusing, but I think I have Moses Kidd also for 1830 Chatham. Chatham adjoins Moore.

It's not really far from Chatham County, N.C. to Darlington County, S.C., however, I think a little far in those days for courting. It sure is puzzling if Moses is Suzanne's father. Maybe James went up to there to work or something.

I made up a group sheet on the John Kidd who Dorothy said was a son of Moses. This John and his children lived around the Hootens and Hunts in 1850 and 1860 Randolph County, Alabama.

Note on the back there was an Islam Kidd in the same regiment with Moses during War 1812. I did not pick up Islam when I was noting some census index. I'll check further on that and see what I can find. I also have lots of notes made to check things when I go to the Birmingham Library next week. Will also check Kidds in Mormon Index next Tuesday.

Ga Mormon Index → b. 1833/34

Forgot to mention this too. Note the Martha Hooten who married James M. Moore 11 Dec. or 11 Sept. 1849 Henry. That marriage is not in the marriage book I have by Carter and Maddox. I found them 1850 Henry, and they also came to Randolph County, Al by 1860, family # 1181 - F.M. Hunt family # 1175.

James and Martha named children known Gamaliel W. (male); Mary P.; James R.; and Coleman Allen.

I first found the Hooten connection through Coleman Allen - and guess where? In Clay County, Alabama Funeral Home Records! Those are the best records if you can get ahold of them. Anyway, I started looking for census records on the Moores, and found them through 1860, and some of their children through 1910.

I think she might be the daughter of the old John in Randolph, and possibl James' brother. If I'm correct on the ones I have for James Hooten, she wouldn't be his daughter. Then again, she fits better with the 1840 census than Suzanne McNair. I still think Suzanne is a dau. though because of her

Name and James sold them property. I have the Mormon records ordered on the Martha Hooten Moore. I also ordered the CW Pensions for the Kidds in Randolph.

Mr. Sherrill A. Hooton
1210 Hoke Smith Drive
Dallas, TX 75224

Dear Sherrill:

Vivian Jordan has sent me the Hooton chart you compiled and a copy of your last letter to her.

First, I am a Hooten/Hooton researcher. Littleton Hooten, son of James and Suzanne Kidd Hooten, was my great grandfather.

I have been working on the Hootens on and off for about 11 years.

In your letter to Vivian you mentioned the LDS records. I, too, have been working them just recently. Don't know why I haven't checked them before. Well, I think I did write them, but they said they had nothing on the James Hooten family of Henry County, Georgia.

The index I saw was a 1984 listing. From what I saw, I feel we can't say that James of Henry County, Georgia was the son of Thomas and Suzanne Greene Hooten of Virginia. I also saw James and Suzanne's name in these records, but it was nothing that I could see to connect James with the Virginia Thomas.

I photoed the Virginia, Georgia and Alabama Hootens. The batch numbers for Virginia does not agree with those in Alabama and Georgia, but I did not check all the input numbers. However, what I did check does not match those that referred to the Virginia Hootens. Perhaps you saw some more recent information. Please let me know on this.

I might add that I looked over the Texas Hooten/Hooton listings, but I didn't see anything referring to the parents of James.

Newton Co. formed 1821 from pt. of Henry Co

I ordered the listing for S.C. (forgot to mention that I checked that state also). I believe the one I ordered was the only one there - that being on William Hooten, son of James. It said he was born in Pickens County, S.C., and was the son of James Hooten and Susan Kidd, and that the residence of William was Coviington, Newton County, Georgia. I have never known that William lived in Newton. All the census I have for him, he lived Henry County. The remarks given was that the information came from family Bible records of Mrs. Charles Christopher, 916 Park St., Graham, TX 76046, c/o Jesse Mitcham Family Rep, 3718 E. Sheridan St., Phoenix, AZ 85008. Jesse was the person submitting the information. I have been in contact for years with a lady who works on the William Hooten family for a friend. She is Mrs. Quida Williamson, P.O. Box 152, Graham, TX 76046. I have just recently been in contact with Quida, and she still feels, as I do, that James of Henry County was the son of one Littleton Hooten of Darlington, S.C.

I have seen the Hervey booklet, and there are several errors there. Dr. Hervey mentioned that the two other Hootens in the 1850 Henry census records were brothers of James. Now the Thomas might be, but the William was James' son. The Thomas was born 1797, S.C., according to the 1850 census, and died before 1860.

I feel James had a brother, John, born 1803 Darlington, S.C., according to his obit. This John in the obit lived 1850, 1860, 1870 Randolph County, Alabama. I feel sure he is the same John I find in early Henry County deeds. I think he had a son named Archibald who married in Henry County. Archibald also went to Randolph County. The John died in Tallapoosa County, Alabama. I think John might have married a daughter of Drewery Flowers. I find that name living close to Littleton Hooten, Darlington, S.C. I am almost sure a Drewery Flowers Hooten, who lived 1850 Barnwell, S.C. was a son of this John. He later came to Randolph also. He had a Drewery Flowers, Jr., and the Archibald had a Drewery Madison. Drewery Flowers bought land from our James, and I believe on one census, he lived very close, which could be because he bought land from James. Drewery Flowers was 1850 Fayette County, Ga., but died in Randolph County, Al.

Now my Littleton also came to Randolph County before 1850. I think also one of his sister came too - she being Emily Jane wife of Franc is M. Hunt.

I was told by Mrs. Mertie Hunt in Henry County when I was there in 1979, that Francis M. was a brother to the first wife of Moses' Hooton, and that she had been told that Emily Jane was Moses' sister. Emily Jane named a son "Enoch", which really doesn't prove anything. Emily Jane died in Etowah County, Alabama at a time when a death certificate would be available, if one was filed. I have not ordered one yet, but plan to. The state of Alabama requires a cashier's check or money order, and I can't ever remember to get one.

Dr. Hervey mentioned that my Littleton was killed in the Civil War, but that is incorrect. He died in 1873 in either Randolph or Clay County, Alabama. He and his wife are both buried at Mt. Moriah Baptist Cemetery in Clay County. Clay County was formed from Randolph. They were there in 1870, but Martha Ann was 1880 Randolph County, Alabama.

Just recently a Hooten researcher (descends from the Littleton in Talbot County, Ga.) sent me some information compiled by Clarence Elliott of Henry. I believe this is where Dr. Hervey got his information that James had a daughter, Elizabeth, who married Pollard Woodward. However, I don't believe Dr. Hervey mentioned who Elizabeth married. I am sending you a copy of this, and I think if you will read it carefully, you will see that Mr. Elliott is saying that Parmelia and Phineas Fields had a daughter Elizabeth, who married Pollard Woodward. I do know that the Fields had an Elizabeth who married W.P. Woodward, though I can't find out what the "P" stands for. I know a researcher in that family, and she doesn't know either. I have found W.P. with his parents, but he is listed as "W.P.". I have the 1880 Henry for he and Elizabeth, and he is listed as just William. I feel sure Mr. Elliott is referring to a granddaughter of James rather than a daughter.

When I read the Hervey material that James had a daughter, Elizabeth, I checked the printed marriages I have for Henry, and also the courthouse records, and never found an Elizabeth Hooten.
I did find a Suzanne A. Hooten who married James Daniel McNair 9 Jan. 1845 Henry. James sold them land (or rather to James D. McNair) in 1850. James McNair was killed in the Civil War and Suzanne married Jarrett P. Weaver in Butts County, Ga.

Though the information on Enoch Milton, son of James, says his father was born Virginia, that is the only place where I have ever seen that. On the 1850 and 1860 Henry census, it is indicated that James was born in N.C. On the 1880 and 1900 census for his children, it is given S.C., N.C. and Ga.

In the obit for Cary Hooten Lewis, written by E.M. Hooten (who I feel is Enoch Milton) it reads that she was born in N.C. I am sure I find James and Suzanne 1820 Darlington, S.C. In a history of Henry County, Georgia, Mrs. Vessie T. Rainer, says the Hootens came to Henry from S.C. I never had heard they were ever in Pickens County, S.C. as the Mormon info on William reads, but they could have been there, and also in Darlington.

Did you order any of the Mormon material? I have on some of the Virginia Hootens, but it will be about Christmas before I get it. If you have ordered, and received, would you share what they sent you?

I have a good bit on the Cary Lewis, William M., Moses, Littleton, James W., Enoch M., Jincy Hayes, Parmelia (believe that's Permelia) families. I don't have anything on Malvina Beasley except the 1850. They just disappear after then. I wonder if they went to Texas. I have checked Alabama. I also have a lot on the family of Emily Jane Hunt.

What does the "W" in William's and James' name stand for?

The death dates you have for Enoch and Jincy are incorrect according to my records. Enoch died 1907 and Jincy died 1868. William, Moses and Enoch had second families.

Cary Lewis named a son Littleton, but that name, as far as I have found, was only used in my Littleton's family.

I have gotten interested in the Kidd family again, and am working on that. I think Susanne's father might have been a Moses Kidd of Chatham and Moore Counties, N.C. I am almost sure the Littleton Hooten who I think is the father of James, was 1790 Moore County, N.C. listed as Litteleton "Houghton". So far, I have not found that Moses Kidd was ever in S.C., but it could have

Later - (been on vacation) 25 Oct. 1987

been the families knew each other, or were maybe even kin, and perhaps James went back to N.C. and married Suzanne.

I forgot to mention that Quida Williamson's friend descends from the Christopher family. One of William Hooten's daughters married a Christopher - William was the son of James, Sr. and Suzanne.

I will look forward to hearing from you in regard to the Mormon records which you say connects our James to the Thomas of Virginia.

A self-addressed postage paid envelope is enclosed for your convenience.

I would like to have your group sheet on James Hooten/Hooton, Jr. and family, and any others in his family that you would care to share. Will be happy to share my records with you.

Sincerely,

Joanne

HOOTEN

James Hooten born 1790 in North Carolina and his wife Susannah Kidd came from South Carolina as a frirst settler in Henry County Georgia. He settled on Island Shoals creek in Beersheba District, about where the known Moses Hooten place is. (Ref: Tax Digest and court records.)

1850 Census records of Henry County show that there were several heads of Hooten families; but James Hooten was the oldest; William and Thomas Hooten next.

James Hooten, Sr. did not make a will. He deeded property to Moses and Littleton Hooten but did not name them as sons. He also deeded property to son-in-lawFRances Hayes in Newton County Georgia for love and affection.

Several older Hooten descendants have been interviewed but none know or have established James Hooten lineage. From the many Hootens who were probably his children, he must have had a large family.

It is to be remembered that his sons were of the age to have served as confederate soldiers and some could have been killed leaving no family records.

The following Hootens - are known to be the children of James Hooten, Sr.:

1. William #3 Hooten born 1814 m Margaret Brown and they were the parents of Samuel P. H 347 Hooten, William A. Hoooten - The grandfather of Amie Hooten and a large family. Information from a daughter of S. P. Hooten, Mattie who married Will D. Thrasher and now deceased; - is that the three brothers who were grandfather William, and and his brothers Moses and Enoch Hooten were the ones that she know to be brothers.

2. Moses Hooten (C. L. Elliott's great grandfather). His grandchildren can give information on him but no farther back.

3. Enoch M. Hooten born 1838 married 1856 Sarah Shaw of Jasper County Georgia. He was a Baptist Minister who lived in Pike County Georgia. He had a large family. James Ernest Hooten of McDonough was one of his descendants.

4. James Hooten, Jr. who married Mary Ann Odell. He is given as a Jr. No records besides 1850 census are found on him. Is this the Hooten line of James W. Hervey who is seeking information? If so, I would like to know if Littleton and James Hooten, Jr. and others left Henry County and went to Texas. (Check census records in Ala. I believe he moved from Henry Co. Ga to Ala.)

Alec Barker

5. Jincy D. Hooten was a child of James Hooten which is certified from court records. Jincy D. Hooten 1841 -1863 married 1856 Frances M. Hayes of Hayston, Newton Co. Ga. James Hooten deeded them land for love and affection.

Parmelia Hooten who married Phineas Fields, born 1819 - died 1904. A Granddaughter, Miss Ethel Fields knows that she was a relative of the Henry County Hootens, but does not know who her father was. If she married in 1844 she was one of the older ones and probably the daughter of James Hooten, Sr.

A daughter, Elizabeth, H. b. 4-19-1848 married W. P. Pollard Woodward. 4-15-1849 - 4-15-1917 A son, John Woodward, survives. T. 1-19-1880 - 5-1-1965

Happy New Year...Bah-Hum-Bug!!

Dear Joanne:

Hope I've gotten all the Sndx searches done correctly. The Library is very slow just before Christmas, so your timing was perfect.

To clear up a doubt in your mind....My husband IS a direct descendant. His most favorite grandmother was his Maw-Nannie, Nancy Lee Hooten, dau/ Enoch Milton and wife/John Thomas Jordan. They lived just down the hill from my husband's childhood home in Molena, GA and she spoiled him rotten!! I never met her, but she was very beloved and must of been a very special lady. I have a picture of her, and she bears a striking resemblance to MY mother!!

We do not have the 1910 GA Sndx.

The copies of the 'Morman Records' are as I expected. We can only chalk this up to 'beginners' and hope to keep this speculation from getting around as 'fact'. We fight this type of thing all the time at the Library. A beginner sees something in print and man! this is the truth...delivery me!! Have a good New Year. Let me know if I can help any time.

There is a new Kidd Fam. Hist. out. Maybe someone will give it to us. It costs $75.00!! We do not buy fam. hist.

The copies of the 'Norman Records' are as I expected. We can only chalk this up to 'beginners' and hope to keep this speculation from getting around as 'fact'. We fight this type of thing all the time at the Library. A beginner sees something in print and man! this is the truth...delivery me!! Have a good New Year. Let me know if I can help any time.

There is a new kidd Pam. Hist. out. Maybe someone will give it to us. It costs $75.00!! We do not buy Pam. hist.

Hello Everybody and Merry Christmas!!!

I thought I would tell you what has happened thus far re our Hooten family.

I finally heard from Sherrill Hooten, and he saw no more than I did in the Mormon records.

I got what I ordered from the Mormons and they are enclosed. As you can see, James, son of Thomnas and Suzanne Green Hooten/Hooton died 1873. I have not contacted any of the people who sent in these records.

I am having a terrible time with the people I have contacted who sent info to the library. They write one time, giving me very little, get what I have and then I hear no more. I have started limiting what I sent to them. Most have done very little research. I think they just use what family records they can find. None go back very far.

I can't understand why Sherrill wrote up that chart with ~~J~~ust authority when he knew (he said so) that he had no proof. That's why people are having such a time now. He has just started researching so that explains in some way. However, he should leave in question those things he isn't sure of.

He didn't mention the info he had incorrect re the children of James and Suzanne. I haven't answered his letter. Have been sick with a cold and trying to get ready for Christmas. Hope to finish some long past due correspondence today.

I have received some Kidd info from the Mormons also, but haven't contacted any of the people. From what I have, I can't see any connection.

Merry Christmas again and my best wishes to all,

Joanne Joanne

I think you have a duplicate on one of these forms. I goofed up when copying.

Vivian, would you please check some more index for me. I have the film ordered through the Mormons on some.

Check 1900 Texas for James Henry Armstrong, born 1830. He died 1903 Lamar County, Tx. On 1880 Lamarhis children were J.D. male born 1862, Al; M.S. (Martha born 1865 - she married a Cooper) born 1865, Al; J.A. male born 1873, Tx and M.E. born 1874, Tex. His wife was Amanda L "Mandy", but she died in 1888. James married someone else.

Check 1910 Georgia on my Hicks line again. I thought I checked Ga. but didn't while at Ga. Archives.

Check William J. Hicks, born May, 1864, Al - wife was Ida/Sarah I born Aug. 1867. Their children 1900 Polk Ga. were Jessie M. female, born Aug. 1894; Gussie W. female born Sept. 1895; John W. born May, 1897; Oscar E. born March 1899. I am hoping my g.g. grandmother lived with him. Check the actual census for me, as we don't have 1910 Ga. here.

NEWS FLASH!! I just recently found, I know, my g.g. grandfather's Hicks' grave on the farm he bought in Cullman County. It is said his wife died in Polk County, Ga. after 1910.

Check 1910 Texas for John Jasper Hicks, born 1846 - wife was Martha E. He was shot and killed by a jealous husband 2 Aug. 1916 - Atlanta, Tx. Sons were:

Charles Wesley, born 1873, married Catherine Ford
Emanuel Newton, born 1878, married Ruby Sweeny
Marbary Cooper, born 1890 m. ?

Daughters:

Allie Jane, born 1870? m. Charles Crow
Ella Mae m. 1876 m. Bailey Ford
Angie Matilda b. 1883 m Henry Lamar Knight
Daisy born 1886 m. William Robert Braswell

I have the 1910 Cass County census ordered.

Do you know where one can see copies of Texas papers? Can you inter-loan from any place. I would like to see the Atlanta, TX paper about the murder of John above. According to decendant (she is one of those Mormons who won't write back) he was killed 2 August, 1916.

See if a Robert Lokey and wife Louisa are 1910; Frank Hammet and Pearl; Carter Ashley and Sally. These are my g. grandfather's sisters. They went somewhere as they are not in Al. census after 1900 - the Hammetts left after 1880 and the Ashleys after 1900. Just check 1910 on these. Maybe they were also in Cass County.

Sure will appreciate this.

P.S. to Vivian - I hope I didn't dream this, but didn't you say in one letter to me that your husband is not a direct Hooten descendant. I thought he descended from Enoch Milton.

Happy New Year...Bah-Hum-Bug!!

Dear Joanne:

Hope I've gotten all the Sndx searches done correctly. The Library is very slow just before Christmas, so your timing was perfect.

To clear up a doubt in your mind....My husband IS a direct descendant. His most favorite grandmother was his Maw-Nannie, Nancy Lee Hooten, dau/ Enoch Milton and wife/John Thomas Jordan. They lived just down the hill from my husband's childhood home in Molena, GA and she spoiled him rotten!! I never met her, but she was very beloved and must of been a very special lady. I have a picture of her, and she bears a striking resemblance to MY mother!!

We do not have the 1910 GA Sndx.

Dear Vivian,

Thanks for checking the indexes there for me.

Would you please check a few more?

Refer to your letter of 25 December, 1987 (egads! you wrote on Christmas day!), copy attached, and go to the census reel, and get how many children they had living and dead - that's in reference to Frank Hammett family. I ordered the 1900 Lamar, and found them there. On the John Halhcoat on this same census, what does "AD" stand for?

Please go also to the Grayson County for John Hicks, and tell me how many children they had living and dead.

By the way, the University of (oops!) Texas checked some papers for me re the murder of the above John Hicks. They didn't have any Aug. 1916 Atlanta, Texas area papers, but they did check the Grayson area, and could not find anything. They did send me the obit of his wife, Martha E.

Please check 1900 and 1910 Texas for Charles Crow, age unknown, and wife Allie Jane, born 1870 Al.- children unknown; 1910 for Charles Wesley Hicks, born July, 1872, wife might be Mary A. born 1875 or Catherine, b. ? He was 1900 Cherokee County, Al., and children were Ethel, born Aug. 1896, Al and Elliott (might be also as Edwards) born Sept. 1898, Al.; William Robert Braswell, born ?, wife Daisey D., born 1885/86 - need just 1910 on this one. Would appreciate your going to reels, and getting me years married, and number of children living and dead on all these.

I have been working on the Hooten family, and am trying to get something typed up on them. Before I start, I am reading some more census. I have 1910 Henry County, Ga. ordered.

Do you have group sheets on the children of Enoch Milton? If so, would you send me copies?

If you don't, perhaps you can give me some information.

1. What was the first name of Mary C.'s husband? His last name was Dixon.
2. Who did John M. marry?
3. Who did Lemuel marry? I have her first name as Lilla F.
4. Who did Joseph marry?
5. Who did Willis/Willie M. marry?
6. Who did Susie marry?
7. Did David/Dewitte marry Lula Anderson 13 January 1895, Jasper?
8. Who did James J./L. marry? I have her first name as Martha.
9. Do you have any census on Encoh's children? These are what I have: 1880 Pike p. 2 for J.L. Hooten; 1900 Pike for General D. Dominick (the two girls were not with him. Do you know who they were?); 1900 Pike, p. 149 Lemuel Hooten; 1900 Pike p. 189 John T. Jordan.

Do you know name of Cemetery where Enoch's children are buried?

By the way, one picture of WWI Hooten that I photoed at the Henry County, Ga. courthouse was the son of Lemuel. He was Roswell D. If I did not send you a copy, and you want one, let me know.

I wrote Etowah County, Al Department of Health re a death record of Emily Jane Hooten Hunt. One was filed, but gave no parents. I have since written the state to see if they have anything. Keep your fingers crossed.

Have Lamar County, Cass County and Grayson County Texas cemetery records been published? If so, I will probably want to buy Lamar, but right now, I would like to have all those buried at Hughes Springs and Harris Chapel in Cass County, and all those buried at Gordonville Cemetery (that might be a Church of Christ cemetery) in Grayson County.

I think all this will pretty well get me settled on my Texas needs.

If those cemetery records are available, you let me know the copying expense.

About Texas newspapers. something in SOURCE telling where one might find papers there. We don't have any of the books mentioned here.

I thought I had told you about the Kidd book out. I wrote the author to see if our Suzanne was mentioned. She wasn't. I also mentioned the John Kidd who lived in Randolph County, Al by my Littleton and the Hunts. The author told me that this John was a son of a Moses Kidd from Chatham and Moore Counties, N.C.

I haven't ordered the book - the price is a little high I think. The book is not at Georgia Archives. A Kidd researcher in Georgia is trying to find a place to see a copy before we buy it.

The Kidd researcher descends from Gilliam Kidd of Coweta County, Georgia. The author of the book said John Kidd had a son in Coweta, and Gilliam was the only one there. The researcher did not know if the old John in Randolph was Gilliam's father or not.

I just feel sure the old John Kidd in Randolph was kin someway, and if his father was a Moses, then that name makes you wonder if Moses was Suzanne's father. As you know, we think old Littleton Hooten was in Moore County 1890 as a "Houghton".

Perhaps the Hootens knew the Kidds in N.C., and James went back there and married Suzanne.

I have written S.C. Archives to see if I can buy any of the Darlington records on film. I want to check early deeds to see if I can find James. Maybe his dad gave him some land, which he sold before coming to Ga. From what was sent to me from there, old Littleton didn't have any transactions with James or any other Hootens.

I know that I can borrow these through the Mormons, but I end up extending my time on all the film that I order, so I could buy a reel about as cheap, and give it to a library later - can take that off of taxes too!

When I hear from the death certificate re Emily Jane Hooten Hunt, I will let you know.

Best wishes,

Joanne

DEar Joanne:

Your Hooten flash was very informative. I was just green with envy because I knew how much time and effort you are putting into the Hooten research, add I just wish I had gone on and retired this spring instead of next spring. To have the luxury of doing research as long and as hard as you want. I do mine, what little I do nowadays, in spurts... between breaks, the last part of my lunch hour. Very frustrating.

We are leaving in the morrow for a vacation. Naturally, I'm going into sections of the country where I just HAVE to do research. Kansas, for one of my son-in-laws people, and Kentucky for the other son-in-law.

We have a daughter in Wichita, KS now, so I had my plans all laid out!!

In answer to your questions, as best as can at this point, Joanne.

We have v 4 of the Georgia Armschair researcher and maybe 1 or 2 issues from other years. Tell me what to look up and I will.

The 1860 and 1870 Indexes for TEXAS are both out and really it is just terrible how sloppily they were done. Many, many names left out or completely misread (amateurs)

The enclosed $$ what I found from the index. No 'Malvina' at all.

Must run and get to bed, a long day tomorrow and I still have to pack.

Hello Everybody,

Thought I would let all of you know how I'm coming out with the "Hooten History" I am in the process of compiling.

I have ordered, and received, three rolls of Henry marriages, and the general index. All are a big disappointment. The index does not include some of those I have found in the three reels of marriages, and some are (just as I suspected) listed as "Hortons". The three reels of marriages are indexed by male in the front of the books, some of the names I cannot read, and the actual marriage records in many places are so dim that I cannot read.

I also ordered from the University of Georgia, one reel of the HENRY COUNTY WEEKLY, which covers years Sept. 1888 to Sept. 1896. And where else could one find, but in a small town and old newspaper, that Sandford Hooten, son of Moses, was the father of a 10 lb. girl in July, 1889, or that in February, 1891, Phineas Fields (the paper always referred to him as "P. Fields" - don't guess they could spell "Phineas") had fodder in his barn that was 25 yrs. old.

I tried to borrow some more reels from the University of Ga. re Henry papers through Samford University, but they won't interloan out-of-state libraries. They have before but I guess they changed. Anyway, I have ordered two more reels, # 1, covering years 21 Feb. 1879 to August, 1888, and # 5, covering November, 1903 to March, 1907. I have also asked them if they would reconsider interloaning if I will put up a deposit for the ones ordered, and pay the postage - keep your fingers crossed.

In the reel that I ordered, I found all about the deaths I know of, but one. That one was for Cary Hooten Lewis, but two issues around the date of her death were missing.

Later, I'll tell you some things I have found in the paper, but first the big news is that Sherrill Hooton has thrown up the white flag in that our James Hooten of Henry was the son of Thomas and Suzanne Green of Virginia. (little humor there, Sherrill.) He wrote to the person who submitted the info to the Mormons and got the family of James, son of Thomas. This James married Lucretia Hendrix.

Next, the Elizabeth, wife of Pollard Woodard, was not a Hooten, but a Fields. On the 1900 Henry census, page 156, is Pollard, born April, 1849, and Elizabeth, born April, 1848. This is the same Woodard I have found was W.P. and William P. Also in the 17 Oct. 1890 paper, "Mrs. Pollard Woodward visited her father Mr. P. Fields, Sr. Sat. and Sun." CHANGE YOUR RECORDS THAT THIS ELIZABETH WAS THE DAUGHTER OF JAMES AND SUZANNE HOOTEN.

I think I'll give the following information, starting with the oldest child of James and Suzanne and tell you what I have found. Some was found at Alabama Archives re the Rev. ~~Moses~~ Enoch ~~Hooten~~ Milton Hooten Family.

Cary Hooten Lewis, wife of Rev. Henry C. Lewis: I didn't find her obit. as mentioned above, but I did find his. Also, to those of you I have sent a group sheet on this family, change that their son, John W., was killed in the CW. In the Henry paper, 7 Feb. 1896, John W. was visiting in Henry. He had went to Minn. thirty years before, had been on a tour of Fl., and was very wealthy. The article mentioned he was the son of Uncle Henry Lewis, who died several years ago. I also think one of Cary's daughters, Martha F/E married ~~Joseph B. Grant~~. They are buried at Mt. Bethel. I have also found more on their, daughter, Elizabeth, who married Wm. Robinson. Back to the Grants.. there is an interesting article in HENRY COUNTY, GEORGIA LANDMARK HOUSES, Vessie T. Rainer, about the house owned by two granddaughters of Joseph and Martha E. Lewis Grant. They were the daughters of Benjamin J. and Nannie J. Stallsworth Grant. The article (two pages) gave a description of the house, and how it was decorated for Christmas. ~~The daughters were Eldora Grant Jones b. Aug. 1893, and Mrs. Hazel Grant Sullivan, who was born after 1900.~~ A dau. of Cary Hooten Lewis, Sarah, married William P. Norman. One of the Norman boys, Alanzo C., married Letitia Bryans, served in the Georgia House of Rep. for Henry, 1923-34-1943-1943. Saw that in Henry County book also by Mrs. Rainer. I have written to Ga. Archives to see if a Biographical Memoranda is on record there for him. I know at Al Archives, many are on our House and

Senate members.

William Hooten married first Frances Anderson Brown: To those of you that have Mrs. Rainer's book on the history of Henry, p. 236, change that Margaret Walkup Hooten DeLamar had only one child. She had three, the Fanny mentioned, Virginia, born 1859 and probably died young while they were in Ark., and Willie S/William, born 22 Aug. 1861, died 19 Sept. 1889, buried at Hooten/Rock. He married 25 Dec. 1881 in Henry A.N. Thornton. I found his obit., or rather a record of his death. He was shot and killed by a railway guard in Atlanta while he was trying to break into a loaded car. He said before he died (he bled to death) that he wasn't trying to rob the car, but only to get in to hitch a ride to McDonough to borrow money so that he could try to get a job driving a street car in Atlanta. The article mentioned a wife, but no children. Change on same page that Nancy Ann Elner Hooten, dau. of William, married Frank M. Hester. It was Sarah Suzanne who married the Hester. The Hesters were 1870 and 1880 Newton, but later came to Henry. I found in the paper where they were selling their farm in Aug. 1883, and going to Fl. They were in Fl. by Sept. 1891 when a dau. Nettie, was visiting in Henry. Nancy Ann Elenor married Zackery L. Thompson. I lose the Thompsons after 1870 Henry. I think I may have overlooked them, as a Zackary Thompson had paid his subscription to the paper in 1888.

I note on the Bible record for William Hooten that Mrs. Rainer gave me, that Sarah Suzanne was not on it. So maybe she was using the process of elimination, and just guessed that it was Nancy A. who married the Hester. I later found another William Bible record at DAR in D.C. (I think) that had Sarah Suzanne on it. It appears to be the same record, so I guess who ever copied it for Mrs. Rainer, or even it might have been her, Sarah's name was not copied. Sarah Suzanne does appear on the census records with William.

I think William, son of James, was married twice after Frances' death. The second time to a Rebecca Smith on 7 Dec. 1865. I don't know who this could be unless it is him. An additional wife for him was Elizabeth Smith. She had previously been married to Alexander Smith, and was nee a Johnson, dau. of Matthew. The Pity, born 1860, on the 1870 Henry census with William and Elizabeth was not a Hooten, but a Smith. The Zenla or Zena, born 1869 listed on the 1870 was a Hooten. These two children are on the 1880 Henry census with Matthew Johnson and wife Matilda, listed as "Peru" (I think) Smith, born 1861, g.d., and Zela Hooten, born 1869. Some Shaw grandchildren were also listed. Evidently, Elizabeth died between 1870 and 1880 also. I did not see in the general index of Henry marriages where a "Pity/Peru" Hooten was married - I also checked "Horton". Correction - that should have been "Zenla/Zoula Hooten.

Martha Jane Hooten who married John Harkness (killed in the War) married second Joseph McEver. He wrote about her death to the Weekly in Jan. 1890. She died 19 Dec. 1889 in Pauling Co. I found them 1880 Paulding, but did not see 1870. I don't think she had any children by Harkness, but at least one by McEver, who was James E. born 1878. Joseph had been married before, and I think his wife was the daug. of John Hunt, and sister to Moses' wife. She was Mary Caroline Hunt. I have written the Miss Myrtie Hunt who gave me all the Moses Hooten records some years ago to see if she knows anything.

William A. Hooten, son of William, got in the paper a lot. One time he was agent for a book, "The Life and Times of George F. Pierce". He was for many years Supt. of Sunday School for Mt. Bethel, and Pres. of the Farmers Alliance Thank goodness, one time he had a candy pulling, and I got the name of another man who a dau. married, or rather his last name. Good thing too, because this marriage was listed in the index as "Horton". It was Carrie Frances who married Samuel J. Cowan. They were living in Piedmont, S.C. when he had the party, but came back to Henry and are buried at Mt. Bethel. I found a lot on the family of Annie A., William A.'s dau., who married William Burell Jarrell Ingram, also in the house book by Mrs. Rainer.

Malvina married John Beasley - nothing further on her - stuck with 1850 cencus. Need to check 1860 Texas Index - I believe it is out now.

Littleton married Martha Ann Johnson - that's my line, and I have all the Al I can find on them, and their children.

Permelia married Phineas Fields - nothing more on them except what I told you at the beginning. I have found some additional census records and marriages. Lois sent me some of her records, and she is helping with some census index work, and also will check Library of Congress to see if that Kidd book is there - you know the one that costs $ 73.00.

Moses married first Nancy A. Hunt: Nancy's obit was in the paper, and Rock/Hooten was called then "The Old Flowery Burying Ground" near Mrs. Bledsoe's place. She died with heart failure as she had just set down to the dinner table. She was everybody's friend, and had been in declining health only a short time before her death.

Enoch Continued: I found the 1910 Pike census for John Thomas Jordan and Lemuel Hooten. Also 1910 for General D. Dominick, husband of the late Minnie E. Hooten, dau. of Enoch. He had remarried, and his two daughters by Minnie were on the census. Dominick was a lawyer, and from HISTORY OF PIKE COUNTY, GA., Lizzie R. Mitchell, G.D. Dominick served in House of Rep. for Pike 1927-29. Will write Atlanta Archives on that if they answer me on the other one. Sometime, they won't check certain records. In this same book, and in 1888, E.M. Hooten was one of the first councilmen for the city of Concord, chartered in 1888. Same book, mentions Roswell Hooten, son of Rev. Lemuel, dying in service. I have his picture from another book. Roswell is buried at East View Cemetery - must see where I can find those records to see if others are there. I still don't have anything on Mary C./ Emma, dau. of Enoch, who married the Dickson. I was in contact with one of his descendants, D. Grant Haynes, South Ridge Drive, # 37, Canyon, Tx., 79015. I wrote him just recently for his family record, but my letter was returned - he had moved, no forwarding address. Vivian, I believe you put him in contact with me. Do you have another address on him? Check the Houston phone book for him, and, Sherrill, check the Dallas book. He might have moved into a bigger city. He was suppose to have sent me a group sheet, but he never did. Vivian, perhaps you know who Mary C./Emma married. Would like to have your group records on Enoch's immediate family, and whatever else you have later.

Not listed

Jane "Jincy" Hooten married Francis Marion Hayes. I only have a record on one of her children, the boy, James Luther. One daughter Sarah A. might have married John S. Cowan. Guess I will order the Newton Marriages from the Mormons. Lots of the Hootens went into Newton, but I haven't found them there Census here goes to 1900.

Back to Enoch
Found also in the HISTORY OF MERIWEATHER (can't find the pages copied) a picture of the street that included drug store of Dr. John M. Hooten, son of ~~Moses~~ Enoch. Mentioned in one place he was an early settler of that town, nothing more.

Think I have told most on this, and Quida knows already since she gave me the information. She also sent me some Hooten records on which she had compiled. Anyway, for those who own the copy of the Henry County book, page 232, first column, Andrew Pickens, Jr. was not the father of Margaret Pickens who married Capt. James Walkup. Margaret's father was Israel Pickens, a first cousin to Gen. Andrew Pickens, Jr. As most know, the Walkup family is part of the Frances Anderson Brown m. William Hooten family. You might want to be aware of this in case researchers in the William Hooten family might contact you.

I guess this is about it, and I know you are glad. I have asked Ga. Archives and Georgia Historical Society to copy for me some Henry cemetery records. Mrs. Rainer sure left off lots of people. I have also asked Joel Dixon Wells of ARMCHAIR RESEARCHER, now GEORGIA ARMCHAIR RESEARCHER, if he has anymore that have not been published. We don't have all of his periodicals here, or me, so I couldn't find out from that. Vivian, does your library have any after Volume II? I have also contacted Miss Hunt again in McDonough (she is 88 now) to see if perhaps she clipped old obits. If so, I will have a private researcher to go by and take them out for copying. I have also contacted this researcher to see how much she charges, and will, no doubt, have her copy some obits for me, especially the ones of James L., James E. Hooten, and Susie O. Moore.

Oh, I also asked Atlanta Historical Society (not Georgia, as mentioned) to see if they have any Hooten names in their family records. I understand they have lots that lived around Atlanta, and some of Enoch's family did, as well as some of the family of Samuel Pickens Hooten and John Hooten, sons of William.

Back to the paper: Samuel Pickens Hooten put up a large new engine at Frisky and put his gin in order for the season, 19 June 1896. Ethel Fields one of best organist in county, 6 March, 1891. She was the dau. of James Thomas married Mary Jane Copeland. James Thomas son of Phineas and Permelia Hooten Fields. In 1889, James Thomas also brought his little girl (would be Ethel) to attend school at the Institute for the ensuing term.

As you can see, I have been going wild over this reel of papers. I was really elated when I found an article on my g.g. grandfather, Hiram Lester. Gave two pictures - one I had seen before. It was the first interview with him about being so old. He was later at the fair as the world's oldest man - all baloney. The Dr. Lee who interviewed him was the "Divine" who was supposed to have performed his marriage at the fair, but when he found out they would charge 10 cents per head, he would have no part.

I'll probably be in the nursing home before finishing all this.
My best to all, Jramm

Gosh, thirty lashes for me!!!! Got the Darlington Deed Indexes through the Mormons, and there was a deed where a James Hooten bought from Susannah Gee et al 8-1-1818, recorded 3-31-25. Didn't see one where he sold. There were more on old Littleton. I have all Hooten deeds ordered from S.C. Archives. Wrote to Darlington County, but they referred me to S.C. Archives.

Moses Hooten continued - Moses' second marriage made the paper - RAPE LOCALS: 18 Oct. 1895 "Uncle Moses Hooten and Uncle Wiley Wright both have married right recently. Good gracious, boys, we must get a move on us or quit one. This one will never do." (Anybody over 35 was called "Uncle", and the writers just loved to use the word "clever" - just about everyone that way was "clever".) The only bad thing I have seen.....yet, was re Jesse Hooten, son of George William, son of Moses. He shot Lode King (4-12-1895 paper) in a dispute over a buggy robe. It was settled o.k. though. King might have been his brother-in-law, Marion L. King, who married Barnie Hooten.

Hopefully, the obit for Moses will be in reel # 5 that I have ordered. Also, in reel # 1 are some Henry County family histories per Mrs. Rainer's Henry Co. book. She might have used all of them in this book though, and I might have the same in some early Henry history found at Ga. Archives. This history did not mention our Hootens - naturally.

James Hooten married Mary Ann Odell and went to Texas: Sherrill has shared a very good record on them from his "puter". This is just a thought, but the name "Manson" used in the family of James, Jr., might have come from Dr. Francis E. Manson. Dr. Manson married Susan D. Hunt, an aunt of Moses' first wife, Nancy Hunt Hooten. Info on Manson family p. 111 of Henry County book. He might have been the Hooten's doctor.

Suzanne Hooten married Daniel McNair (killed in war) and second Jarrett P. Weaver of Butts County, Ga.: Nothing further except that I noted in the

13 Nov. 1891 paper that the last party charged with complicity in the Thomas McNair tragedy had been acquitted - he was J.B. Willard, and three others, not named, had been acquitted before. I looked in Bob Davis' BLACK BOOK, VOLUME I and there was an item that one Thomas F. McNair was murdered by persons unknown on 13 May, 1887 in Butts. Susan Hooten McNair had a son named Thomas F. and he did live in Butts. I have him through the 1870 census for Butts, but didn't see him 1880. I checked 1880 sometime ago, so I will recheck that. Also, the reel # 1 should give something, as the paper said they had been following the case. I have not read reel # 2 in its entirely, but have been on the look-out for something else. Back then, they just put everything together, and very few headlines. According to Bob Davis though, something more is at Ga. Archives on the items appearing in this book. Special Note: - I have not confirmed that Suzanne was a dau. of James and Suzanne, but I am including her in my history but in question.

Emily Jane Hooten married Francis Marion Hunt and went to Randolph County, Alabama: I think I told most that I got her death certificate (she died in Etowah County, Alabama), but it didn't give her parents' names. She had a great-granddauther, Maudie Hunt Wright Stephens, living in Arab, Alabama. I have written her, but she will not answer. I will be up that way soon, and will see if she knows if her Hootens might be kin to ours. I thought Myrtie Hunt told me she was a sister to Moses, but later I found a letter from Myrtie and she wasn't sure. However, I am including the Hunts in my Hooten History, but in question.

Enoch Milton married first Sarah C. Shaw and second Almira M. McDaniel: We went on vacation a couple of weeks ago, and I just naturally arranged for us to go by Al Archives. I checked the Hooten file there, and found just gobs. I found the obit of his son, Curtis McDaniel Hooten. It gave the married name of Susie O. Hooten, his half-sister. She married a Moore, and was living then in Atlanta. I found a marriage for her in Henry marriages - married 24 Feb. 1897 to Hampton A. Moore. I found the 1900 and 1910 census for them in Henry. Both are buried at Berea Christain in Hampton. He is in one of Mrs. Rainer's cemetery books. I later found a very complete listing of this cemetery in ARMCHAIR RESEARCHER, VOL. I, # 2, June, 1980, and found her. She died 28 Dec. 1963. Curtis M. Hooten died 1 Sept. 1953 and is buried at Elmwood here in Birmingham. His brother Hoyt Moses, and sister, Charlotte A. Green, wife of Elbert P. Green, were living at the time. I can't go there by myself to check tombs, and one almost has to have an army of guards for protection. I think I will go to the office, and see if they will give me a listing of all Hootens, and also check for the Greens. Then I will check the obits in the Birmingham papers. I found at Archives lots of my own Hooten family, and I think some of the children of Hoyt Moses Hooten.

And of all things (I'm almost sure on this), I had wondered for years who the old James Hooten was buried at McDonough City, and who the Mayor James E. Hooten there was. Well....James L. was son of Moses, and James E. was probably his son. James L. married a Milner, and her dad was Rev. John Holmes Milner. There is an article in the Baptist book also about Rev. Milner. James L.'s wife was Martha "Dixie" Milner.

Dear Vivian,

AND MERRY CHRISTMAS TO YOU, TOO!!

It does my heart good to know there are others like me!

The Hooten book is on the back burner right now - I am working on the Kidds, as I wait, and wait, and wait, on the guy in Darlington, S.C. to send me the Sansbury records.

He sent me the loose papers on Littleton, but nothing new. I will write all on that later.

Thanks for J. Douglas Hooten's name and address. I haven't contacted him yet, but I guess if he knew anything about ours, he would have told you.

Have I told you that in a deed where the Sansburies sold the land that old Littleton willed to their son, Cowan Littleton Sansbury, that old Littleton was mentioned as "E. Littleton" Hooten? Now, do you suppose he comes from that Elijah Hooten?

Have I told you there is a Kidd book out - 73 pages for $ 75.00?

Have I also told you there is a Kidd Newsletter being published? Info attached.

If not, I sent the Kidd book info to Helen Kidd Lawson, who publishes the newsletter, and she wrote the author. I had already written the author, but she said no record of our Suzanne KIdd Hooten in it.

I told her I thought there was some connection between her and the old John Kidd who lived around my Littleton Hooten in Randolph County, Alabama and around his possible sister, Emily Jane Hooten Hunt, wife of Francis Marion Hunt.

I also mentioned that I thought our Suzanne's father might be the Moses Hooten in Chatham County, N.C. Also, that Littleton Hooten, the old one, might have been 1790 Moore County, N.C. as Littleton "Houghton" - otherwise, 1800 on Darlington, S.C.

She told me the old John in Randolph was the son of the old Moses in Chatham/ Moore records.

Hazel has found, through the newsletter, that the old John in Randolph is hers thus she wrote Dorothy. Dorothy told her that Moses' wife was a Cary Power. * HOW ABOUT THAT CARY!!! Suzanne and James named their first daughter "Cary".

I noted in the Morgan IGI Index, where one Cary Kidd married John S. Lane, 9 Oct. 1824 Chatham. I looked up the 1850 census for her (which has just disappeared since yesterday), and the Cary named her first dau., "Suzanne". Don't you just know there is a connection?

I can't ever get our Hootens there though. There is not one sign of a Kidd in Darlington Deeds, Reverse and Direct, or in the estate index.

The only thing I can still think of is the Hootens knew the Kidds when they were there, or had some kin there, or maybe even kin, and James went back and married her - that is if she was Moses' daughter. She certainly fits on the 1810 census for him, as well as the Cary Kidd Lane.

Dorothy also informed Hazel that old John Kidd's wife was Sarah Shepherd Ruffin - the Mormon records had showed her as "Routin", but Hazel thought it might be "Roughton". Anyway, Dorothy thought of something while writing Hazel and looked in her Ruffin records, and there was a record there by James Alexander Kidd, son of the old John. Actually, Dorothy refers to it as a transcript of 1893 containing his (Jame A.) genealogical data.

Just keep your fingers crossed that it contains something on the Hootens.

* yesterday, I copied all Kidds 1850 Chatham, N.C. All had "Caries"!!!

Hazel has written ten of us to see if we would be agreeable to going in together to buy the book, and each get a copy, which she, Hazel, will make. She was writing Dorothy too to see if agreeable with her.

Dorothy has no Kidd kin, but did some research for a person, and got interested and did more.

Does your library have any published Chatham or Moore County, N.C. records? We don't here.

I had photo copied what records are available for Chatham through LDS, but had not ordered any. I will wait now to see if I get a copy of the book to see what she has done. Actually, I'll probably go ahead and order some, as I like to make sure.

In one issue of the newsletter, there was a picture of the old John and his son, Luke Gibson Kidd, Hazel's descent from John. I sent in a picture of Enoch to see if he favored. Hazel published the picture.

Do you have a copy of it? I only have a photo copy from Embry Hooten, his grandson, who died shortly after I met him.

Look at his big hands. Embry said he was also a carpenter. I had never heard that.

Now to you, dear lady. You have never sent me any Hooten material expect your husband's lineage chart. Send me what you have on Enoch and also any of his children, especially the Jordans.

By the way, the Jordan I found in Pike still has not sent his records to me.

Did you know there is a new book being published on Pike? It should be mailed before long, as they wrote about two or three weeks ago for the rest I owed. I think it will also include all Pike Cemeteries. If you have not heard and are interested, I will send the info to you.

They wrote for me to submit a family, but I don't have anyone there, and didn't really know that much then about Enoch and family - I do now!!

I went over to Georgia before Christmas, and walked over some cemeteries and found a few more names. Also worked a day or more at the courthouse, and found gobs on William, son of James.

He did, as Mrs. Rainer (Henry's Historian) told me, go to the state mental hospital. He died there, but I never did learn if they picked his body up or not. There is mention in his estate settlement, where his son-in-law, Francis Hester, had a bill for taking him there, but nothing in his estate records showing expense of funeral, etc.

The records of the Mental Hospital at Milledgeville (Baldwin Co.) said he was like he was due to loss of property and something else I can't think of - now that document has disappeared!! I think there must be a spook around here someplace.

Well, anyway I found through William's papers who the daughter by Elizabeth Johnson Smith married - A Gaston and lived Cobb County. No, that was through Samuel Pickens' obit. I did find who William's Mary married through his estate papers, a Green, but haven't found his or Gaston's first name. They did not marry Henry. Mary lived with the Hesters 1870 or 1860 Newton, so she could have married there.

When William got sick, he went to the Hesters and Elizabeth and the dau. went live with Matthew Johnson, as Elizabeth was ill too. Evidently, she died before William, as she is not mentioned in the estate papers.

I have just gobs of Henry papers from Univ. of Ga. on film, and found Matthew Johnson's date of death - didn't say where buried, but lived at Stockbridge. None of the names in his family are in Mrs. Rainer's cemetery books.

While in Ga., I also went to the Univ. of Ga. and read papers - I was in "hog Heaven". The machines were all out of shape, and it was slow, slow researching there. So many files, I would forget where I got the papers, and have to consult the index often - you have to use two indexes. Too, I wanted to photo copy them, and that took up time.

I found in one Henry paper that I have where Moses Hooten made the statement he and his family came through Augusta, Ga. about 1824 - that's about what I figured, but if Moses was the age I have for him, he wouldn't have remembered, but he said he did.

Lois in D.C. still hasn't sent me the 1910 census I need. Maybe she will when the weather gets better.

I have two or three rolls of newspaper film I need to read. Am planning on getting my own reader soon.

I might even publish something from them if there is a market for them. I have lots of Butts papers too. Both give lots of deaths, etc. from other areas. I understand there isn't much of a market for just things in one county, re papers.

You might know I want something else. It is below if you can help. I am working on the Gaines family for Hazel Lawson, and the Mize family for my step daughters.

I know you are busy, busy, but would appreciate anything you can do. If you can't check these for me, just let me know.

As ever,

One Joel Mize, 5005 Georgi Lane # 27, Houston, Tx., 77092, wrote St. Clair County, Alabama Archives in 1976 re the Mizes. Do you have anything on file for him. Also check the Houston phone book to see if he is still there. I haven't tried to write him. He didn't give his lineage or anything to St. Clair.

Also, a lady in Attalla, Al sent me some Gaines stuff from your library. She never tells where she gets things or who compiled it. It came from Cabinet # X 37 5 Drawer 6, Microfilm rolls 1319536 and 1319537. Two pages were enclosed re William Gaines born ca 1755, died 1804, Abbeville, S.C. V1+2 (GLASS) V 2+3 (Glass)

Who put it there and is there any record of his possible son, William, who married Sarah Bigby, and came to St. Clair Al., by 1840. Also anything on this last William's son, Marshall T. married first Nancy Lee and second Elizabeth Susanne Hill. They lived St. Clair and Etowah, Al.

The contact in Attalla gave me the name of one Ira Malone, 12746 Huntingwick, Houston, Tx., 77024. He descends from Marshall T., as does Hazel. I wrote him several weeks ago, but he hasn't answered. Do you know him, and does he have any records there? — yes

Any little bit will help!

One more...Do you know Dr. Marcus Key? Five years ago he was Chairman of Industrial Medicine, Texas Medical Center. The address that was given to me for him is 2232 South Piney Point Rd., Houston, 77063. He is working on the Key family.

See if he has anything on file re a Burrell J. Key, born 1814-1820 Ga., parents unknown, m. ca. 1846/47, probably Randolph County, Al., Martha J. Rigsby, born 1828/1830/32, Ga., and probably the dau. of John and Mary "Polly" Blair Rigsby, my g.g. grandparents. The Keys are not a direct line, but just trying to learn if Martha was the dau. of John and Mary Rigsby. These Keys were 1850 and 1860 Randolph County, Al. 1850 they lived next door to John Rigsby, also next door 1860. 1870, I don't know where they were, but 1880 and 1900 Carroll County, Ga. They are not in Carroll County Cemetery book, but some of their children are. I know Martha was a Rigsby from two of her children's death certificates.

I have not written Dr. Key yet.

Dear Vivian,

Got your letter, and hope you had a successful "bone" trip. That's what my husband calls genealogy.

By being nosy re that McNair murder I read about in the Henry papers, I ordered two rolls of Butts papers. The Henry papers didn't tell very much, so I thought the Butts would go into more detail. They told a little more, but never mentioned the possible motive. A lady in Butts (no kin re Hootens) said she heard the KKK was involved. I have found prior to murder, that Thomas and a black were arrested for robbing a store - one owner was a Welch, and a Tom Welch was one of the ones tried. The black said Thomas McNair made him watch while he (Thomas) robbed the store. Of course, Thomas denied it, but said he was with the black that night. The only thing the Butts paper said was that McNair was a desperate man, but didn't deserve to be murdered.

The lady in Butts gave me the name of a McNair descendant, and I have written. Would you believe that a son of Thomas, James, was also murdered. He was a law man, and killed in the line of duty.

I can get Atlanta papers on interloan from Atlanta Library, so I am going to get those papers to see what they say.

By the way, Univ. of Ga. would not interloan even if I put up the necessary deposit for each roll requested. Said their patrons used them too much.

Well, anyway, by being nosy, I found some goodies for you in the Butts paper. One, Sarah Shaw Hooten's obit, and I tell you when I read it, I had to get up from the reader, it is so sad. Also found Enoch's second wedding, and reception, and marriage of his son, Enoch L.

All these enclosed. There were more little things about Enoch, mostly what a fine speaker he was. When I organize these, I will send. Some, I copied by hand.

When we went on vacation a few weeks ago, I stopped by Alabama Archives, and copied some more Hooten stuff from the "Family Records". I found the obit on Curtis McDaniel, son of Enoch, copy enclosed. There was also one re Hoyt M., Jr. which was supposed to have been in the BIRMINGHAM NEWS, but I couldn't find it. I only made notes at Archives, knowing I could copy from papers here.

I checked Birmingham City Directories and noted that Elbert P. Green, who married Charlotte was a Dr. By the way, she was a nurse. Seeing this, I thought perhaps he might have left and will, and he did. I did not copy, but just made notes. Jefferson Courthouse charges $ 1.00 per copy. I looked up his obit, and there it was with a picture, and am sending this. Don't know why I didn't check to see if Charlotte left a will. I think I looked this up right when I had to leave. I copied all Hooten Marriages while there up to about 1970.

All these Hootens, plus some in my own line are buried at Elmwood here, which is a biggggggg cemetery. My husband and I went over there one Sunday afternoon. The office was closed, but we drove all over the place. I didn't see one Hooten grave or any Greens. I will go back and see if they will let me see the cards. They have in the past. One doesn't dare try to walk any in cemetery, as there are so many robberies there. I will check later to see if I can find Charlotte's will and any others.

I have written BIRMINGHAM NEWS "Good Neighbor" column for info on these Hooten and others. They haven't published my letter yet. Probably will while I'm gone, and if anyone calls, they won't call back.

Before I forget it, note the enclosed page, and make corrections. Re the Lewis/Grant marriage, I just knew I had all those Lewis girls in Henry figured out, but I "goofed".

Re the Lewis family - a contact in Henry (no kin) gave me the names of two descendants of Cary and Henry. I think they are sisters. I wrote one, but she hasn't answered.

I ended up finding the obit of Cary Lewis. No children named - just a short article on her virtues, etc. (as usual). At least we know they were all excellent people.

I had a researcher in Henry to do some work for me - especially to read some obits, but the ones I requested were not in the papers. I just wonder if she knew how to check the papers. So far, I have found all that died within the time that I have the papers on film - three rolls re Henry.

I will probably go later to Univ. of Ga. and read some more - late this summer or early fall.

I wrote Mormons for all the sheets submitted on Henry Hootens. A Vance Hooten, a grandson of James, Jr. filed some of them. On one, he mentions the Archibald who married Elizabeth Lindsey in Henry as being a 1st cousin 5 times removed. You will recall that I think this Archibald was the son of the old John who settled in Randolph County, but died Tallapoosa County, Al., and that he probably a brother to James m. Suzanne Kidd. Vance also mentioned John Hooten m. Rebecca Messer in Henry 1844. I don't know who he was unless a son of Thomas, possible brother to James. I don't have any census records on this John. Vance said also he was same kin.

I have written Sherrill to see if he can find out how Vance knew this. Without looking at the records Sherrill sent, I am sure Vance is dead by now, but maybe some of his family has their notes. I know his wife was Mormon, (I have her obit) but I don't know about him. However, the sheets were submitted in his name. On the other sheets received, nothing but what we already know.

I finally heard from S.C. Archives re all the Hooten deeds I found in the index and sent cost. I first sent request directly to Darlington, but the old books are at Archives. I'm pretty sure from these, we'll learn who maybe another daughter of old Littleton married.

Back to Enoch's family. I found mention of deeds in Coweta County (at Mormon Library here - Index A-K and stays here all the time) of Enoch L. and wife, and then some just for wife, and some re Mary Milner Hooten who married George Milner, son of James Luther, son of Enoch. I wrote Coweta for wills, but none.

I wrote Meriwether County for will of Dr. John M., son of Enoch, and they had one. Copy enclosed. I have written to see maybe if his wife left one, and for estate papers. Also written Library to see if they have paper for his obit., and if not, the name of paper for that area.

There were no wills in Pike but just for Lilla F., wife of Rev. Lemuel and estate papers on General David Dominick, husband of Minnie E. They would not photo from their books, and referred me to Archives. I have requested price for all. There are many pages re Dominick.

By the way, Georgia Archives (FOR FREE - believe it or not) sent me Biographical Info on Dominick, copy enclosed. Learned who his daughters married, and that he married twice more. I knew he had married once more.

Pike Library has nothing on Jordans, Hootens or Dominick. Atlanta Historical Society would not copy me anything re the cemeteries in Henry and Butts that I requested, so I don't guess it would do any good to write them to see if they have anything. However, I have written the Atlanta Library.

I also got the Bio. Info. on Alanzo C. Norman, grandson of Cary Lewis. Didn't tell me anything I didn't know. Some errors in it which I corrected and sent to them. I also note an error in Dominick's re Enoch's middle name. I wanted to get some more information before writing back and correcting that.

Today, I wrote to see if Enoch left a will in Haralson County.

The other day, right when I was leaving the library, I thought I would pull a few of the books on Georgia Histories. Look what I found in Peach County. Of course, they are yours, and so "up town", you might want to go over and touch some of them.

The contact in Henry gave me the name and address of a daughter of the James Ernest, one time Mayor of McDonald. I wrote her yesterday. I failed to note in the Peach book, just who wrote up the Hooten descendant article. I asked Jamie Hooten Carmichael, daughter of James E., if her sister was living mentioned in the book, if so her address. If not, anyone who had her records,

if she indeed had any. Some people, we know, belong to these organizations and haven't done one iota of research.

I found James Luther, son of Enoch, 1900 Butts. Those names, less John H., listed under him in the Hervy book were his children. John H. could have been and born after 1900. I asked Jamie. I just hope she answers. I'm thinking the John H., however, might be the John Henry, son of William A., son of James and Suzanne.

I also asked the researcher in Henry to check estate papers on Henry C. Lewis and William, son of James and Suzanne. She didn't quite understand what I wanted, so now I have ordered from Mormons INDEX TO ESTATES, to see what I come up with.

Lois, in D.C., hasn't finished with the names I asked her to check in the 1910 indexes. She did go to Library of Congress, and the Kidd Book (you know 73 pgs. and $ 75.00 - think that's right) was not there. She will check later DAR Library.

I don't think I told you and the rest before, but in the Darlington Index to Deeds, there were no Kidds, which really doesn't mean there wasn't any there.

Oh, I must tell you this, and keep fingers and toes crossed that I locate some of the family. This week the genealogy school is at Samford, and they have lots of books for sale by various authors. One, I just picked up by accident, and looked at the index, and there was a Martha Hooten, who married a Augustus P. Mackey - name of bood FIFTEEN ALABAMA FAMILIES.

(Didn't mean to punch that "bold" key.) Anyway, I had heard that Martha, dau. of my Littleton, and the baby, married a Mackey/McKee/McKay. Later, I was told she married a Lashley. I found a James Lashley and wife, Martha, same age as mine, on 1910 Randolph, so I thought that was her. Well, I looked up the 1900 census on Augustus, and IT IS MY MARTHA!!!!!!! I have written Polyanthos Press for address of author, also newspaper in Randolph for info., and a contact in Calhoun County, Ala. (knows everyone in Randolph and Clay) to see if she knows anything, and to look up in Randolph Cemeteries there for possible burials. None are in my Clay Cemetery Book, and I think I read in 15 Families that Augustus died in Clay - might have been his father who died there. I couldn't copy, as school was going on, and you had to leave the material with them. I doubt if they would have copied, as the book was for sale. I didn't check their index (students using library, and they would have killed me - the staff) to see if they had the book.

The beauty of this is, I just know my Martha Ann, wife of Littleton, lived with Martha Hooten Mackey before she died, and maybe some of the Mackey family will have some Hooten info. If I do locate them, and they have pictures, I will have to be taken to the cleaners for sure.

I have ordered from Mormons Index to Pike and Butts marriages. Hope I will find something there. I also had Birmingham Library to order for me 1910 Newton, as lots of Hootens went there, and the 1910 Soundex Georgia for Hootens, as I want to know all there then, and Lois might not check all.

Now...you asked what I needed from ARMCHAIR RESEARCHER OR GEORGIA ARMCHAIR RESEARCHER. I have all from Volume I, all issues, and all from Volume V, # 1. So if you have any other than these, copy entire cemetery for me. Also, please send me what you have on Enoch's family. Do you know what the first name of Emma's husband was? If so, look up census for her, as I didn't ask Lois to check that for me, since I didn't have a first name. If you have names of cemeteries where any are buried, please include that. According to the Hervy material, Emma lived and died in Troup County. I went all the way

* Henry C

through 1900 Troup (no 1910s), and didn't see. Grant Haynes mentioned his folks lived in Harris County, and I checked 1900 there for them - no luck. If they were 1900 Pike, I missed them. Did you ever check to see if Grant was in Houston phone book, or do you know what happened to him?

Grant mentioned to me that Enoch's obit was in LaGrange paper (have written the library there for them to check, if none, name of paper). I'm assuming it was in LaGrange paper because Emma lived there. Else, he was so well-known, that they published it. Did Grant give you a copy of this obit? I asked him for it, but he was one of those, who got what I had and didn't ever write back. He was to check with his family to complete some group sheets on Emma's family, but if he did do it, of course, I never got them.

I would like any obits you have on Enoch's family.

Right now, it looks like my Hooten project will be awhile. I want to go to D.C. again (I have a niece there now, and my brother and another niece go see quite often. I will bum a ride with them, and stay with Lois.), and as mentioned (think I mentioned it), go to Univ. of Ga. and read some more obits. Also, back to Henry courthouse if the Index to Estates are helpful, and for sure, around to some cemeteries where I know lots are buried, but are not in the Rainer books. I also want to go to Butts County.

Got to go now, and photo the pages for you, and finish packing. I will probably be a blanket case when I get back. We rented a two bedroom/2 bath with kitchen motel on the beach in Panama City. We are taking Charles' two daughters, two son-in-laws, and four grandchildren. We thought at first the week would be split up between the two families. As it has turned out, one family can't get off when planned, and all will be there Fri. Sat. and Sunday. One family is going when we do, and the other coming Friday sometime. ONe family will leave Sunday, and the other Monday. If you see a blond with kinky hair (got a curly perm) hair going over in orbit, it will be me.

I can hardly leave the house now, when I am expecting so much I have ordered, and letters from various people, I hope will answer. I also have some books ordered - one on Butts. It is a reprint on what I have seen, but I think some might have been added - not sure on that. It should be here anyday. Also a book with many obits in Henry and area. I have had it ordered for over a year. Sometime I get so put out with Southern Historical Press.

Send me the stuff, and I hope and your husband enjoy the newspaper articles.

Sincerely,

Joanne

I also wrote Fulton County, Ga. today to see if they have wills on Dewitt and Enoch L. as Hervy book mentioned both lived and died Atlanta.

Think I'll also write Emery University to see if they have a picture of Dominick.

Any old Jordan pictures?

Dear Joanne:

Just got rid of some guests and more are coming!

I knew the minute that I had sealed that last big envelope that I had forgotten to say anything about Sarah's obit;marr of Enoch and 2nd wife and the wedding. I just roared with laughter when I got the part of your letter where you put that in capitol letters! You are a sweetie....thanks so much for taking the time and effort to send that info to me. I'm truly appreciative and I've been meaning to mention to you that you really ought to become a certified genealogist. You are tracing all the children of several generations of Hootens and that is what they require at the Board for Certification in Washington, DC, to become a Certified Gen. I believe you have to do 5 generations, all the childrens lines for each generation and pass other tests too, but that is the most tedious.

The Jordans in Molena, Pike, GA. are Dan's Uncle Oren (called Reen), Ben.is his cousin (several years older than my Dan)and then Henry calls me Aunt Vivan. My husband's father, Enoch was the Station Master for the Southern Railwoad in Columbus and then Molena, GA. Oren was President of the little bank of Molena. You understand, Molena is about two blocks long and that's it! Sleepy little town and I loved going to visit there.

Wesstill haven't gotten the Soundex for GA 1910.

The only Elizabeth Robinson that showed on theSndx was 70 yrs. b GA and found in Lowndes Co.
Living with her were Georgia, a dau b 1858 in GA
Raiford R. b 1862 GA
Lizzie E b 1867 GA
Floy grandson b 1884 15yrs GA

Don't know what became of Grant Haynes. Guess he will show up soon.

Mildred Watkins, a Certificed Genealogist, that has worked on the Jordan line for a rich cousin of Dan's, has died just recently. She couldn't find out any more than I had on the family!! With his money she traveled all over GA and held meetings in the various towns trying to break through the Jordan brick wall. We can't truly get out of GA.

Dr. Cooper I thought was dead!!! He helped me a lot, long ago on the Holmes side of the family. I'm getting a Thomas Gen.(the rich cousin) soon which is spposed to have a lot on the Holmes' and Jordans'... as much as Mildred W. could dig up anyway. She may have something on the Hootens, I'll let you know.

If Henry has a copy of Susana obit, he hasn't told me. Little squirt!!

Must run and cook dinner.

Dear Vivian,

22-4

That was the correct Dixon's you found 1900 Troup (wonder how I missed them). Emma Hooten married B.B. Dixon 12 December, 1883 Pike.

They had a dau. named Minnie, married Haynes. You know - Grant Haynes ancestor. Did you ever learn what happened to him?

Wrote a letter to Pike County paper, and heard from one of your Jordans - Henry G., son of Ben T., son of William Oren, son of Nannie Hooten. Do you know him? He didn't mention you. He and his father are anxious to help, and I have written him back - my usual narrative.

Will send a copy of his letter when I get "juice" for my machine.

Also heard from Dr. Homer C. Cooper in Athens. He included a letter from you, also one from me, as Joanne Pirkle, which he never answered, I don't think. Sent some correspondence to him years ago from John Hanna Hooten, son of James Luther and Dixie Milner, and also some from John Hanna's sister, Sarah who married the Pritchett. Both dead now, but he sent obit of John Hannah and first wife, and also current address of one of John Hanna's sons, J. Jordan in Chico, Ca., the other son in the process of moving to Dallas - Rev. James L., and I think the Christian Minister mentioned in the Hervey book. I though Hervy was talking about James L., son of Enoch. I have written the one in Ca., and have asked Sherrill today to see if he can find Rev. James L. there in Dallas. Sarah Pritchett has a son, Dr. Jack, living in Bremen, Ga., and I have written him. Dr. Cooper also sent some Pike Cem. records and will forward later, and also later the Hooten marriages in Pike and Butts. I have asked Dr. Cooper for all abstracts of cemeteries in Pike. He didn't say where he got the ones he had, but were compiled by two men in 1972, I believe. I don't know if they did all Pike or not. I have never seen them mentioned anywhere.

Did you know that Index to the book on Henry County by Vessie T. Rainer is ready? Is per current issue of PUZZLERS. I have written Dr. Rainer, son of Vessie, for price. The library there might want to order that as this will be a big help to all people researching there. However, I have been through the book so many times, that I think I have noted in the back, all the names that concern who I am looking for. Other will pop up later though I know.

You misread my last letter to you - I only needed cemeteries you might could find on just Henry. On my copy of the letter, I wrote in hand * Henry. Sorry. Well, anyway, I can probably use them later.

If you have 1910 Index for Georgia, check the Dixons then. We have 1900 Troup here, so I can go to the actual reel on that.

Enoch didn't leave a will, but according to the letter Grant Haynes sent me that he wrote to his g.d. Minnie, he had a house and some land. I just wonder if there are any estate papers there. The courthouses won't look much for you. I can understand that, they just don't have the time.

More later -maybe I will hear from your Jordans in a few days - sent sheets for them to complete, and send all family records. Henry said he thought he had a copy of Suzanne's obit. I just wonder if he is confused on that.

I will just faint if he does. I don't believe there were any Henry papers at the time she died, but it could have gotten in another one around someplace

YOU DIDN'T SAY ONE WORD ABOUT THE OBIT OF SARAH S. HOOTEN, MARRIAGE OF ENOCH AND MYRA, AND ENOCH L'S WEDDING.

Still haven't gotten the stuff from S.C. Archives re Hooten deeds. Can hardly wait.

Oh, check one more thing for me in 1900 and 1910 census.
That's Georgia.

I got a CW Pension Application re Elizabeth Lewis, dau. of Cary and Henry C. Lewis. She married Willim L. Robinson, and he was killed in the war. On the pension, she was living 1890s Laurens County, Ga. She was probably living with her only child Allice, born 1858/59 who married Roderick/Loderick Jackson, born 1857. The Jacksons were 1880 Henry, and had one child, Edward born 1880. You might find them in a county other than Laurens - Ga. Archives told me of another county Elizabeth lived, but I can't find what they sent - think it might have been Bibb. Elizabeth was born 1835/36/38/40 Ga. I got in so much stuff while I was on vacation that I haven't organized it all yet.

Write soon,

Joanne

I tried to find in my correspondence to you the first name of your husband - never did so I could tell the Jordans in Pike.

THIS IS A CORRECTION AND ADDITIONS FROM INFORMATION PREVIOUSLY SUBMITTED TO KFH

FAMILY OF MOSES KIDD AND CARIA/CARY/CARRIE/KARA POWERS KIDD
(From my research and Cordia Shelton's - dates of birth and death of John and Sarah Sheppard Ruffin Kidd from researchs of some of their descendants - same on Winnifred and Aaron Kennedy given to me by Lisa Schaefer)

1. Suzannah, born probably 1797, as she appears to be the oldest child, and and she had a child born 1812. She was born N.C. and died after 1867 in Newton or Henry County, Ga. Married ca 1811 or early 1812, James Hooten, born 1788, 1790, Va., S.C. or N.C. Died 28 Oct. 1863, Henry County, Ga. Both are said to be buried at the Hooten/Rock Cemetery in Henry County, Ga This land once belonged to James Hooten, and was deeded early 1830s to the or a Presbyterian Church - name unknown.
2. James, born 18 July, 1798, died 3 Aug. 1822, buried at Kidd Cemetery in Chatham County, Ga. He was unmarried as far as I know.

3. John, born 17 Dec. 1799, N.C., died 1866, probably Randolph County, Al. Burial ? Said married 2nd (first unknown, but a son by her, Gilliam, who lived and died in Coweta County, Ga.) Sarah Sheppard Ruffin, born 6 Oct. 1802, S.C. (probably Darlington County), died 10 June, 1880, probably Randolph County, Al. She lived with a son, William, on the 1880 Randolph census. She was the daughter of Stephen and Rachel Ruffin of Darlington, S.C. It is not known if she and John married in S.C. or N.C. John's and Sarah's burial places are unknown at the present time - am working on that now.

4. William, born 1 Oct. 1801, Chatham, N.C., died 18 April, 1857, Moore, buried in Kidd/Powers Cemetery, Moore. Married ca 1825, Martha Brooks, born 19 August, 1808, died 4 July, 1885 - burial same. Dau. of William Terrell and Susannah Warren Brooks. They are Cordia's line.

5. Kara, born 27 Aug.1803, died 30 March, 1880. Buried Brush Creek Baptist Cem., Chatham County. Married 9 Oct. 1824*, John Siler Lane, born 22 July, 1792, died 3 January, 1871. Burial same. Son of Abraham and Elizabeth Siler Lane. They had a son, Col. John Randolph Lane, who was a hero in CW - have his picture, and am in contact with a descendant of Kara and John S. His is Brown Lane of Siler City, N.C. He has sent some material, and will send more after the holidays. * Chatham

6. Lewis, born 1807/08, N.C., died after 1880, (Randolph County, N.C.?) M. 13 May, 1827, Chatham, Rebecca Brooks, born 1805/06/07, died after 1880, also probably Randolph. Cordia thinks they might be buried at Pleasent Grove Cem., Moore, as his name is on the old membership roll. Rebecca sister to Martha.

7. Winnifred, born 15 June, 1809, N.C. , died 30 June, 1855, probably Stanly County, N.C., buried in Stanley County at Kendall's Baptist. Married ca 1828, Aaron Kennedy, born 8 Sept. 1800, Moore, died 26 Aug. 188 , Alexander County, N.C. Buried Hiddenite Cemetery there. He married second, ca 1863, Martha Jane ?, born 1 June, 1825, N.C., died 21 July, 1901. Burial Same. Aaron was the son of David and Joanne Moore Kennedy, who are buried in Launderdale County, Al. The Kennedies were noted gun smiths in Moore.

Moses and Caria Powers Kidd family continued.

8. Moses, Jr., born 1809-10, prob. N.C., died late 1846, Chatham. Buried Kidd/Powers Cemetery, Moore. Married ca 1831/32, Elizabeth McLeod, born 7 July, 1809, died 12 March, 1885, probably Chatham, but she is buried in Randolph County at Mt. Zion Methodist. She was the daughter of Neil and Nancy ? McLeod. After Neil's death, Nancy married Daniel McIver.

NOTE; These Kidds and related lines lived in Chatham, Moore and Randolph where these counties adjoined - or most of them did.

I will send additonal info to KFH later on most of these families, as I have more since my previous submission.

Suzannah Kidd Hooten (my line) had 7 known children and 2 more are in my records but in question. So much on this family, it will be impossible to ever submit it all.

James - no children as far as I know

John - 8 known, and some on all but two girls.

William - 11 known, and some on all. Cordia has much, I am sure.

Kara, 7 known - have found an additional dau. since submitting previous material. Have lots on most, and Cordia probably has more.

Lewis, 6 known, and some on most - Cordia probably has more.

Winnifred, 7 known - very little on her family, but am trying to get more. Need someone to check N.C. Soundex for me on her children.

Moses, Jr. 6 known. Have a great deal on all, and Cordia has more, I am sure.

FAMILY OF MOSES KIDD AND CARIA/CARY/CARRIE (namesakes spelled their names later as "Kara") POWERS KIDD. Moses 1760-1770, b. N.C.?, d. bet. 1841-1843, Moore

Moses parents and siblings are unknown. Caria was the daughter of John Powers. Her mother might have been Susannah ? That is in question by both me and Cordia Shelton. The Susannah Powers mentioned in deeds re John Powers in Chatham County, N.C. might well have been another daughter. I have the deed, and will seek help on it from Mary Warren (FAMILY PUZZLERS) after the holidays.

Caria had brothers James and David, and a sister, Elizabeth m. George Raly or Raleigh. I have nothing on these siblings.

One Henry Powers, RS, was said to be a son. I am trying to get info on him from a descendant. Henry had a daughter, Mary, who had a son, who went by the name of Enoch S. Powers. This son was out of wedlock by one James Caviness. James Caviness later married a daughter of William Kidd, son of Moses and Caria Powers Kidd, who was Salena Kidd.

When Moses Kidd died, Enoch S. Powers bought his land in Moore County. A descendant lives on the land now, Wilton Powers. Moses is buried in a cow pasture here. Caria is probably here too, but not known for sure. Per Cordia Shelton, a young son of William, who was called "Little Moses" is buried here. Moses Kidd's grave has no marker - just rocks. However, Enoch S. Powers' grave is marked, as well as his wife's. William Kidd and his wife, Martha Brooks is buried here too. Also, Moses, Jr., son of Moses and Caria Powers Kidd, others Kidds (names unknown) and probably slaves. This from Cordia Shelton.

I visited this burial site back in the summer, and made pictures. Cordia has submitted a picture of Moses' grave for KFH.

I found the link that tied Suzannah Kidd Hooten, wife of James, to Moses Kidd by reading the early minutes of Moore County, N.C. - about the only thing that survived the fire there.

A son of Moses, Lewis, protested Moses' will, and other children were named. I never learned how the suit came out, as some of the minutes are missing, or not on film at LDS in Utah. I tried to find the old books while in Moore. They weren't there, and no one seemed to know where they were - even if they had been sent to N.C. Archives. I have not checked there to see, and did not have time to go there on my trip that way. Cordia has never answered my question if she was able to find the outcome.

Although William's and Winnifred's (m. Aaron Kennedy) names were mentioned, it appears they did not follow through in actually joining in the suit. Moses Kidd, Jr. died while the case was still in court. He, along with John Siler Lane, husband of Kara (dau. of Moses and Caria) were the adms. It appears that John S. Lane did not serve as an adm., as when Moses, Jr. died, Alfred Brower (ralationship, if any, unknown) was appointed as the adm.

After Moses died, Caria married James Gaines, RS. They lived 1850 Moore, but later moved to Montgomery County, N.C., where James died 4 Dec. 1854, per Caria's RW Papers re James. Caria died after Sept. 1856, the record showing when she drew the last RW pension payment. She might have died in Chatham Co.

Caria waws born ca 1780 (N.C.,?)

Forced to start a new page...

Do you hae any Who's Who Books there? If so, this from BIOGRAPHICAL DIRECTORIES MASTER INDEX, FIRST SUPPLEMENT;

HOOTEN, BASIL POWELL, born 1929 WARD 77. THIS HAS TO DO WITH CAR MANUFACTURING I THINK. HE ISA DESC. OF JOSEPH LEONARD.

From another Index, don't remember what edition, I found C. Gibson Hooten, born 1921. He will be in BIOGRAPHICAL DIRECTORY OF THE AMERICAN COLLEGE OF PHYSICANS.

C. GIBSON, I AM SURE, IS THE GRANDSON OF SAMUEL PICKENS, SON OF WILLIAM, SON OF JAMES AND SUZANNE.

CHECK AND SEE IF YOU HAVE THE ABOVE BOOKS, AND PHOTO COPY IF YOU DO.

I HAVE FOUND HORACE RAVEN, JR., SON OF SR., SON OF JAMES LUTHER, SON OF ENOCH. HE IS NOW DEAD - FAMILY LIVES IN COLO.

Also found Margaret Koscielny, dau. Ida Milner Hooten, dau. of George Milner Hooten, son of James Luther. Margert is an artist of note, and lives in NY. I have heard from her, and she seems real nice and is INTERESTED, which as you know are few and far in between.

She has some Hooten records, but nothing going way back. That family was mostly intersted in the Milner family, who you will see in the Baptist Book.

Might as well tell you something else - I hape I haven't told most of this before.

I ordered the index to Henry Estates, etc. There was William Hooten listed as an imbecile, and his son-in=law, Francis Hester was guardian. I wrote Ga. Archives to look in the Asylum records for me (some have been published in Bob Davis' Black Book I). They wouldn't look as they aren't indexed. I just know he must have died and is buried there - the hosptial was at Milledgeville (Baldwin County). That sure ties everything in with what Mrs. Rainer told me in that he was committed at one time, but the family never told it. Anway, I wrote Ouida to see if the lady she researches for would help me to hire someone to check the estate records, and possibly go to Archives. SHE SENT $ 20.00. IN THE MEANTIME, I HAVE HEARD FROM C. GIBSON HOTTEN, probably the III, and I am going to see if he will go to Archives and check. He had some family records, and, of all things, his lineage going to Gen. Anddrew Pickens. I don't think I will tell him he is wrong until I see if he will check Archives - some people you know don't want to "turn loose". I'm sure he saw the Rainer book on Henry, and used that info.

We will probably go over to Ga. thelast of this month, if I can "sweet talk" my husband in going. However, I wanted mostly to see people and go to some cemeteries, plus up to Athens to read some more old Henry papers.

I don't know how I got in this indent, but can't get out, so will close. Let me hear from you SOOOOOON.

Best regards,

Joanne

(over)

I have heard no more from your Jordan family in Pike.

Do you not have your sheets on the Jordan family? If so, send.
(Nancy & John Thomas + any descendants)

Did Grant Haynes ever give you any of his family? If so, send. He never gave me anything but the letter Enoch wrote to Emma's dau. Did he give you the obit - oops again of Enoch that appeared in the Troup paper?

Dear Joanne:

I'm not dead! Guess by this time you have covered all the points that you listed in your last letter to me, but just in case, I followed thru as best I could. Our working situation now, in our new Library is such that every minute is scheduled and planned out for us. As a result the only time that I have to do anything is perhaps the 25 or 30 minutes left from m y lunch hour. I am chomping at the bit to get myself rettred. Working before our staff got so large and our library got so large, was really a fun thing, but not any more. Guess I'm getting old and showing it?

I have searched the 1900 Sndx for Georgia with both Soundex numbers for Robinson/Robertson and not found what we wanted.

I searched the 1900 Soundex for Georgia looking for your Loderick/Roderick Jackson, but no show.

The 1900 search in Sndx for TN and Willie Hooten was no good.

We still do not have 1910 Sndx for TN. The boss was writing orders for books/film yesterday, maybe we are picking that up. A lot of our money goes for replacing census films, they get such wear that after awhile they are nothing but scratches on the film.

The card catalog for the Houston Public Library shows that we do not have the two Biographical Directories that you listed but I did get a copy of a Hooten, in the Who's Who in America for 1954-55 (excuse, my underliner is acting up). I enclose a copy of same.

I'm enclosing some things on Shaw and Hooten that you probably already have but I want to be sure.

I go to the Docter tomorrow to see why I'm so dadgum tired all the time. Haven't felt too well, but then I've got so many irons in the fire.

Keep up the good work...you must have boundless energy. Bless you!!

Fondly,

Grant Haynes never did give me any of his family and I wrote him again.

Don't know what is the matter with the GA Jordans, we will be calling his father, for Christmas wishing, and I'll say something to him!!

Have a Happy Healthy Holiday Season --you and yours.

Dear Joanne:

I'm not dead! Guess by this time you have covered all the points that you listed in your last letter to me, but just in case, I followed thru as best I could. Our working situation now, in our new library is such that every minute is scheduled and planned out for us--as a result the only time that I have to do anything is perhaps the 25 or 30 minutes left from my lunch hour. I am chomping at the bit to get myself rettered. Working before our staff got so large and our library got so large, was really a fun thing, but not any more. Guess I'm getting old and showing it.

I have searched the 1900 Sndx for Georgia with both Soundex numbers for Robinson\Roberson and not found what we wanted.

I searched the 1900 Soundex for Georgia looking for your Lodesick\Roderick Jackson, but no show. Did Grant Haynes ever give you any of his family? If so, send. He never gave me anything but the letter Enoch wrote to Emma's dau. Did he give you the obit oops again of Enoch that appeared in the Troup paper?

The 1900 search in Sndx for TN and Willie Hooten was no good.

We still do not have 1910 Sndx for TN. The boss was writing orders for books/film yesterday, maybe we are picking that up. A lot of our money goes for replacing census films, they get such wear that after awhile they are nothing but scratches on the film.

The card catalog for the Houston Public Library shows that we do not have the two Biographical Directories that you listed but I did get a copy of a Hooten, in the Who's Who in America for 1954-55 (excuse, my underliner is acting up). I enclose a copy of same.

I'm enclosing some things on Shaw and Hooten that you probably already have but I want to be sure.

I go to the Docter tomorrow to see why I'm so dadgum tired all the time. Haven't felt too well, but then I've got so many irons in the fire.

Keep up the good work...you must have boundless energy. Bless you!!

fondly,

Grant Haynes never did give me any of his family and I wrote him again.

Don't know what is the matter with the GA Jordans, we will be calling his father, for Christmas wishing, and I'll say something to him!!

Have a Happy Healthy Holiday Season --you and yours.

I'll be more from your Jordan family in Duke.

Dear Joanne:

A very, very quick note. I just returned from Colorado early this morning and must go to work, in the morning.

The Library is closed and when I left the plans were tentively to be closed until Nov. 1.

So I shall have to put things on hold until things are free-er and I can do some personel research.

As for the group sheets you referred to, thought I had sent those long ago. I do not trace every child of an ancestor, if that is what you mean.

I promise to get back to you, hopefully this week end.

Fondly,

Heard from Agnes D. Williams. You gave her my name and address - re Kidds.

Was not of much help, and what she has is very little, and not much good - no proof as to where her cousin found the lineage. I have written for more information. I have most of who she mentioned in my records. She needs to work Oglethorpe records.

I would love to know where her cousin came up with her information at the Mormon Library. I have never seen the names she has connected on anything from there. Other people who have researched there haven't either. Her cousin might have been another one of those"assumers".

How about sending someone my way with some "good stuff"!! More humor.

18 February, 1991 – Forgot to mail – 9 July 1991
Got Sick & just slipped my mine.
Dear Vivian, Nothing Serious – O.K. Now

I received your letter of 6 January, 1991, and meant to write to you before you left for Utah. I got tied up with a house that I rent - had to have some major repairs, and I was over there day and night almost through the month of January. Thank goodness it is now rented, and maybe nothing else will go wrong.

You mentioned that I confused you (by not knowing what I was talking about). Well, you confuse me by not telling me what confused you! Confusing! Let me know and I will try to explain.

First of all, thanks but no thanks, I don't want your Jordans! Have you seen the new book on Pike that is out? One Robert F. Jones, Jr. submitted info on your Jordan family. He says that John T. (1806) was the son of a Benjamin. I note there is a Benjamin on the 1850 Pike with John. You say you don't have them back any further than John T. Is Mr. Jones "assuming" you suppose. Lord, how I know about those "assumers"!! Also, there is a picture of John Pope and wife, and a letter he wrote home from the war. Another Jordan family is featured, ie Elevers Jordan. I see him too in the 1850 Pike census. No mention was made of relationship, if any, to your bunch.

If you don't know about Mr. Jones, the Pike County Retired Teachers Assoc. (they did the book) will give you his address.

A descendant from the Dominick family is also featured with pictures - a lovely family!! Descends from Minnie (dau. of Rev. Enoch) and General David Dominick. I have the address of the submitter on this one someplace. I have never written her.

We were over in Georgia last year, and I visited Jackson City Cemetery, and made a picture of Sarah C. Shaw Hooten's grave. I also visited First Baptist Jackson. It is now out from Jackson, and a biggggggg church. In one hallway, they had pictures of most of the former pastors - Rev. Enoch was there with years pastored but no picture. If I can find my pictures, will send photo copies of what I made, and you may borrow the film if you wish. I think I have an extra one of the new church.

I need to try to get a negative from Embry Milton Hooten's widow here (if she is still here), and send to the church. I am talking about the picture - full view - of Rev. Enoch holding his Bible. Embry Milton was the youngest son of Enoch Leroy and Belle Perkins Hooten. Enoch L. was the son of Rev. Enoch.

Have I told you what I found out about David/Dewitt Hooten, son of Rev. Enoch? He was accused of robbing the train station where he worked. He left town, and no one knows what became of him. He had one son by Lula Anderson, Samuel Aubrey, who died ca 1975 in Ruston, La. I wrote his widow, but never heard from her. This son, Samuel A. went by the name of Anderson.

In a new book I have on Jasper County by Robert S. Davis, Jr., there is mention (Superior Court Case Files - 1809-1922) Sidney L. (Anderson) Hooten vs. D.W. Hooten - no year or nothing else.

As you have probably heard, Georgia Archives will not copy anything anymore -

7-9-91
Now they will - $25.00 per name!!!

one must employ a researcher. Wish I had that though.

Bob Davis, the author, is now in Cullman County (my home town, and I go there quite often to visit my sister, and my first husband's kin). He is head or something at the Wallace Junior College Genealogical Library. He writes a genealogy item for THE CULLMAN TRIBUNE. When up there next, I will talk with him, and see if he will copy for me when he is there. I am sure he still goes back to Ga. Archives a lot. If not, I wonder what we will do without him - finding all those goodies there for us. To me, he is one of the smartest and most thorough genealogists in Georgia - Mary Warren, Editor of FAMILY PUZZLERS is also a brain. They both have my deepest respect.

But....who am I?

Now, as to my bugging you for your Hooten/Jordan records. What I want (as you said yourself, I am confusing!) is a group sheet on Nancy E. and John Thomas Jordan. I am enclosing a copy my group on them. Please complete and return if you have any additional information - also if you have children of their children.

Vivian, all you ever sent was a lineage chart - copy attached. Is this all you have? If you sent other material, I never received it.

I am sending you what I typed from the early Moore Records. I am not sending the original copies from the film. A few original things are enclosed that I haven't typed.

I never found how the case finally turned out. Cordia Kidd Shelton in Sophia, N.C. (doing a book on the Kidds) said she never did either. I guess those records were burned. — let me know when put. —

About N.C. census records that I need. I don't need any Kidds - I have all them. I ordered the Soundex Indexes for 1880, 1900 and 1910. I also have actual film of 1900 and 1910 counties there I need for Moses' family - some of Moore 1910 is unreadable - made me so mad.

Later - Someone is going to get these

I need from 1880, 1900 and 1910 the family of Winnifred and Aaron Kennedy. Winnifred was the dau. of Moses. I am in contact with a descendant, but she did not send much. I don't believe she has worked the census records, which is most people's downfall. Anyway, she has only written one time, and has not responded to other correspondence. She lives in Salt Lake, and it would be easy for her to go to the library, and work the census for the Kennedies.

My problem is that I want too much!!! If possible, I like to get all in the family through the 1910 census records.

I ~~will put what I would like for you to check, when time, on another page~~ Void. If 1870 Georgia is there, would like for you to photo some names from the book. We have all 1870 Georgia actual records here. 1870 - Hick + Kidds, Key Hix

Hope you had a good trip to Salt Lake. Might tell you this. There is a Kidd Reunion planned for Aug. 17th and 18th in Salt Lake. More info will be given in March/April Issue of KFH.

I plan to go if possible. We are going to talk with some friends to see if they want to go with us - to have someone to help Charles drive. Too, vacation times for us and them will have to be changed. If you are interested, will send additonal info when I receive it. — no way —

Guess that's it for now. Write soon, and I will try not to be so late next time.

Oh, Henry County, Ga. now has a wooooonderful historical society. You would not believe what they are doing. They plan a Family History, and have asked me to submitt the Hootens, which I will. Do you have anyone there that you would like to submit? If so, will send info.

The Henry HS plans a book on marriages, early court records and cemeteries!!! Can hardly wait. I have all the marriages on film. The index though is bad - left off lots of names, and the actual film, on some, I can't read!!! Just my luck!

Dear Joanne:

It is always an adventure when I receive mail from you ! Your energy must be catching because after I've read your letter and seen the records that you are always sending me, I feel so blame lazy and manana-ish that I get in a postive whirl wind of activity.

I've had house guests and then when they left, I preceeded to come down with a case of food poisoning or something. I finally had to call the Dr. after about 3 days because I was afraid I was going to dehydrate. Anyway I'm in my 'catch-up' mode now.

I made a special trip to the Library, just for you, and doggone me, they don't have an 1870 Census Index for GA. I think that they do, but their list didn't have a record of one. The staff has changed so since I left, people that I know don't know a chart from a census, that I just don't believe what this gal told me. I couldn't see any of the old staff around, but I'll ask again as I'm sure I'll be over there again in a few days.

As you can see, I've enclosed some family group sheets. You are in luck for these were just sent to me a few months back by my husband's cousin...the one who had hired Mildred Watkins for years trying to trace the Jordan line.
Mildred is dead now but she was an excellent certified genealogist and Lord knows what this cousin must have spent over the years, trying to prove that the old Benjamin that you mentioned in the 1850 Pike Co.,GA census was the father of our John T. Jordan. She has made an excellent case of 'preponderance of evidence', but I do wish that Robert Jones had worded things a little less 'positively'. I believe that Benjamin is the father, but it really isn't a proven fact. Mildred just showed that by land location, naming of children, deeding of land, all those things, that <u>probably</u> he is the father. I do have a copy of the Pike County book. I surprised my Dan on his birthday and got him a copy. I wish that someone in Molena had had the brains to let me know that one was in the works.

Anyway, thanks to Mildred's work, you at long last have a listing of some of the chillun of Nancy Lee Hooten Jordan. The beautiful printing belongs to Mildred, the terrible printing is my corrections and additions. She had us

getting married on my birthday!!

As always, many thanks for the copies of the Sarah Shaw Hooten grave stone.

Dan says that he remembers going to visit the Dominicks and as kids will do, he said that they called the old man, Dominicker...after the chickens that his Mama raised. He also said that he can remember his 'Ma-Nannie' talking about her brother, Dewitt and not knowing where he was and how worried they all were about him.

Please let me know when the Kidd book is published. I would like to get one for me and the Library, if not too expensive.

Thanks for the information on the Kidd junket to SLC but I wouldn't go there in the summer time for no man. Believe that I will be going again in January of '92 with this group, it is certainly the cheapest and the best time of the year to go to that Library. Why don't you go with us?? We have people, friends of the regulars, that have met us up there from NY and CA...so why not AL. This year it looks as if we will be going around the 14th of Jan. the plans are not finalized as yet. If you are interested, let me know. We stay at the Mariott which is to the side of the Library, so even if the weather is bad, we have about 50 steps to walk to the front door of Library. Nothing is regimented, we open the doors in the morning and usually close them at night. One or two nights we might get together for dinner but then back to the room to plan the next days' work. Aftér a week of this regimen, you are totally exhausted and can barely drag yourself aboard the plane.

We really should go back to GA this fall and see the old folks again. Dan still has an Aunt and Uncle that live in Molena, pushing 100 yrs. They are on the Boswell side of the family. I would like to visit the old place again and then Dan has a sister that lives in North GA.

Enough of this chatter. I'll send this on to you and if we do have an 1870 Index, that will be coming your way also.

Fondly,

Dear Mrs. Jorgensen:

Please excuse the delay in answering your query of the 7 June as I have had recent foot surgery and things have really backed up. I did try to call you at the number listed in the phone book but that was disconnected.

The Hootens, in GA were mostly located in Henry Co. I went through my records and found many James and some James B. but none that had married a Westbrook. I did find in my 'Misc. file' on Hootens, that in the 1827 Land Lottery of GA it appears that your James B. was in Macon Co., in 1847 when he signed as one of the heirs of Thomas Westbrook, dec'd of Twiggs Co.

Your best bet is to write to Mrs. Joanne S. Wright, 1924 Crossvine Rd., Birmingham, AL 35244. Joanne has done extensive research on the Hootens and knows where everyone of them fit!! I feel sure that she can help you.

Good Luck. Let me know if we are kin!!

In search of my Hooten ancestors, I found your copy of "Hooten + Allied Families" - - - in the Clayton Library -

Would any of your ancestors include:
James B Hooten b. Ga / Lucinda Westbrook b. Ga
their son, Davis W. Hooten b. Ga. Oct 15, 1841 /
Elizabeth Elmyra Spaulding b. Sept. 17, 1845,
who moved from Ala. to High Prairie +
Marshfield, Missouri, soon after the Civil War?

I need their Georgia locale; also trying to find parents of Elmyra -

If you have any information to share with me, I would be most appreciative - Perhaps we can assist each other -

This phone no may or may not be her home. In our correspondence in years past, she had mentioned that she couldn/t talk on the phone, too deaf. She has really put in the hours on this Hooten line and was going to get a book out but decided to work on the Kidd line before publishing. Her second husband may be retired by now and able to answer the phone.

If you are a Ga girl you might know my husbands' family, Enoch Pope Jordan Enoch was Station Master at Molena,Pike Co., GA for many many years and my husband was raised there. My husband's grandmother was Nancy Lee Hooten who married Enoch Milton Nooten, son of James Hooten & Susannah Kidd.

I'm sure that Joanne will have all the info at the tips of her fingers.

Dear Vivian,

Hazel sent me a copy of her letter to you. Sorry I have caused so much confusion, but have been busy, busy.

To keep my sanity, I am doing private research now - my husband retired last April, and I am about nuts!!!!

About the lady who wrote me re her Hootens. I checked Alabama where she said they lived, but did not find anything.

I don't know her lineage, but suspect she might come off someway from Rev. Henry Hooten who died in Al. (R.S.)

His family is written up in THEY CROSSED THE SAVANNAH. The pages I have from the book do not mention her line.

Mrs. R.J. Hooten, 920 Keith Drive, Perry, GA 31069 has the book. I am sure she would not mind checking it for the lady. Best I can remember the book is not indexed.

What I have, I copied at Georgia Archives. They charge a mint now to check anything - $ 15.00 to $ 25.00 per name, I believe.

Would you drop the lady a line and give her this info. I cannot find my file on her. I am a mess here.

This book could be at the Mormons too. She could check there.

FIRST FAMILIES OF HENRY COUNTY GEORGIA was released around Christmas. I submitted the Hooten family - as much as they would allow. Only three pages per family were allowed - so I was instructed, but I note after I got my book that some wrote much more, and I was kinda disturbed. I tried to get in as much as I could, so lots of our kin do not have dates.

Susan O.'s (dau. of Enoch M.) family was written up. She married Hampton Moore. It was written by Joseph Henry Hightower Moore, who edited and introduced the book. He is not a direct descendant of Susan. After writing up the article I submitted, I found Willie, son of Enoch M. in Tenn 1910. I never did find anything more on David Dewitt. Why don't you check 1900, 1910 and 1920 Texas for him? He was not in Ga. 1900 and 1910. Or Tn. 1910.

The book is very nice - full index - good paper - bound. $ 70.00 from The Genealogical Society of Henry and Clayton Counties, Inc., P.O. Box 1296, McDonough, GA 30253

(over)

Should the letter to Mrs. Hooten be returned, tell her to check with FAMILY PUZZLERS, P.O. Box 7776, Athens, GA 30604-7776, as she is a subscriber - or was.

I wrote Hamilton County for a will, but they did not have one. Maybe he moved however, was living there in 1944 when brother, John, died.

Do you have Tn. 1920 there? If so, could you check that for William O.?

Also, are 1910 and 1920 Minn Soundex there? If so, could you check John W. Lewis, b. Jan. 1842/37, m. Augusta Anderson, b. 1850 Norway. 1900 had one dau Georgia, b. Aug. 1873. They were 1900 Freeborn, Minn, Albert Lea TW 56007. He was a dealer in produce. I wrote for a will with no luck - he might have moved after 1900 - rented a house. 1910 - No Sndx

John W. Lewis was the son of Cary Hooten, dau. of James.

I checked some census records on the Mary Emma Hooten (dau. of Rev. Enoch) and Ben B. Dixon, and am enclosing aa group on them. You will recall that a D. Grant Haynes worked on them. I never did find him.

I am writing a Mrs. Martha Anderson today for her to check cemeteries in Troup for Mary Emma and family. Will keep you informed.

Enclosed is a page from HISTORY OF ETOWAH COUNTY, AL. that mentions Joseph Rolfe Hooten, Jr. - lineage is noted.

I found a letter that I received from Mrs. R.J. Hooten (Marilyn). I think I remember that the lady who wrote were seeking Hootens in Macon County and Pike County, Al.

I have an abstract of the will of Rev. Henry Hooten (RS) from Pike County records, but it appears he might have died in Macon County.

I have the DAR papers around someplace re REv. Henry, and will send to the lady if she finds connection.

Seems like the lady who wrote descended from a James B. Hooten. If so, Rev. Henry's James B. was born 1801, married 1st in Jones Co., Ga. 8 Feb. 1821 Cinthia Cox and 2nd 8 Dec. 1833 in Upson, Clancy L. Glenn. He was 1850 Macon County and 1860 Montgomery County (Al counties).

Joyce Lonergan Not in HO.

Tell her to let me know how she comes out so I can file with my other Hootens.

If you know or hear of anyone who needs research in this area or Georgia, give them my name and address. So far, everyone I have researched for has been verrrry pleased!! Most of the time, I give them lots more than they pay for $ 15.00 per hour plus photo copies. Am I too high or too cheap. My rate is in line with others here.

Dear Joanne:

How very very nice to know that all is well with you! You are appreciated my dear...just in case you didn't know it!

Your letter came the night before I took off for my trip to Salt Lake City. So I just tucked it in amongst all the other papers and took off for a very nice, not too productive research trip.

Returned in the week hours of a Thurs morning and Friday a.m. my husband was told that he had a detached retina. So I've been busy in and out of hospitals, you know the routine. The Doc said today that the 'buckle' procedure seems to be working, so we are hoping that this holds true.

I , too have tried to find that Al? woman's address that was trying to get in touch with you- no such luck. I must have written on her letter and sent back to her. (I do that some times). I hope to stumble on it later.

Now for answers to your questions:

I checked the 1920 SNDX for TN and your William O. Hooten. He did not turn up.

But does not have a SNDX for MN for 1910 !!!

(I was indeed surprised that SLC did not have a complete set of 1920. They are missing most of IN because, so says a note in the drawer that the quality was so bad, they sent it back to the Gov't.)

So far as your fee for research. I charge $25.00 per hour and have had no complaints. I feel that charging that much separates those who really want to know and are willing to pay for it. Yes, you are right, if I charged for the actual hours that I put in, they couldn't afford me!!

1920 Sndx for MN showed John W. Lewis 75 yrs. b Norway in Lyon Co., MN He was a roomer living with Wm. Hanson V44 Ed 112 - 1 - 11 Is this your guy?

Hope this makes sense. Gotta run and make a trek out to Intercontinental Airport to pick up a daughter who has come down to see her Daddy.

Keep in tough. Hurriedly,

1910 Hamilton County, Tn. 72-246

William O. Hooten, 33, b. Ga. parents b. Ga. Married 1 time - married 8 years
Salesman/Cow Trader Owned House (613 acre?)

Annie B., 30 married 1 time, mother of 1/with 1 living, b. Tn., father b. S.C mother b. PA

Walter G., 7, b. Tn. father b. Ga. mother b. Tn.

Bryan, Eugene J., bil, 22, b. Tn. father b. S.C., mother b. Pa.

Hooten, Horace, nep. 22, B. Ga., parents b. Ga., clerk Express Co., single

I wrote Hamilton County for a will, but they did not have one. Maybe he moved however, was living there in 1944 when brother, John, died.

Do you have Tn. 1920 there? If so, could you check that for William O.?

Also, are 1910 and 1920 Minn. Soundex there? If so, could you check John W. Lewis, b. Jan. 1842/37, m. Augusta Anderson, b. 1850 Norway. 1900 has one dau. Georgia, b. Aug. 1873. They were 1900 Freeborn, Minn, Albert Lea TW 360?. He was a dealer in produce. I wrote for a will with no luck - he might have moved after 1900 - rented a house.

John W. Lewis was the son of Cary Hooten, dau. of James.

I checked some census records on the Mary Emma Hooten (dau. of Rev. Enoch) and Ben B. Dixon, and am enclosing a group on them. You will recall that R.P. Grant Hames worked on them. I never did find him.

I am writing a Mrs. Martha Anderson today for her to check cemeteries in Troup for Mary Emma and family. Will keep you informed.

Enclosed is a page from HISTORY OF ELOWAH COUNTY, AL. that mentions Joseph Rolfe Hooten, Jr. - lineage is noted.

I found a letter that I received from Mrs. R.J. Hooten (Marilyn). I think I remember that the lady who wrote were seeking Hootens of Macon County and Pike County, Al.

I have an abstract of the will of Rev. Henry Hooten (RS) from Pike County records, but it appears he might have died in Macon County.

I have the DAR papers around somewhere re Rev. Henry and will send to the lady if she finds connection.

Seems like the lady who wrote descended from a James B. Hooten, Jr. S. Rev. Henry's James B. was born 1801, married 1st in Jones Co., Ga. 5 Feb. 1822 Cynthia Cox and 2nd 8 Dec. 1833 in Macon, Clancy L. Glenn. He was 1850 Macon County and 1860 Montgomery County (AL counties).

Tell her to let me know how she comes out so I can file with my other Hootens.

Dear Mrs. Lawson:

I have been meaning to write for some time now but health reasons have just kept getting in the way.

Quite some time back, I referred a Hooten/Kidd researcher onto Joanne Wright. After a time, they wrote me back and said that they had written to Joanne but had as yet not received an answer. I then wrote and I haven't received an answer!

Could you please tell me if she is alright? I've never met her but we have written through the years re the Hootens and then the Kidds. She is such a hard worker and good researcher.

Please advise me if she is still around. I just have this feeling that she might be ill. I so hope I'm wrong.

I enclose a SASE for you to answer.

Dear Joanne:

I had been thinking about you and wondering why I hadn't heard from your part of the State then I remembered that the last 'missive' had saide that you were starting on the Kidds. (Doggone my typewriter correcting tape is on the fritz).

Receiving one of your letters is an adventure in the true sense of the word! Your mind works so fast I guess, that it can't keep up with your fingers on the typewriter because sometimes, Joanne, it is awfully hard to follow what you are saying and what you are talking about...but it is never dull and I love hearing from you.

Do wish you would read my letters and see that I have said time and time again... I have sent you everything that I have on the Hooten/Jordan connection. I've never really researched to any extent the Hootens but they for some reason just fascinate me. Anytime I'm working the Jordan line and searching an Index, Iill check the Hooten name also...weird, eh?

Since my so-called retirement, I've been working way too hard. I put my name on the Researcher List that Clayton Library gives to people who ask for it and I've been doing research for other people ever since retirement. Right now, my dining room table looks like someone had a paper fit because of all the papers strewn about! Oh well, it is nice 'mad' money and helps with my restricted income...but it does curtail my own research.

I was on my way to the Library the day that your letter came and I checked the following for you; GA-----all of the 1910 Census....no SNDX
NC-----1910..2 rolls of film ....no SNDX
I'm told that they are on order, but not in Library as yet. I will check all the other special collection type things that they have on the above two states for Kidds, if you wish.

Also, I leave for Salt Lake City the 21st of this month. I can check their SNDX/ Census 1910, for Kidds...just let me know. You know I'm more than willing to do any of the leg work or help in any way I can. You have done so much for Hooten researchers everywhere and now Kidd researchers. So give me my instruction,BOSS!!

Understand that I do have some clients to do research for and I sure would like to get the Jordan's out of GA. I have proved Dan's line only back to 1806...isn't that pitiful??

I can just picture you and when you found the 'Hutton' court records. Can't wait to see the records. You are a bull dog in tenacity. Are you sure kyou don't want to work on Jordans for me? Strange, I have a Hutton line that when I finally had figured out that Hutton and Hatton were interchangeable, I found old Leonard Hutton/ Hatton...in a document that was a text book example of the kind of proof you need to proove that a name has been changed by a careless transcription. I was on cloud nine for a week and that was years ago. Seems that I haven't really 'found' anything in so long.
Must close and get this in the mail. Happy New Year to you and yours!!

meant to say...really see and digest the court records.

Dear Joanne:

I had been thinking about you and wondering why I hadn't heard from your part of the State then I remembered that the last 'miss&d' had said that you were starting on the Kidda. (Dropping my typewriter correcting tape in on the fritz).

Receiving one of your letters is an adventure in the true sense of the word! Your mind works so fast I guess, that it can't keep up with your fingers on the typewriter because sometimes, Joanne, it is awfully hard to follow what you are saying and what you are talking about...but it is never dull and I love hearing from you.

Do wish you would read my letters and see that I have said time and time again... I have sent you everything that I have on the Booton/Jordan connection. I've never really researched to any extent the Bootons but they for some reason just fascinate me. Anytime I'm working the Jordan line and secondary an Index, I'll check the Booton name also...weird, eh?

Please put me on your list for any Kidda info that you find. Also, if you have any Booton info, I'd appreciate a copy of that also. I'm still working on the Booton/Jordan connection and have found a few more Bootons that I'm working on. Have you found any Bootons in Jordan Co, GA?

20 December, 1990

Dearest Hazel, Dorotha and Vivian,

Hazel, I received your Christmas poem. What talent!! It certainly cannot be denied that you are the daughter of John Herman Kidd, as his writing talent has been passed to you.

I loved his poem in the Nov/Dec KFH. Here is a comment from me on typograpic errors:

Those typograpic errors in my letters always seem to be
When I am writing to someone smarter than me. (That includes everybody!!)

I received, too, the query in the September, 1990 issue of HOUSTON GENEALOGICAL FORUM from Vivian Jordan.

Yes, yes, Vivian is a cousin, but by marriage. It is her husband who descends from Suzanne Kidd and James Hooten. I have been corresponding with Vivian for years, but I have not yet told her of my find.

I was waiting until I typed up all my new info. I was not being selfish, Vivian, just because you had never sent me your records I need. A little hunor there!

I am still standing by the mail box awaiting them. Please hurry as cold weather is coming on!!!

Vivian's husband descends from Rev. Enoch Milton Hooten. Remember I sent a picture of him to KFH and it was published. Vivian, I am not sure I have sent this picture to you, or a photo copy, which is all I have too. He is sitting (full view) and holding his Bible.

Vivian is retired from that great genealogical library in Houston. I think she was one of the first people I corresponded with when I started my research on the Hootens. She so kindly sent me a little Hooten history, written by a descendant of James, son of Suzannah and James Hooten. Some errors in it, but it did confirm that my Littleton was indeed a son of Suzannah and James Hooten. I can't remember if Vivian found me, or I found her.

I have typed up a little this morning, and am sending it to all of you. I believe what you will see is correct.

Vivian, I will sent the court records later that I found, but today, I am enclosing two items which mention James and Suzannah or Suzanne. Note the first court record where they are mentioned, the last name is "Hutton". The other one is correct, ie Hooten. I tell you when I found that, I had all the patrons at the Mormon library here around my reader, seeing what I had found. I was so excited that I had to leave soon, as I could not think anymore; I slept very little that night!!! I believe that was the most exciting thing I have ever found!!

And, Hazel, as you well know, I have been busy chasing your express office-robber-Uncle and your (bigamist?) grandfather, James Young Kidd, - we have found him!!

In reference that he might have possibly been a bigamist, I checked at the Cullman CH (forgot to tell you that when I last wrote). Divorce records start there (being recorded) around 1918. There are no papers there before 1900. The girl there told me that Wallace Library had some papers on film, which might include some before 1900. I have not checked there yet.

So, Vivian, blame part of it on Hazel!!

Too, I had to write up my late husband's Kidd line for a book. I don't know if his is kin to ours or not - yet!!!

I'm working on that too, but want to read some Oglethorpe and Va. records myself first - will have to be ordered from Mormons.

I hope all this makes sense. I am baking two cakes - one a diebetic for Charles' first wife's mother, and the other a German Choc. I hope I haven't gotten the directions mixed up - my kitchen looks like a major storm has hit it.

Charles' girls and families will be here Sat. for Christmas dinner, and the rest of my house is a wreck too, and I still have some decorating and more cooking to do, and a gift to finish for my sister (like the shirt I made for you, Hazel.)

Oh, I do want to comment on this. I believe some pages from some back issues of KFH was sent to Vivian.
April, 1990, pg. 9. Those Kidds are not ours. I just sent that in, which might have helped someone else. They are of the John B. Kidd family of Winston County, Al.

Same issue, page 25 - See my notes enclosed for corrections and additions.

Sept. 1990, pg. 7. I think it was me who sent Cordia KFH info. Also, what she saw in N.C. Ancestors was not all that was there. She evidently did not read directions!!! I found who was researching Aaron and Winnifred, and a few dates. It was Vivian, too, who was asking about Susannah and James Hooten. Enoch Powers was not John Powers' grandson, but great grandson per what a descendant told me, ie Carol Smith (who was really a Kidd - more on that later) Purvis. Those N.C. Kidds sure "got around"!!!

Oct. 1990, pb. 28/29 - don't know why Murray did not give anymore info on Susannah Kidd Hooten, as I had given her family in a previous issue. I chided him about that!!! Vivian, Murray, is not of our line. He just keeps his computer "hot" for all Kidds!!!

I have much more than he gave here on all lines.

We will probably get together sometime for him to enter what I have in his computer. I don't know how, but someway, as I don't loan my records. He might could bring his keyboard over here or whatever - I'm not in computers yet.

Hazel and Dorotha, I might add, that for those wanting info on Alabama Kidds, I would probably be the one to contact rather than Murray. I have lots of Georgia Kidds too. I know just about who all the Kidds are in Alabama from 1880 through 1910 census records. I have all Kidds from the Ga. Soundex 1880 and 1900. 1910 Soundex not available to me.

Hope I have helped, and if my cakes are a "flop" - I, naturally, will blame you three!!!!

Love & all,
Grannie

It would have been good to have published the Moore records I sent before what you did publish - re children of Moses, etc., as, really, others have not seen the proof of Moses' children.

Notes for ENOCH MILTON HOOTEN:
In going over the Hooten/O'Dell/Kidd papers that I have and putting the info on the computer, I read some of the findings to my husband, Dan Boswell Jordan. His grt grandfather was Enoch Milton Hooten. The Hootens were mainly in Henry Co., GA. This triggered a story from my husband and this is it.

Dan and his sister Polly (younger) would ride the train from Molena, GA to Atlanta, GA to see their maternal grandparents. Since the Grandfather Boswell was a conductor on the train that they rode, they had a great time. It seems that in coming back from Atlanta, the train had to stop in McDonough, Henry Co., GA and back up and switch to another track or something. Dan would take this time to inform his little sister that they were going back to Atlanta and not going home to Molena. She of course believed him and would start to cry because she wanted to get home. Also on these trips, another ruse that he would pull on Polly is that his name was really BUD. That he was a twin and that DAN and he would take turns about living in either Atlanta or Molena and take on the name of the other twin as they wished.
This of course would have Polly really upset and big brother was happy.

William Hooton (b.?-d.?) of Cheshire County, England. Probable range of his date of birth 1610-1640. He could hardly have died prior to ca. 1660.	Name of wife or wives, complete list of children, particularly any that may have migrated to the New World. Location of home(s) and gravesite.	Records in Cheshire County, England. Correspondence with Hootons located in Cheshire County and interested in genealogy.
Thomas Hooton, Sr., son of above. Was in a group of 114 passengers sailing in 1677 on board "Martha" to Virginia, presumably from Liverpool, England. Married Mary Lippencott of Shrewsbury, N.J. in 1697. Six sons: William (b.1698), John (b.1700), Thomas, Jr., (b.1702), Samuel (b.1713!), Joseph (b.1716) and Benjamin (b.1719).	A Thomas Hooton of Amherst County, Virginia, is listed in the (first) Census of 1790 as head of a household of 5 whites, no blacks. It seems unlikely he was either of the two mentioned in the column left. Thomas Jr. would have been 88 in this year, Thomas Sr. over 100. Perhaps Thomas Hooton of Amherst County, Virginia, is a son or even a grandson of Thomas, Jr. Children of Th. Jr. other than William, if any, unknown. Should seek out.	Records in Cheshire County, England. Correspondence with Hootons living in Cheshire County. Passenger lists. Cemeteries, church records, family bibles in Virginia, possibly in Amherst County. Mormon church records.
Thomas Hooton, Jr., son of above. Born 9/5/1702 in Virginia, d. 1775. Married Susan Green, related to wife of Vice President A. Stevenson.		
William Hooton, son of above (?). Born 10/2/1775? in Virginia, d.12/?/1856 in Kentucky. On 11/15/1796 m. Catherine George (b. 1771 in Virginia, d.10/1/1857 in Kentucky). How many children this couple had other than Nicholas Hooton is unknown.	This William could have been Thomas Jr.'s son or even his grandson. On her chart, Mrs. Reid scratched out "Jr." after Wm's name and the birthdate 1775, which would be appropriate to Wm's marriage in 1796 (at age 21), birth of son Nicholas (1800) and death (1856) at age 80-81.	Census records 1790 through 1850. Cemeteries, church records, family bibles in Virginia, Kentucky, Illinois. Mormon church records.
Colonel Nicholas Hooton, son of above. Born 12/21/1800 in Kentucky-d.4/25/1891 in Heyworth, Illinois. In 1819 married Sythia Lisle (b.9/9?/1800-d.1/?/1877 in Heyworth, Illinois. Parents of Johnson Winifred ("Winn") Hooton and ....?	Children other than Johnson, if any, unknown. By dates and migration routes alone, Nicholas could have been father, uncle or cousin of Drewry Flowers Hooton, Sr., of South Carolina and, subsequently, Alabama.	Census records 1820 through 1870. Civil War records (N.B. "Colonel" may have been a courtesy title corresponding to the Spanish courtesy title "Don"). Other documents in Kentucky and Illinois.
Johnson Winifred Hooton, son of above. Born ?/?/1837 in Winchester, Kentucky-d.10/8/1877 in Heyworth, Illinois. On 9/23/1858 married Mary Jane Hankins (b.9/12/1835-d.10/?/1910 in Holder or Bloomington Illinois Hospital). Private in McClean Brigade (Union Army). Reported to have ridden 6,000 (600?) mi. down Mississippi to Gulf of Mexico and to have walked 600 mi. (or vice versa).	Descendents to third generation well documented and lineage being updated. Johnson is mentioned (?) on Civil War Memorial in Miller Park, Bloomington, Illinois. (N.B. Yes, in addition to Bloomington, Indiana, there are Bloomingtons in Illinois, Minnesota and California)	Mrs. R. S. Reid, Mrs. D. S. S. Hughes and others.

Dear Mrs. Jordan :
Received your letter of July 6, 1987; which was appreciated very much.

When I wrote you in February, I had just started research on the James W. Hooton family. Since that time I have been able to complied quite a bit of information, most of which has been verified to the point that I feel comfortable with it. There are several families which I have very little, and what I do have needs futher research. The Enoch Hooten family being one of them.

I can certainly understand why you would be inclined think Littleton Hooton could be the Father of James Hooton. I worked under that assumption of quite a while until on a visit to the LDS library in Ducanville, Texas I found the listing of Thomas Hooton and wife Susannah Green as the parents of John Hooton b. 1772, James Hooton b.1790 and William Hooton b.1775. From the same record the listing of James Hooton and Susanna Kidd was listed. I feel that Thomas Hooton is indeed the Father of James Hooton. John and William were born in Goochland County Va., James was born in the adjoining county Fluvanna. This information also agrees with the statement in the biographical Sketch of Enoch M. Hooten [copy enclosed] where it is stated that his father was a Virginian by birth.

I seem to be rambling on and on so let me close saying that I am enclosing the information which I currently have. It consists of a chart showing the decendants of Thomas Hooton through his Great Grand children. Also a decendants chart for each child of James Hooton & Susanna Kidd. Any correction or additional information will be appreciated.

Hope this will be of some interest to you and your husband.

Your truly,

Sherrill

Hope this will be of some interest to you and your readers.

Dear Vivian:

This is embarrassing, but I do offer my sincere apology for taking so long in answering your letter of September 8th. At the time I received your letter my wife and I had just begun the project of completly repainting and decorating our home; this project has consumed all of my time and energy for the past couple of months. Now that we have completed the task I am ready to get back to the research on the Hooton's. If any good is to come from my delay it is the receipt of a letter from Mrs. Wright, copy enclosed.

The information contained in your letter filled in many blanks in my file, thank you. Now to answer your questions. Enclosed is the information as copied from the LDS records on Thomas Hooton. One of the most interesting things in this listing is the Christening of John Hooton. With research and the proper queries this should be verifiable. The listing of Cary Hooton as a daughter of James and Susanna came from the Georgia Baptist Historical Society. I never seem to make the proper notes, therefore I do not have available which publication this was in. When I get back to the library I will check this out and advise. Regarding Elizabeth Hooton, my information was taken from the Hervey report. If you will check Mrs. Wright's letter it should clear this matter up and eliminate her as a daughter of James and Susanna. I hope this has answered your questions to some degree. As I continue my research I will advise you of any additional information that is of value, please do the same.

Christmas is just around the corner so let me take this opportunity to wish you and your family a Merry Christmas and a Happy New Year.

Sincerely,

Sherrill

PS:

Pursing the christening of John Hooton in 1773 here is a short summary of the history of St. James, Northam, Goochland Co. Virginia. This information taken from the book written by Bishop William Meade and published in 1966.

"OLD CHURCHES , MINISTERS, AND FAMILIES OF VIRGINIA"

In the year 1744 the parish of St. James Northam, was restricted to the north side of the James river, and that on the south side was called St. James Southam, both of them being in Goochland, which still lay on both sides of the river, and extended from the Louisa line to Appmoattox River.

A Rev. Mr. Gavin who had been the minister of the undivided parish continued as minister of St. James Northam until his death in 1749. Immediately after his death the Rev. Mr. Douglass was chosen. Mr. Douglass officated were Dover, Beaver Dam, and Licking Hole. (This I interpret to be churches within the parish.) In 1777, after a ministry of twenty-seven years, he resigned his charge,and settled on a farm in Louisa, where he spent the remainder of his years, which were not many.

This covers the period in which John Hooton was christened. Now if we can find a way to determine if his name is listed in the vestry-book, and then obtain a copy of the christening it should show the name of his mother and father. To me, this would go a long way in establishing the authenticity the listings found in the IGI.

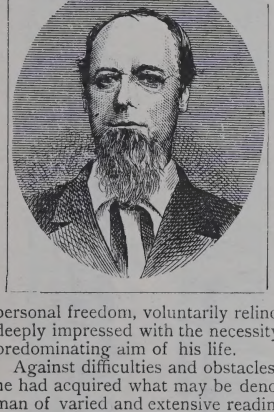
ENOCH M. HOOTEN.



Rev. ENOCH M. HOOTEN is the son of James Hooten, a Virginian by birth, and Susannah Kidd, a native of North Carolina. His father was a man of more than ordinary native intellect, powerful will, untiring industry, but of limited education. His mother was a woman of remarkable piety and decision of character.

The parents were strict Presbyterians, and the son was brought up in that faith. At fourteen years of age he was enabled to claim a personal hope in Jesus, and united with the Presbyterians, leading, ever afterwards, a consistent Christian life.

His father was a farmer by profession, and reared his son to follow a farmer's life, until he reached the age of sixteen, having been able to afford him but one year's schooling. At sixteen, the son, in consideration of his personal freedom, voluntarily relinquished all interest in his father's estate, and, deeply impressed with the necessity of an education for himself, made that the predominating aim of his life.

Against difficulties and obstacles, apparently insurmountable, he battled, until he had acquired what may be denominated a fair education and had become a man of varied and extensive reading. For the educational training of one year he was indebted to the liberality of his Presbyterian friends.

At the age of seventeen he felt it to be his duty to preach, and in the fall of 1855, he was received as a candidate for the ministry by the Flint River Presbytery, at Newnan, Georgia. At that time he deemed affusion only to be Scriptural baptism, and was surprised to hear the Presbytery then in session decide that it was unnecessary to sprinkle a Baptist lady converted to Presbyterianism, even though she desired it, because in being immersed by a Baptist, she had already received Scriptural baptism. But what he considered most remarkable and inconsistent was, that this position was maintained by the very Presbyterian minister who had converted the lady, by convincing her that Presbyterian views in regard to sprinkling, were correct, and Baptist views, in regard to immersion, wrong. He reasoned that if the Baptists are wrong and the Presbyterians right, the lady ought to have been sprinkled; but, if immersion is Scriptural and valid baptism, as the Presbytery decided, logically, sprinkling is not baptism. He resolved to investigate the subject of baptism for himself, and this he at once commenced to do. The conclusion at which he arrived was in accordance with the views of Baptists, and he therefore decided that a man with such convictions should not become a Presbyterian minister, which idea was thenceforth entirely abandoned by him. His sentiments, proclivities and educational bias; his prejudices against the Baptists; his pronounced views in opposition to restricted communion; and his conclusion that baptism in itself was not essential to salvation, all combined to retain him within the pale of the Presbyterian denomination, and such he remained for fourteen years, living a consistent Christian life, in the eyes of the world, and earnestly seeking the best earthly boon—a good education.

The war came on, and he joined the ranks of his country's defenders, and fought unscathed amid storms of shot and shell, until smitten down at the battle of Fredericksburg. While lying in the hospital at that city, helpless and dangerously wounded, light came to him in answer to prayer, and he was enabled to discern the path of duty. The true Scriptural relations between faith and baptism, between baptism and church membership, and between church membership and communion were clearly discerned, together with his own personal duty, as a Christian, to preach the everlasting Gospel, and he promised obedience to the Lord, should he ever be permitted to reach home again. This occurred in 1863. The Lord brought him back to Georgia, although for many months he was confined to his bed and was entirely helpless, on account of his wound, and even when he was baptized by Rev. W. G. McMichael, on the 17th of September, 1865, he was compelled to use crutches. His first sermon was preached on the fourth Sunday in the following November, and, about one year afterwards, namely, on the 17th of November, 1866, he was ordained to the full work of the Gospel ministry. The presbytery consisted of Revs. W. G. McMichael, John Goodman and J. G. Kimball.

For the last fourteen years he has been faithfully serving various churches in Monroe, Spalding, Meriwether and Pike counties, within a radius of fifty miles, for periods ranging from two to eight years, having, during those fourteen years, baptized over six hundred persons and constituted two new churches. All the while, too, he has been suffering from injuries received in battle, and he has been known to walk six miles with a crutch and stick rather than miss an appointment. His labors have been eminently arduous, and self-denying. As a preacher, he is very clear and forcible, and while always a free and graceful speaker, he not unfrequently grows eloquent in his delivery. His discourses are didactic in style, appealing more to the reason and judgment than to the fancy, feelings or sympathies: consequently his sermons are usually doctrinal; yet he is never accused of being dull in the pulpit. For several years he has been Clerk of the Flint River Association, much to the satisfaction of his brethren. He has, also, been successfully engaged for a number of years in teaching, and was, at one time, the efficient Superintendent of Education for Monroe county.

Not only was the Milner High School built up by him, but he erected the building for the school at his own expense, and, for two years, charged nothing for its use.

In person, Mr. Hooten is above the medium size, and well proportioned, with blue eyes, auburn hair, and fair complexion. A man of fine conversational powers, full of good humor and pleasantry, he commands the confidence and esteem of all those among whom he has lived and labored. Self-denial and toil have marked his life and his work for the Master, the height of his ambition being to benefit his fellow man and make his exertions redound to the honor and glory of God and to the advancement of His cause.

Mr. Hooten was married to Miss Sarah C. Shaw, in 1856, at the residence of her father, in Jasper county, and the union has proved a very happy and fruitful one, twelve children having been born to them, all of whom are living but one, and all of whom have been educated to books and to labor alike, that they might be the better fitted for any station in life.

One of our ablest Georgia pastors, Mr. Hooten has, in his day and generation, proved himself a workman in the Master's vineyard worthy of the highest esteem, and a most useful and successful yet modest and unassuming preacher and man.

JESSE R. HORNE.

Rev. JESSE R. HORNE was born in Halifax county, North Carolina, in 1806. He moved to Georgia in his boyhood, and joined a Baptist church about the year 1830. He entered the ministry in 1850, and constituted many churches in Houston, Dooly and Pulaski counties. He was Moderator of the Houston Association for several years previous to his death, which occurred in April, 1872. He had only the advantages of an ordinary English education, having been compelled for the greater part of his youth to labor on the farm. He was a highly acceptable preacher to the masses of his co-laborers in agricultural

In Darlington County,SC 1867 land that Littleton Hooten gave to his grandson,Cowan Littleton Sansbury. This Littleton Hooten, the former owner of this land is listed in the deed as 'E' Littleton Hooten. Land is South of Sparrow Swamp. FOREWORD

For a great many years it has been the sincere desire of all those interested in the early records of Virginia to make the contents of the celebrated Douglas Register available to the public; but the owners, descendants of the Reverend Mr. Douglas, would not agree to its publication. It has been the good fortune of the writer to have succeeded in obtaining the consent of the present owner, Mr. Hunter Fielding Warner Lewis, to this publication.

In order to make the record more available for ready reference, the entries, under the various headings of Marriages, Births and Deaths, have been arranged alphabetically, after the manner of an index. This has been done without in any case changing the spelling, or phraseology, of the venerable recorder. It will be seen that in many instances the same name has been spelled in different ways, according to the manner of former days. The various forms of the same family name, wherever the editor was certain, have been placed together, regardless of the proper alphabetical place, in order to present the family grouping in a more comprehensive arrangement.

Some of the records of the early French settlers at Maniken Town, and a rough index of the Goochland County wills, inventories, etc., have been added to the publication, that the reader may understand better the origin of many of the family names that occur in the Register. Many marriages, of which there are now no available record, are indicated in the Birth Register, in which Mr. Douglas, very wisely, gives the maiden name of the mother, as well as the name of the father. These presumptive marriages have been set up from the Birth Registry and made into two alphabetical lists, one for the husbands and another for the wives.

The Reverend William Douglas came to St. James Northam Parish, in Goochland County, Virginia, (Dover Church), on the 12th of October, 1750. A memorandum in the Register shows that he had charge of St. James Northam Parish for twenty-seven years; Maniken Town (King William Parish), for nineteen years, and ministered to a charge in Buckingham County for four years.

There had been, according to his statement, no parish register kept up to the time that he took charge. He began, on the 15th of September, 1753, keeping a record of the marriages performed by him. The book in which the Register is kept, was procured by him at the beginning of the year 1756 and was kept from that time until near the time of his death, which occurred on the 7th of February, 1798. But he inserted many of the marriages performed by him before 1756, and in the matter of births the record goes back to 1705—including the names and dates of birth of children given him by their parents, who desired them recorded.

This book is known as "The Douglas Register" for the reason that it not only contains a record of Births, Christenings, Marriages, Deaths and Funerals in St. James Northam Parish and the county of Goochland, but in many instances in adjacent counties and others more remote. The record also is not only for the period he was in charge of St. James Northam Parish, but continues after he left that parish, on the 5th of September, 1777, and went to live in Louisa County. In fact he kept up the entries in the Register until 1797, and thus it covers a period of ninety-two years.

The book is made of the old Government stamped paper and is bound in calf and parchment. It is in a good state of preservation, though in some places the margin is worn or broken, and there are several pages missing.

The writer wishes to acknowledge the very efficient aid of the Hon. Charles M. Wallace in the preparation and editing of the manuscript; the intelligent co-operation of the publishers, Messrs J. W. Fergusson & Sons; and also to express his high appreciation of the endorsement of his effort by the following well-known authorities on Virginia records: Dr. Henry R. McIlwaine, State Librarian of Virginia; Dr. Lyon G. Tyler, historian and author; Dr. Wm. G. Stanard, Secretary of the Virginia Historical Society; Dr. Earl G. Swem, Librarian of William & Mary College; Dr. Joseph D. Eggleston, President of Hampden-Sydney College; and Dr. Robert A. Stewart, editor of the *Researcher*. He further wishes to acknowledge the generous response of the subscribers, whose names appear elsewhere in these pages.

With the ardent hope that this work will prove of interest and benefit to the public,

W. Mac. Jones.

Elizabeth Hooton 1st Woman Quaker Preacher. 1600-1672 by Emily Manners.

The quotations that follow are from the letters of Elizabeth Hooton that appear in the book and from the history as related in this book. This source is gratefully acknowledged in giving the following very brief sketch of the first progenitor of the Hooton line.

Of the early life of Elizabeth, spent in Nottinghamshire England, little is known. After her meeting, in 1646-7, with George Fox, who was at that time, in or near Mansfield, she became convinced of the truth of his ministry. Shortly after her own "active ministry commenced and bonds and bitter persecutions awaited her."

Elizabeth went forward with her religious service vigorously. In spite of fines and imprisonment she continued to preach. She reproved the the Clergy, the Magistrates and Judges for persecution and the Jailors for cruelty and corruption.

In 1661 Elizabeth felt inspired to carry her teaching to the New World. As Boston at that time laid a fine of £100 on every ship that would land a Quaker, she, in company with Joan Brooksopp sailed to Virginia and from there "God was pleased to order us a way by a Katch, and we went the rest of the way by land" to Boston. In attempting to visit their friends there in prison they also were jailed and tried "The jury condemned us all to be driven out of their jurisdiction by men and horses armed with Swords & Staffes and weapons of warre who went along with us neire Two days journey in the wilderness, and there they left us toward the night amongst the great rivers and many wild beasts yt useth to devoure and yt night we lay in the woods without any victualls, but a fewe biskits yt we brought with us which we soaked in the water. So did the Lord help and deliver us and one caried another through the waters and we escaped their hands --- so did we come to Providence and Rhod Iland where was appointed by friends a general meeting" Likely the first general meeting in America. They there took ship and went to Barbadoes and in 1662 reached England. Here soon again she appears visiting prisoners and reproving their jailors. Through her determination and fearlessness she succeeded in interviewing King Charles and speaking to the Council.

But again Elizabeth felt herself "moved by ye Lord and called of his spirit to goe to New England and took with me my daughter" From a lengthy letter of hers about this journey a sentence is quoted "Thus did they abuse us with horrible whippings and mangings of our bodyes with whips, fining, imprisoning, and banishing into ye wilderness yt when the snows were very deep and noe Tread but wt wolves had made going before me, and my life were neare lost many times in ye cold of ye winter and ye hazards of the journey. and thus have they used us English people as vagabond rogues and wandering Quakers."

During the year 1665-6 Elizabeth returned to England. In 1669 her name was among those of "Heads & Teachers of the Friends at Harby, Lincs."

On the 13th of July 1671 George Fox with a company of

twelve set sail "toward America and some of the Isles thereunto belonging" Elizabeth Hooton 2nd Elizabeth Miers were the only women included in the party. In the Barbadoes a last letter was indited by "E Hooton - to some ruler in the Barbadoes." 7th of 10th mo. 1671. the last paragraph reads "Therefor to the light of Christ return; that yo" may see what yo" should doe and what yo" should not doe and that all your accons may be guided by it, for hee hath inlightened every one that cometh into the world."
George Fox writing to friends in Rhode Island 19th June, 1672 says "Elizabeth Hooton is deceased at Jamaeae."
"Such is the story of the earliest convert of George Fox: one who was destined to travel far in the service of Truth, and whose steadfastness, determination, fearlessness and patience are unconsciously revealed by the numerous letters which she wrote. No insignificant place was hers in the long & bitter struggle for religious liberty and her life's story has left an indelible mark on the history of the beginnings of the Society of Friends" — — — — —
